1

Be a positive role model when talking about mental health.

2

Encourage students to support and listen to each other.

3

Demonstrate the positive benefits of talking about firm feelings and emotions.

4

Highlight positive role models within the media and the good work they are doing for mental health.

5

Teach students some simple coping skills and the benefits of using these.

6

Set aside time each week for students to practice some self-care.

7

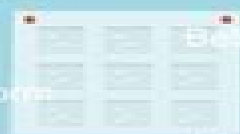

Show that talking about mental health is a sign of strength not weakness.

8

Create a mental health friendly environment where students are not afraid to open up.
