Edmund Blunden Writers And Their Work No 93

Edmund Blunden

Edmund Blunden Writers And Their Work No 93:

English Poetry of the First World War John H. Johnston, 2015-12-08 The author deals with the shock of World War I as it was registered in the work of Rupert Brooke Siegfried Sassoon Edmund Blunden Wilfred Owen Isaac Rosenberg Herbert Read and David Jones He finds in Read and Jones the culmination of a tendency away from personal lyric response toward formal control and a positive vision Originally published in 1964 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library. Research Libraries, 1979 **The Joseph M. Bruccoli Great War Collection at the University of South Carolina** Elizabeth A. Sudduth, 2005 Bruccoli Great War Collection at the University of South Carolina An Illustrated Catalogue provides a reference tool for the study of one of the great watershed moments in history on both sides of the Atlantic serving historians researchers and collectors Undertones of War Edmund Blunden, 2015 Edmund Blunden 1896 1974 was one of the youngest of the war poets enlisting straight from school to find himself in some of the Western Front's most notorious hot spots His prose memoir written in a rich allusive vein full of anecdote and human interest is unique for its quiet authority and for the potency of its dream like narrative Once we accept the archaic conventions and catch the tone which can be by turns horrifying or hilarious Undertones of War gradually reveals itself as a masterpiece It is clear why it has remained in print since it first appeared in 1928 This new edition not only offers the original unrevised version of the prose narrative written at white heat when Blunden was teaching in Japan and had no access to his notes but provides a great deal of supplementary material never before gathered together Blunden's Preliminary expresses the lifelong compulsion he felt to go over the ground again and for half a century he prepared new prefaces added annotations All those prefaces and a wide selection of his commentaries are included here marginalia from friends first editions remarks in letters extracts from later essays and a substantial part of his war diary John Greening has provided a scholarly introduction discussing the bibliographical and historical background and brings his poet's eye to a much expanded and more representative selection of Blunden's war poetry For the first time we can see the poet Blunden as the major figure he was Blunden had always hoped for a properly illustrated edition of the work and kept a folder full of possible pictures The editor with the Blunden family's help has selected some of the best of them to include in this new edition Jacket The Year's Work in English Studies, 1960 Z. Angl. Am., 1958 *Author Catalogue of Printed Books in European Languages* National Library (India), 1964 **The Poetry of World War I** John H. Johnston, 1960 National Union Catalog, 1956 Includes entries for maps and atlases **London**

Magazine John Lehmann, Alan Ross, 1958 *Dictionary Catalog of the University Library, 1919-1962* University of California, Los Angeles. Library, 1963 **The English Eliot** Steve Ellis, 2015-12-22 This book first published in 1991 supplies a neglected cultural context for T S Eliot's writings of the 1930s and 1940s particularly *Four Quartets* and attempts to disprove the widespread belief in Eliot's unproblematic commitment to England and the Englishness The book traces Eliot's classicism not only in linguistic and formalist terms but also in his construction of England in the *Quartets* and *Quartets* related essays His practice is related to the vigorous polemic concerning the definition of England found in the 1930s and 1940s in material as diverse as landscape painting advertising travel literature and the detective novel This original and provocative text will not only be of interest to students and teachers of Eliot but to those interested in representations of nationality **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09

Dramatists and Their Manuscripts in the Age of Shakespeare, Jonson, Middleton and Heywood Grace Ioppolo, 2013-04-15 This title presents new evidence about the ways in which English Renaissance dramatists composed their plays and the degree to which they participated in the dissemination of their texts to theatrical audiences **Uncollected Letters of Virginia Woolf** Stuart N. Clarke, Stephen Barkway, 2025-03-31 Many previously undiscovered letters from Virginia Woolf have come to light since the original six volume *Collected Letters* was published between 1975 and 1980 Over 1 400 are included in this vital new book illuminating facets of Woolf's life that have previously been hidden or only glimpsed Important letters to contemporary writers such as Stella Benson Rebecca West Lyn Lloyd Irvine and Berta Ruck have been unearthed from archives as well as fifty letters to T S Eliot This book also features substantial collections of letters to Lady Colefax Winifred Holtby Mary Hutchinson Christabel McLaren Lady Aberconway and Raymond Mortimer as well as previously unrecorded correspondents Through these letters we see Woolf encouraging would be authors and negotiating with editors literary agents and foreign translators in her role as a professional writer The *Uncollected Letters of Virginia Woolf* provides extraordinary insight into the variety of acquaintance of one of the most fascinating literary figures of the twentieth century

English Writers B. A. Sheen, 2004 *English Writers A Bibliography with Vignettes* *Routledge Library Editions: T. S. Eliot* Various Authors, 2022-07-30 This set reissues 10 books on T S Eliot originally published between 1952 and 1991 The volumes examine many of Eliot's most respected works including his *Four Quartets* and *The Waste Land* As well as exploring Eliot's work this collection also provides a comprehensive analysis of the man behind the poetry particularly in Frederick Tomlin's *T S Eliot A Friendship* This set will be of particular interest to students of literature **Remembering the Great War** Ian Andrew Isherwood, 2017-02-28 The horrors and tragedies of the First World War produced some of the finest literature of the century including *Memoirs of an Infantry Officer* *Goodbye to All That* the poetry of Wilfred Owen and Edward Thomas and the novels of Ford Madox Ford Collectively detailing every campaign and action together with the emotions and motives of the men on the ground these war books are the most important set of sources on the Great War that

we have Through looking at the war poems memoirs and accounts published after the First World War Ian Andrew Isherwood addresses the key issues of wartime historiography patriotism cowardice publishers and their motives readers and their motives masculinity and propaganda He also analyses the culture society and politics of the world left behind Remembering the Great War is a valuable fascinating and stirring addition to our knowledge of the experiences of WWI **Radical Journalist** Alfred F. Havighurst,1974-09-05 The first study of the career of H W Massingham an outstanding journalist early in the twentieth century when editors were often ranked equal in significance with ministers of state Massingham featured most significantly in the history of the press as editor of the Star the Daily Chronicle and finally the Nation Professor Havighurst demonstrates Massingham s central position by arguing that he played a more important role in the formation of progressivism in the period 1888 92 than even the Fabian Society Massingham s clash with the Fabians is examined along with his gradual disillusionment with Rosebery his influence upon important questions of public opinion his connection and his subsequent contact with Ramsay MacDonald The influence of journalists is frequently alleged but is often unproved this biography provides a detailed assessment of the impact of a major journalist and is a complete and fascinating account of an extremely important political figure It will appeal to specialists in political and social history and the history of journalism
 John Keats, Updated Edition Harold Bloom,2009 Presents a collection of critical essays on the works of John Keats
