

## Edgar Cayce: Man of Miracles

**JOSEPH MILLARD**

Edgar Cayce might well be called one of the world's greatest living prophets. In the line of the great seers of the past, he has foretold the future. Every day, every hour, every minute, he has been revealing the secrets of the future to the world. His predictions have been so accurate that they have been called the "Cayce Prophecies".

Edgar Cayce was born in 1875, in a small town in Virginia. He was a simple man, a man of few words, but a man of great power. He was a man who could see the future, and he was a man who could tell the future to the world. He was a man who could see the future, and he was a man who could tell the future to the world. He was a man who could see the future, and he was a man who could tell the future to the world.

Edgar Cayce was a man of great power. He was a man who could see the future, and he was a man who could tell the future to the world. He was a man who could see the future, and he was a man who could tell the future to the world. He was a man who could see the future, and he was a man who could tell the future to the world.

He has told us of the miracles of Jesus, and of the love of Jesus. He has told us of the life of Jesus, from his birth to his death. Edgar Cayce was a man of great power. He was a man who could see the future, and he was a man who could tell the future to the world.
