The Literary Criticism of Frank Norris Donald Pizer, 2014-11-06 All of American author Frank Norris's significant critical writings have been compiled in this book including his articles for the San Francisco Wave during 1896 1897 and selections from his Weekly Letter column for the Chicago American in 1901 Essays from these two previously unexploited sources comprising almost half the book reveal certain areas of Norris's thought which heretofore had been overlooked by scholars This book was compiled in order to clarify Frank Norris's literary creed When Donald Pizer began to read Norris's uncollected critical articles he observed concepts which had been unnoted or misunderstood by his critics Crediting this to the inadequate representation of Norris's ideas in the posthumous *The Responsibilities of the Novelist* 1903 Pizer recognized the need for an interpretive and complete edition of Norris's critical writings This volume thus fills a noticeable gap in the field of American literary criticism By the time of his death in 1902 Norris had a closed system of critical ideas This core of ideas however is only peripherally related to the conventional concept of literary naturalism which perhaps explains why critics have gone astray trying to find Zolaesque ideas in Norris's criticism Norris's central idea around which he built an aesthetic of the novel was that the best novel combines an intensely primitivistic subject matter and theme with a highly sophisticated form His paradox of sophisticated primitivism clarifies the vital link between the fiction produced in the 1890s and that written by Hemingway Faulkner and Steinbeck Norris's essays deal with many of the literary themes which preoccupy modern critical theorists His

range of subjects includes the form and function of the novel definitions of naturalism realism and romanticism and the problem of what constitutes an American novel His interpretation of commonplace events his comments on prominent figures of his day and his parodies of writers such as Bret Harte Stephen Crane and Rudyard Kipling are characterized by ingenuity and perception Through these writings the personality of a man with well defined convictions and the ability to expound them provocatively comes into sharp focus In a general introduction Pizer summarizes Norris s critical position and surveys his career as literary critic This introduction and the interpretative introductions preceding each section constitute an illuminating essay on the literary temper of the period and provide a new insight into Norris craft and his literary philosophy

The World's Finest Mystery and Crime Stories: 3 Edward Gorman,Martin Harry Greenberg,2002 Gathers mystery suspense and crime stories from around the world Ethnic Identities in Bernard Malamud's Fiction Martín Urdiales Shaw,2000 The present study has been divided into five general chapters each of which is centred around a basic issue related to ethnic identities This central issue may be more or less specific largely depending on its nature and on the corpus it comprises for example chapter two which bears the general title the old country and the New World is naturally the most

extensive because of the great scope of this theme and the number of works it involves two novels and a considerable number of stories including the very long *Man in the Drawer* By contrast the last chapter entitled *Beyond Race into Myth Seeking the Liberation of the Self* is logically the shortest because its focus is restricted to a particular function of ethnic identities metaphorically speaking in Malamud's fantastic works the novel *God's Grace* and one short story Similar proportions between length complexity of theme and corpus treated are maintained in the three central chapters which focus on ethnic aspects which are neither as general as chapter two nor as specific as chapter six Chicorel Index to Short Stories in Anthologies and Collections Marietta Chicorel,1974 *Grey Parrot and Other Stories* W.W Jacobs,2019-03-07 W.W Jacobs delighted in finding unlikely humour in everyday situations and observations and these tales succeed in raising a laugh from the most mundane of scenarios In *The Grey Parrot* a sailor buys a parrot for his wife whom he suspects isn't faithful in his absence hoping that the bird will inadvertently repeat anything untoward it hears Unfortunately for him the parrot exceeds his expectations and it's not only his wife who is left blushing This volume contains a careful selection of the very best stories from Jacobs's 150 strong repertory and includes well known standalone pieces such as *The Monkey's Paw* as well as accounts of raucous dockside dalliances and tightly woven tales of poacher Bob Petty's crimes against the unlikely cast of an Essex village Showcasing a unique assortment of stories spanning his writing career this edition hopes to shine a light on a hugely talented writer who inspired many of the literary giants we now consider masters of the genre *British Literature of World War I, Volume 1* Andrew Maunder,Angela K Smith,Jane Potter,Trudi Tate,2017-09-29 Given the popular and scholarly interest in the First World War it is surprising how little contemporary literary work is available This five volume reset edition aims to redress this balance making available an extensive collection of newly edited short stories novels and plays from 1914-19 **The Athenaeum** ,1911 The Editor ,1907 **The Complete Stories of J. G. Ballard** J. G. Ballard,2025-04-25 Named a Best Book of the Year by the Washington Post the Boston Globe the Los Angeles Times and the San Francisco Chronicle A collection of 98 enthralling and pulse quickening stories spanning five decades venerates the remarkable imagination of J.G. Ballard With a body of work unparalleled in twentieth century literature J.G. Ballard is recognized as one of the greatest and most prophetic writers in the world With the much hailed release of *The Complete Stories of J.G. Ballard* readers now have a means to celebrate the unmatched range and mesmerizing cadences of a literary genius Whether writing about musical orchids human cannibalism or the secret history of World War III Ballard's *Complete Stories* evokes the hallucinations of Kafka and Borges in its ability to render modern paranoia and fantastical creations on the page Includes the story *The Garden of Time* the inspiration for the 2024 Met Gala Dress code
