Epalanga, 2023-06-13 An exhilarating debut novel told through three different voices *Whites Can Dance Too* is Kalaf Epalanga's reflection on and celebration of the music of his homeland the intertwining of cultural roots and freedom and love It took being caught at a border without proper documents for me to realise I'd always been a prisoner of sorts Kuduro had been my passport to the world thanks to it I'd travelled to places I'd never dreamed of visiting But the chickens had come home to roost Hours before performing at one of Europe's most iconic music festivals Kalaf Epalanga is detained at the border on suspicion of being an illegal immigrant Trapped his thoughts soon thrum to the beat of kuduro the blistering techno infused Angolan music which has taken him from Luanda to Kristiansund Beirut to Rio de Janeiro Paris to Lisbon Shifting between his reflections while incarcerated and the stories of Sofia Kalaf's friend at the heart of the Lisbon dance scene and the Viking the immigration official holding Kalaf's fate in his hands *Whites Can Dance Too* is a celebration of the music of Epalanga's homeland and a hypnotic paean to cultural roots to freedom and love Both a manifesto and a love story Electrifying What you will find is a story so compelling and visceral that it has the power to move your heart and remind you that the only real borders are the ones we set around ourselves Maaaza Mengiste author of *The Shadow King* shortlisted for the Booker Prize A hugely original lyrical odyssey through space and identity Epalanga is one of the most essential voices from that liminal space between Africa and Europe and though this novel's flavours are specific its themes are universal Johny Pitts author of *Afropean Notes from Black Europe*

Elusive God Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God's presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10 1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God's will that we search for God grope for him and find him Acts 17 27 28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God THE ENCYCLOPAEDIA BRITANNICA FOURTEENTH EDITION: A NEW SURVEY OF UNIVERSAL KNOWLEDGE VOLUME 7, 1929 **Museums of the World** Michael Zils, 2002 *Hoptopia* Peter A. Kopp, 2016-09-06 Hoptopia argues that the current revolution in craft beer is the product of a complex global history that converged in the hop fields of Oregon's Willamette Valley What spawned from an ideal environment and the ability of regional farmers to grow the crop rapidly transformed into something far greater because Oregon farmers depended on the importation of rootstock knowledge technology and goods not only from Europe and the Eastern United States but also from Asia Latin America and Australasia They also relied upon a seasonal labor supply of people from all of these areas as a supplement to local Euroamerican and indigenous communities to harvest their crops In turn Oregon hop farmers reciprocated in exchanges of plants and ideas with growers and scientists around the world and of course sent their cured hops into the global marketplace These global exchanges occurred not only during Oregon's golden era of hop growing in the late nineteenth and early twentieth centuries but through to the present in the midst of the craft beer revival The title of this book Hoptopia is a nod to Portland's title of Beervana and the Willamette Valley's claim as an agricultural Eden from the mid nineteenth century onward But the story is fundamentally about how seemingly niche agricultural regions do not exist and have never existed independently of the flow of people ideas goods and biology from other parts of the world To define Hoptopia is to define the Willamette Valley's hop and beer industries as the culmination of all of this local and global history With the hop itself as a central character this book aims to connect twenty first century consumers to agricultural lands and histories that have been forgotten in an era of industrial food production Provided by publisher **The Morville Hours** Katherine Swift, 2011-01-17 _____ The Morville Hours is the most beautiful book I have read in years Nigel Slater A truly remarkable book that is both intimate and universal We are left with a

renewed sense of what it is to be human Daily Telegraph This is gardening writing at its best Swift s prose brings the garden alive in all its details scents and meaning Evocative heartfelt and magical Guardian _____ In 1988 Katherine Swift arrived at the Dower House at Morville to create a garden of her own This beautifully written utterly absorbing book is the history of the many people who have lived in the same Shropshire house tending the same soil passing down stories over the generations Spanning thousands of years The Morville Hours takes the form of a medieval Book of Hours It is a meditative journey through the seasons but also a journey of self exploration It is a book about finding one s place in the world and putting down roots *Bulletin* Cincinnati (Ohio), Public Library, 1888 BATHSHEBA Bathed in Grace Carol Cook, 2013-03-08 In an unusual style and insight here is a relatable account of eight exceptional women of the Bible Faced with such obstacles as lies adultery deception scandal murder pain and loss and seemingly impossible situations we watch these women find courage wisdom and grace through prayer and faith The American Catalogue , 1905 American national trade bibliography
