Rodriguez, Clayton Brace, 1967      Chicano Education in the Era of Segregation Gilbert G. Gonzalez, 2013 Originally published Philadelphia Balch Institute Press 1990      *The Mexican American, Quest for Equality* National Advisory Committee on Mexican American Education (U.S.), 1968      **The Magic Key** Ruth Enid Zambrana, Sylvia Hurtado, 2015-10-15

Mexican Americans comprise the largest subgroup of Latinas and their path to education can be a difficult one. Yet just as this group is often marginalized so are their stories and relatively few studies have chronicled the educational trajectory of Mexican American men and women. In this interdisciplinary collection editors Zambrana and Hurtado have brought together research studies that reveal new ways to understand how and why members of this subgroup have succeeded and how the facilitators of success in higher education have changed or remained the same. The Magic Key's four sections explain the context of Mexican American higher education issues, provide conceptual understandings, explore contemporary college experiences, and offer implications for educational policy and future practices. Using historical and contemporary data as well as new conceptual apparatuses, the authors in this collection create a comparative nuanced approach that brings Mexican Americans' lived experiences into the dominant discourse of social science and education. This diverse set of studies presents both quantitative and qualitative data by gender to examine trends of generations of Mexican American college students, provides information on perceptions of welcoming university climates, and proffers insights on emergent issues in the field of higher education for this population. Professors and students across disciplines will find this volume indispensable for its insights on the Mexican American educational experience both past and present.

**Mexican American Education Study Report** United States Commission on Civil Rights, 1971      The Unfinished Education United States Commission on Civil Rights, 1971      *Mexican-American Education* United States Office of Education, Division of Elementary and Secondary Education, 1968      Mexican-American Education, 1968      **Quality Education for Mexican Americans/minorities** Larry Nicholl, Miguel Gómez, 1980      Education and the Mexican American, 1974      **The Other Struggle for Equal Schools** Rubén Donato, 1997-10-02

Examining the Mexican American struggle for equal education during the 1960s and 1970s in the Southwest in general and in a California community in particular, Donato challenges conventional wisdom that Mexican Americans were passive victims accepting their educational fates. He looks at how Mexican American parents confronted the relative tranquility of school governance, how educators responded to increasing numbers of Mexican Americans in schools, how school officials viewed problems faced by Mexican American children, and why educators chose specific remedies. Finally, he examines how federal, state, and local educational policies corresponded with the desires of the Mexican American community.
