Edgar Cayce And Group Dynamics:

Edgar Cayce in Context K. Paul Johnson, 2016-03-22 Edgar Cayce widely acclaimed clairvoyant and forerunner of the holistic health movement is revealed here as a pivotal figure in the transition from the esoteric and metaphysical movements of the late nineteenth century to the New Age movement This book describes and evaluates his psychic readings more than 14 000 trance discourses that address medical theological historical and psychological concerns raised by thousands of inquirers The author evaluates evidence for and against Cayce s reliability in the subject areas emphasized by the readings Cayce s medical and psychological advice is shown to be well ahead of his time in many respects and his spiritual teachings are appraised as a reconciliation of Protestant mysticism with New Thought and Theosophy Although the medical readings provide intriguing evidence for Cayce s ESP his clairvoyant time travel illustrates the fallibility of information derived through hypnotic trance The author contends that the contents of the readings reflect the knowledge and interests of their recipients as much as Cayce s personal opinions and beliefs This is the first book to focus solely on appraising the entire body of the Cayce readings from a scholarly perspective *Edgar Cayce and Group Dynamics* Worth R. Kidd, 1971-02-01

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1973 **Edgar Cayce on Vibrations** Kevin J. Todeschi,2007-06 Science caught up with the psychic readings of Edgar Cayce when it proved that all of materiality consisting of atoms and therefore protons neutrons and electrons is energy in motion Everything is a vibration Even the body s five senses operate through the use of vibrations The Cayce readings suggested that vibrations were also associated with healing consciousness and even locations In fact the Cayce information presents the premise that all of life in every dimension is actually just different manifestations of the One Force the Force that moved all of Creation into being Therefore all vibration is ultimately that One Force manifesting in the material world in a variety of ways Todeschi s latest title explores how everything from consciousness to the material is connected to vibration and how we continue to create and shape our world through the vibrations all around us Vibrations are essentially spirit in motion and our thoughts and actions affect our life and the way we are living **Cults and the Occult in the Age of Aquarius** Edmond C. Gruss,1974 *Your Life* Bruce McArthur,1993 Every aspect of life is governed by universal laws that were created out of love and promise the potential of a life of prosperity and joy Learn how to use these laws to connect with one s higher self improve finances attract loving relationships and create harmony **Books for Inner Development** Cris Popenoe,1976 *Edgar Cayce on Auras & Colors* Kevin J. a building From the dust bowl to today s drying of the west this farmer said we farm too much and honor nature too little This Dynamic World leads us to prophets from Moses to Edgar Cayce thinkers from Plato to Confucius scientists from Einstein to Hawking and also spiritual masters like Paramahansa Yogananda the first Hindu yogi in America and his disciple In this book we learn from saints like Paul and John on his isle of Patmos as well as from heavenly messengers called by some angels by others astral beings We find God With Us called by some Messiah by others avatar The book is a key to enlightenment on a spiritual level of existence in a planetary community for individual and worldwide salvation where we are all related and must relate to each other This is the concept of biorelativity This Dynamic World calls us on a Worldwide Crusade for Biorelativity This Dynamic World uses the fabric of time as a scientific basis for prophecy and the astral cycle of George King Jeanne Dixon and Ruth Montgomery We embrace good vibrations energy meditation and yoga but also the Word of God and the philosophies of men in a determination to take blessed action *New Realities* ,1987 *Edgar Cayce's ESP* Kevin J.
