## **Fetish Carvers Of Zuni:**

*Zuni Fetish Carvers* Kent McManis, 2003-02 This catalogue features selections from the Wheelwright Museum's superb collection of Zuni fetishes amassed by Leonora Curtin mostly between 1925 and the late 1940s. The pieces were made by the first generation of Zuni carvers to create the fetishes for a demanding commercial tourism market. It includes carvings by Theodore Kucate Leekya Deyuse Teddy Weahkee Leo Poblano David Tsikewa and Morris Laahty. *The Fetish Carvers of Zuni* Marian E. Rodee, James Ostler, 1995 Zuni pueblo in western New Mexico is renowned for its small carved stone animal figurines or fetishes. A fetish is an object natural or manmade in which a spirit is thought to reside and which can be used to effect either good or evil. According to legend when a man finds a rock that resembles an animal he has in his possession one of the original animals turned to stone by the children of the Sun Father. Such a fetish has the soul or breath of the animal inside. In recent years the market demand for fetishes from Zuni has spurred an increase in the number of carvers. Published in 1995 and now available from UNM Press. *The Fetish Carvers of Zuni* studies both the history of fetishes and Zuni's major contemporary fetish carvers, their art, aesthetics and business. **Zuni Fetishes and Carvings** Kent McManis, 2010 The best general reference for collectors. **Zuni Fetish Carvers of the 1970s** Kent McManis, Laurie McManis, 2006 This sequel to *Zuni Fetish Carvers* focuses on the second generation of Zuni fetish artists who produced the widely popular objects during the 1970s. The author includes interviews of the featured artists as well as the traders and dealers who popularized the carvings. *A Guide to Zuni Fetishes and Carvings* Susan Lamb, 2002 This book explores the magic and mystery behind the animal figures or fetishes skillfully carved by Zuni artists. It also discusses the symbolic meanings associated with each one. *A Guide to Zuni Fetishes and Carvings: The animals and the carvers* Kent McManis, 1998 How Can Fetishes Help Us in our daily lives? What does the bear represent? The frog? The wolf? What powers do they contain? Noted Indian trader Kent McManis explains the different types of fetishes with special emphasis on the two major traditional types: the protective healing group and the hunting group. He also has included dozens of new carvings to update the latest generation of artists coming into the field. Also provided are family trees for the more prominent families along with more than two hundred fetishes in full color. *Zuñi Fetish Carvings* Harold Finkelstein, 1994 **Zuni Fetish Carvers** Kent McManis, Wheelwright Museum of the American Indian, 2003 *A Guide to Zuni Fetishes and Carvings: The materials and the carvers* Kent McManis, 1998 Describes the many materials used in carving and features several color examples of each. Adds many carvers and families creating fetishes and carvings yesterday and today. *Two Zuni Artists* Keith Cunningham, 1998 A revelation of how Zuni art past and present is an essential expression of Zuni life and heritage. This book places modern work within the context of Pueblo folk art from prehistoric times to the present. Vintage and contemporary photographs show Zuni art and life as it has developed in recent times. 90 photos, 20 in color. **Melvin Sandoval** Alan Livingstone-Smith, 2016-05-20 A serendipitous partnership between San Felipe Zuni fetish carver Melvin Sandoval and Alan Livingstone Smith, a retired

English teacher living in France is the source of this latest ground breaking addition to the literature on fetish carving Ground breaking because it is the first work devoted to the work of a single carver and it pays him the compliment of treating his fetishes as works of art The book has a much greater emphasis therefore on aesthetic aspects the effect of choice of materials shape style etc than any of its predecessors And the closeness of the relationship between the author and his extremely articulate subject has made possible a truly in depth study of Melvin s work processes and his feelings towards his work The text is lavishly illustrated with some 250 photos mainly of fetishes and almost 100 examples of the stones Melvin uses Although devoted to the work of a single and somewhat special carver this work should provide enriching and illuminating insights for fetish collectors in general

**Native American Fetish Carvings of the Southwest** Kay Whittle,1998 This book explores the magic and mystery behind the animal figures or fetishes skillfully carved by artists from the Southwestern Pueblos Pictures and text highlight the impressive variety of forms materials and traditional and contemporary styles available to collectors along with a price guide to current market values It also discusses the symbolic meanings associated with each one and explains how they are borrowed for use by members of non Native American cultures
