Eddies Bear:

The Eddies Of The Aevitas Jim Valliere,2023-04-28 The currents in the River of Time are powerful powerful enough to pull Joe Samson in opposite directions effectively splitting his soul and pulling him away from one destiny to another However all countercurrents must eventually rejoin the main channel Only one Joe can exit the eddy and continue to live Joe must journey back in time to the very birth of his soul to discover the connections in past lives that will affect his seemingly impossible decision on which Joe will exit the eddy Now Look Sydney Lea,2024-05-15 Set against a backdrop of the remote northern Maine wilderness fishing hunting and the pleasures of outdoor life bring together a mismatched pair of friends weaving back and forth between past and present it follows the friendship of ivy league educated George Mayes and semi literate woodsman and logger Evan Butcher George a drunk from his college days has a critical life changing moment of insight and begins postgraduate life however improbably as a reckless school bus driver After getting clean and sober he develops a successful school transportation business Having taken a number of trips to the north woods he has come to know and revere Evan At the story s opening Evan is a store of knowledge decency and even of wisdom But after a series of horrendous family tragedies he begins to succumb to alcohol himself Now Look from Vermont poet laureate and Pulitzer finalist Sydney Lea is a moving novel about second chances missed chances and redemption **The Electrician** ,1904

Rod and Gun in Canada ,1915 *The Toyminator* Robert Rankin,2011-06-02 Somewhere over the rainbow and just off the Yellow Brick Road stands Toy City formerly known as Toy Town And things are not going well for the city s inhabitants There have been outbreaks of STC Spontaneous Toy Combustion and there are strange signs and portents in the Heavens Preachers of Toy City s many religions are predicting that the End Times are approaching and that a Toy City Apocalypse will soon come to pass But can this possibly be true or is there a simple explanation an alien invasion for instance With the body count rising and the forces of law and order baffled it is the time for a hero to step forward and attempt to save the day Well two heroes actually Eddie Bear Toy City Private Eye and his loyal sidekick Jack our courageous twosome are about to face their biggest challenge yet to save not only toykind but the world of mankind too Which should keep them out of the pub for a while **Skinfolk: A Memoir** Matthew Pratt Guterl,2023-03-28 A haunting poignant story of growing up in a mixed race family in 1970s New Jersey in the tradition of *The Color of Water* Race is made not born It can materialize with a thunderous suddenness It can happen to you in moments that will be cauterized into memory as if into flesh Could a picturesque white house with a picket fence save the world What if it was filled with children drawn together from around the globe And what if within the yard the lines of kin and skin of family and race were deliberately knotted and twisted In 1970 a wild eyed dreamer Bob Guterl believed it could Bob was determined to solve in one stroke the problems of overpopulation and racism The charming larger than life lawyer and his brilliant wife Sheryl a former homecoming queen launched a radical experiment to raise their two biological sons alongside four children adopted from Korea Vietnam and the South Bronx the so called war

zones of the American century They moved to rural New Jersey with dreams of creating what Bob described as a new Noah's ark filled with two of every race While the venture made for a great photograph with the proverbial casseroles and potato chips out for everyone the Brady Bunch facade began to crack once reality seeped into the yard adding undue complexity to the ordinary drama of a big family Neighbors began to stare Vacations went wrong Joy and laughter commingled with discomfort and alienation Familial bonds inevitably buckled In the end this picture perfect family was no longer and memories of the idyllic undertaking were marred by tragedy In lyrical yet wrenching prose Matthew Pratt Guterl one of the children narrates a family saga of astonishing originality in which even the best intentions would prove woefully inadequate He takes us inside the clapboard house where Bob and Sheryl raised their makeshift brood in a nation riven then as now by virulent racism and xenophobia Chronicling both the humor and pathos of this experiment he opens a door to our dreams of what the idea of family might make possible In the tradition of James McBride's *The Color of Water* Skinfolk exposes the joys and constraints of love blood and belonging and the persistent river of racial violence in America past and present *Queen City Mafia* Quail Lowery, 2025-06-30 Bear Tyson is transferred to a North Carolina prison after being convicted of arson He was sentenced to seven years for the crime he committed While serving his sentence he met Bobby Johnson from New York City Bobby was serving a bid for arm robbery While incarcerated they form a group called The Queen City Mafia and plan to take over the city of Charlotte upon their release Jim Sr is the sheriff of the city of Charlotte and also an elite member of the KKK organization His son Jim Jr is completely opposite from his father Although his son's views are different when it comes to racism he still wants to recruit him to join the Klan Before Jr can be inducted there are several rituals he must perform A war takes place right before the ritual ceremony between the Queen City Mafia and the Klan Does peace pollute the city Or does the Mafia get what they want from going to war with the Klan
