Sobczak,1996 These four volumes cover 791 books or series 238 of them published during the 1980s and 1990s the entries are 1 000 words long for single books and 1 500 for series with a one sentence summary beginning each entry followed by bibliographical information Volume 4 contains an extensive bibliography of critical works on science fiction and fantasy a list of major award winners a genre index Booklist      The Afterlives of Kathleen Collins L. H.

Stallings,2021-12-07 An absorbing portrait of a groundbreaking Black woman filmmaker Kathleen Collins 1942 88 was a visionary and influential Black filmmaker Beginning with her short film *The Cruz Brothers* and *Miss Malloy* and her feature film *Losing Ground* Collins explored new dimensions of what narrative film could and should do However her achievements in filmmaking were part of a greater life project In this critically imaginative study of Collins L H Stallings narrates how Collins as a Black woman writer and filmmaker sought to change the definition of life and living *The Afterlives of Kathleen Collins A Black Woman Filmmaker's Search for New Life* explores the global significance and futurist implications of filmmaker and writer Kathleen Collins In addition to her two films Stallings examines the broad and expansive and varying forms of writing produced by Collins during her short life time *The Afterlives of Kathleen Collins* showcases how Collins used filmmaking writing and teaching to assert herself as a poly creative dedicated to asking and answering difficult philosophical questions about human being and living Interrogating the ideological foundation of life writing and cinematic life writing as they intersect with race and gender Stallings intervenes on the delimited concepts of life and Black being that impeded wider access distribution and production of Collins's personal cinematic literary and theatrical works *The Afterlives of Kathleen Collins* definitively emphasizes the evolution of film and film studies that Collins makes possible for current and future generations of filmmakers      **Bulletin signalétique** Centre national de la recherche scientifique (France). Centre de documentation,1983      Bulletin signalétique ,1983      *Edward Said's Translocations* Tobias Döring,Mark Stein,2012 In this contribution to contemporary political philosophy Jensen aims to develop a model of civil society for deliberative democracy In the course of developing the model he also provides a thorough account of the meaning and use of civil society in contemporary scholarship as well as a critical review of rival models including those found in the work of scholars such as John Rawls Jurgen Habermas Michael Walzer Benjamin Barber and Nancy Rosenblum Jensen's own ideal treats civil society

as both the context in which citizens live out their comprehensive views of the good life as well as the context in which citizens learn to be good deliberative democrats According to his idealization groups of citizens in civil society are actively engaged in a grand conversation about the nature of the good life Their commitment to this conversation grounds dispositions of epistemic humility tolerance curiosity and moderation Moreover their regard for the grand conversation explains their interest in deliberative democracy and their regard for democratic virtues principles and practices Jensen is not a naive utopian however he argues that this ideal must be realized in stages that it faces a variety of barriers and that it cannot be realized without luck

**Strangers in the Land** Eric J Sundquist,2009-06-30 The importance of blacks for Jews and Jews for blacks in conceiving of themselves as Americans when both remained outsiders to the privileges of full citizenship is a matter of voluminous but perplexing record A monumental work of literary criticism and cultural history *Strangers in the Land* draws upon politics sociology law religion and popular culture to illuminate a vital highly conflicted interethnic partnership over the course of a century

**Just what War is** Michael W. Schaefer,1997 A stimulating study of two of the finest soldier authors in American literature *Just What War Is* explores the Civil War writings of John William De Forest and Ambrose Bierce Michael W Schaefer argues that among the many Civil War veterans who wrote memoirs novels and stories based on their own experiences in combat De Forest and Bierce stand alone in their efforts to create an unromanticized portrayal of war in literature While exploring issues of literary realism in general Schaefer examines the struggle of these two major writers to represent the moral and human dimensions of combat De Forest and Bierce who both served as Union officers wanted to correct mistaken ideas about war that they believed had been propagated by journalists fiction writers and historians Writing from the vantage point of soldiers directly involved in battle they developed a more accurately descriptive

and realistic form of combat discourse in their memoirs and fiction Drawing on numerous histories and psychological profiles of men in combat Schaefer's close readings of De Forest and Bierce confirm the validity of these writers' versions of literary realism Schaefer shows De Forest and Bierce moving beyond mere accuracy of detail to infuse their depictions of combat with their own visions of what it means to fight under fire Their differences Schaefer points out emerge largely in their attitudes toward using other writers' texts as guides both during battle and in later writing about it For his part De Forest believed that history properly used enabled the soldier writer to assimilate his experiences in a rational way Thus he often portrayed characters who survive the stresses of combat by conducting themselves in accordance with what history had taught them about correct battlefield behavior Bierce in contrast saw combat as an inherently irrational state and any attempt to rationalize it a lie Eschewing stylistic borrowings from other war writers Bierce favored protagonists whose destruction results from their efforts drawn from their concepts of history to impose a rational understanding on their experiences In its insightful discussion of how the Civil War changed the manner in which wars were described in literature *Just What War Is* will broaden critical appreciation of both the place of war literature and the figure of the soldier writer in American literary history *The Oxford Handbook of Charles Brockden Brown* Philip Barnard, Hilary Emmett, Stephen Shapiro, 2019 The Oxford Handbook of Charles Brockden Brown provides a state of the art survey of the life and writings of Charles Brockden Brown a key writer of the Atlantic revolutionary age and U S Early Republic The seven novels he published during his lifetime are now studied for their narrative complexity innovations in genre and social political commentaries on life in early America and the revolutionary Atlantic Through the late twentieth century Brown was best known as an author of political romances in the gothic mode that proved to be widely influential in romantic era and has generated large amounts of scholarship as a crucial figure in the history of the American novel *Current Index to Journals in Education*, 1995

**Subject Guide to Books in Print**, 1991 **St. James Guide to Fantasy Writers** David Pringle, 1996 Concise discussions of the lives and principal works of writers of various forms of fantasy including heroic fantasy sword and sorcery humorous fantasy adult fairy tales and fables and children's fantasies still popular with adults Written by subject experts
