These riveting personalities each achieved excellence but even greater than their individual accomplishments is the positive Hispanic image they collectively represent to the world. Photographs, illustrations, and lively text tell the stories of these fascinating historical figures. **Democracy and Time in Cuban Thought** María de los Ángeles Torres, 2024-01-30. In this analysis of political discourse in Cuban culture, María de los Angeles Torres focuses on how the concept of time has been employed by different political projects, arguing that an emphasis on human actions in the present is important for a democratic political culture. Cervantes' Epic Novel Michael Armstrong-Roche, 2009-05-08. Miguel de Cervantes conceived his final work, *The Labours of Persiles and Sigismunda: A Northern Story* (1617), as a great prose epic that would accomplish for its age what Homer and Virgil had done for theirs. And yet, by the eighteenth century, *Don Quixote* had eclipsed *Persiles* in the favour of readers and writers alike, and the later novel is now virtually forgotten except by specialists. This study sets out to help restore *Persiles* to pride of place within Cervantes's corpus by reading it as the author's summa as a boldly new kind of prose epic that casts an original light on the major political, religious, social, and literary debates of its era. At the same time, it seeks to illuminate how such a lofty and solemn ambition could coexist with Cervantes' evident urge to delight. Grounded in the novel's multiple contexts—literature, history, and politics, philosophy, and theology—and in close reading of the text, Michael Armstrong-Roche aims to reshape our understanding of *Persiles* within the history of prose fiction and to take part in the ongoing conversation about the relationship between literary and non-literary cultural forms. Ultimately, he reveals how Cervantes recast the prose epic, expanding it in new directions to accommodate the great epic themes: politics, love, and religion to the most urgent concerns of his day.
