## **Edmund Wilson Our Neighbor From Talcottville:**

**Edmund Wilson** Richard Hauer Costa, 1980-11-01 For the eminent American literary critic Edmund Wilson Upstate New York was home Richard Hauer Costa's biography of Wilson's final years from 1962 to 1972 in Talcottville NY combines the literary the political and the domestic in an engaging portrait of Wilson as squierarchical Dickensian benevolent Costa shows us a very personal accessible man as he tells us about Wilson's opinions literary and otherwise his likes and dislikes his almost spiritual link to Talcottville his failing health in his final years his habits moviegoing and idiosyncracies sneakers What emerges is a profile of Wilson not at all like the stern figure of academic biography Also included are interviews Costa conducted after Wilson's death with noted Upstate novelist Walter D Edmonds Canadian writer Morley Callaghan and Wilson's Upstate friend Mary Pcolar *Edmund Wilson's America* George H. Douglas, 2021-11-21 When Edmund Wilson died in 1972 he was widely acclaimed as one of America's great literary critics But it was often forgotten by many of his admirers that he was also a brilliant and penetrating critic of American life In a literary career spanning half a century Wilson commented on nearly every aspect of the American experience and he produced a body of work on the subject that rivals those of Tocqueville and Henry Adams In this book George H Douglas has distilled the essence from Wilson's many writings on America An active reporter and journalist as much as a scholar Wilson ranged from Harding to Nixon from bathtub gin to marijuana Douglas here surveys Wilson's mordant observations on the roaring twenties the Great Depression income tax suburbia sex populist politics the Vietnam War the Great Society the failure of American scholarship pollution of the landscape and the breakdown of traditional American values The Wilson who emerges from this survey is a historical writer with deep and unshakable roots in Jeffersonian democracy Among his most far seeing and poignant books are studies of the literature of the American Civil War and of the treatment of the American Indian Pained by the crumbling moral order Wilson was never completely at home in the twentieth century In politics he was neither a liberal nor a conservative as those terms are understood today He endured those ideologies and their adherents but his genius was that he could bring them into hard focus from the perspective of the traditional American individualist who was too pained to accept the standardized commercial world that had grown up around him Edmund Wilson's *America* offers a distinctive overview of the nation's life and culture as seen and judged by its leading man of letters *The Fifties* Edmund Wilson, 2019-11-12 Edmund Wilson's *The Fifties* edited by Leon Edel is the highly acclaimed fourth volume in the series that began with *The Twenties* It is complimented with photographs and journal excerpts of some of the most interesting characters of the decade including Edna St Vincent Millay W H Auden and Vladimir Nabokov A giant's workroom we can wander through marveling Richard Locke *The Wall Street Journal* on *The Fifties* From Notebooks and Diaries of the Period **Marietta Holley** Kate H. Winter, 1984 Aims to recover the buried reputation of one of America's most popular writers from 1873 to 1914 Upstate Edmund Wilson, 2019-11-19 Historical recollections of life in upstate New York from Edmund Wilson one of America's

preeminent literary critics of the twentieth century What I have written shows the gradual but steady expiration of the world of New York State as I knew it in my childhood and the modifications that its life has undergone It is true that Lowville and Boonville have changed less unless perhaps Charlottesville Virginia than any other part of this country that I knew when I was a child But as has been seen it has reflected all the changes that to a greater degree have been taking place in the life of the country as a whole Edmund Wilson      **Edmund Wilson** Jeffrey Meyers,2003-09-02 This comprehensive biography of prolific critic essayist historian and novelist Edmund Wilson 1895 1972 posits quite successfully that the subject lived a life as romantic and chaotic as his friend F Scott Fitzgerald s Wilson suffered a nervous breakdown and the tragic death of his second wife he was married four times among them Mary McCarthy had affairs with numerous beautiful women including Edna St Vincent Millay and was friend to literary giants such as John Dos Passos Vladimir Nabokov and W H Auden      **The Feud** Alex Beam,2016 In 1940 Edmund Wilson was the undisputed big dog of American letters Vladimir Nabokov was a penniless Russian exile seeking asylum in the States Wilson became a mentor to Nabokov introducing him to every editor of note assigning reviews for The New Republic engineering a Guggenheim Their intimate friendship blossomed over a shared interest in all things Russian ruffled a bit by political disagreements But then came Lolita and suddenly Nabokov was the big and very rich dog Finally the feud erupted in full when Nabokov published his hugely footnoted and virtually unreadable literal translation of Pushkin s famously untranslatable verse novel Eugene Onegin Wilson attacked his friend s translation with hammer and tong in the New York Review of Books Nabokov counterattacked in the same publication Back and forth the increasingly aggressive letters volleyed until their friendship was reduced to ashes by the narcissism of small differences

The Sixties Edmund Wilson,2019-11-12 The last of Edmund Wilson s posthumously published journals turned out to be one of his major books The Sixties the Last Journal 1960 1972 a personal history that is also brilliant social comedy and an anatomy of the times Wilson catches the flavor of an international elite Stravinsky Auden Andre Malraux and Isaiah Berlin as well as the New York literati and the Kennedy White House but he never strays too far from the common life whether noting the routines of his normal neighbors or the struggle of his own aging Candor and intelligence come through on every page in this always absorbing journal by perhaps the last great man of American letters Kirkus Reviews      Robinson Jeffers and a Galaxy of Writers William B. Thesing,1995      **An Appointment with Somerset Maugham** Richard Hauer Costa,1994 Now just ask yourself Maugham said without the least suggestion of a stutter wouldn t it be a dreadful world if pleasure ruled But pleasure has ruled Richard Costa s world the pleasure of books and their writers In this charming and insightful reminiscence he introduces readers to a host of literary lives that have touched him Somerset Maugham H G Wells Malcolm Lowry Conrad Aiken Edmund Wilson Kingsley Amis Dorothy Parker Edith Wharton and others The journey of the mind and heart Costa traces has some illustrious guides Reading and re reading the works of memorable writers of our time interviewing them and writing about them he has woven literature into his life in a way that provides illumination and just

plain interest for those who read the story here In his intellectual and literary chronicle readers will find much humor much memory and much food for thought      **Edmund Wilson Revisited** David Castronovo,1998 From the jazz age to the Nixon years Edmund Wilson was an intrepid critic historian journalist and creative writer who communicated in the voice of the public intellectual with a general audience and with international peers including Isaiah Berlin and Vladimir Nabokov This new revised edition of a 1985 New York Times Notable Book is about Wilson s passions his commitment to the writer s craft his contempt for power politics in his time and in history his appetite for ancient and modern languages and literatures and his many loves and eccentricities Moving from his 1920s days as a cultural journalist to his 1930s period as a reporter on Depression America to his later years of relentless research and writings on the Civil War the Dead Sea Scrolls and the panorama of his long life in literature Edmund Wilson Revisited analyzes the books and opinions that have made Wilson a landmark figure Chapters devoted to literary ideas reporting revolutionary politics and personal philosophy reveal grand patterns of a writer s career as they follow his life across the century Readers will discover Wilson s renaissance outreach as he explored Iroquois Indian customs Hebrew texts Marx and Engels and the work of famous friends such as Edna St Vincent Millay F Scott Fitzgerald and many other writers whom he brought into focus and championed      **Melville Biography** Hershel Parker,2012 Melville Biography An Inside Narrative is Hershel Parker s history of the writing of Melville biographies enriched by his intimate working relationships with great Melvilleans dead and living The first part is a mesmerizing autobiographical account of what went into creating his award winning two volume life of Herman Melville Next Parker traces six decades the persistent war New Critics have waged against biographical scholarship on Melville American literary critics he finds impose New Critical theories of organic unity on Melville s disrupted career even while truncating his body of work and minimizing his aesthetic interests Parker celebrates the divine amateurs who use new technology to discover dazzling Melville stories and also lauds the writers of literature blogs as potential redeemers of academic and mainstream media reviewing In the third part Parker invites readers into his biographical workshop and challenges them with ambitious research assignments Throughout this bold book Parker seeks to reinvigorate the all but lost art of scholarly literary criticism and biography      **Edmund Wilson** Janet Groth,1989 In this energetic and convincing study of one of America s most distinguished literary critics Janet Groth sets out to restore Wilson s work to a place of prominence amongst current critical modes      *The New York Times Book Review* ,1985-07 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback      **Proceedings of the New York State Historical Association with the Quarterly Journal** New York State Historical Association,1994      *The Texas Review* ,1982      *Thinkers of the Twentieth Century* Roland Turner,1987 Major thinkers in various intellectual disciplines are featured in Thinkers of the Twentieth Century Your patrons will find this guide a perfect start to their studies on 450 intellectuals from philosophy theology literary criticism aesthetics history social
