Evans,2009 Everyone knows about Noah Moses and Paul But what about Hagar Michal and Priscilla all women who had a direct influence in the story of God's people The Bible is full of fascinating powerful and faithful women as well as lessons that have unique meaning for women today In The Women's Study Bible respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today Separate sidebars cover topics such as midwifery women disciples and female images of God The Women's Study Bible doesn't shy away from the difficult issues but helps readers to understand them better in both their original context and the modern world The New Living Translation of the Bible uses inclusive language for humanity and where it is clear that both male and female are meant to be included Book Jacket      Soil Survey, Pasquotank County, North Carolina A.
