## **Fiction Interviews With Northern California Novelists:**

**Fiction!** Dan Tooker, Roger Hofheins, 1976      **Fiction!** Dan Tooker, Roger Hofheins, 1976-01-01      *Authors on Writing* B. Tomlinson, 2005-03-01 Drawing on some 3 000 published interviews with contemporary authors *Authors on Writing* Metaphors and Intellectual Labor reveals new ways of conceiving of writing as intellectual labor Authors metaphorical stories about composing highlight not interior worlds but socially situated cultures of composing and apparatuses of authorship Through an original method of interpreting metaphorical stories Tomlinson argues that writing is both an individual activity and a collective practice a solitary activity that depends upon rich sustained and complex social networks institutions and beliefs This new book draws upon interviews with writers including Seamus Heaney Roald Dahl Samuel Beckett Bret Easton Ellis John Fowles Allen Ginsburg Alice Walker and Gore Vidal      **American Women Writers, 1900-1945** Laurie Champion, 2000-09-30 Women writers have been traditionally excluded from literary canons and not until recently have scholars begun to rediscover or discover for the first time neglected women writers and their works This reference includes alphabetically arranged entries on 58 American women authors who wrote between 1900 and 1945 Each entry is written by an expert contributor and discusses a particular author s biography her major works and themes and the critical response to her writings The entries close with extensive primary and secondary bibliographies and the volume concludes with a list of works for further reading The period surveyed by this reference is rich and diverse Modernism and the Harlem Renaissance two major artistic movements occurred between 1900 and 1945 and the entries included here demonstrate the significant contributions women made to these movements The volume as a whole strives to reflect the diversity of American culture and includes entries for African American Native American Mexican American and Chinese American women It includes well known writers such as Willa Cather and Eudora Welty along with more neglected ones such as Anita Scott Coleman and Sui Sin Far      *Encyclopedia of the American Novel* Abby H. P. Werlock, 2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this      *The Continuum Encyclopedia of American Literature* Steven R. Serafin, Alfred Bendixen, 2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70      **Richard Wright** Keneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908 1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son* By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris But his writings changed American culture forever and today they are mainstays of literature and composition classes He and his works are also the subjects of numerous critical essays and commentaries by

contemporary writers This volume presents a comprehensive annotated bibliography of those essays books and articles from 1983 through 2003 Arranged alphabetically by author within years are some 8 320 entries ranging from unpublished dissertations to book length studies of African American literature and literary criticism Also included as an appendix are addenda to the author s earlier bibliography covering the years from 1934 through 1982 This is the exhaustive reference for serious students of Richard Wright and his critics **Wallace Stegner and the American West** Philip L.

Fradkin,2008-02-12 Wallace Stegner was the premier chronicler of the twentieth century western American experience and his novels the Pulitzer Prize winning *Angle of Repose* and the National Book Award winning *The Spectator Bird* brought the life and landscapes of the West to national and international attention Now in this illuminating biography Philip L Fradkin goes beyond Stegner s iconic literary status to give us as well the influential teacher and visionary conservationist the man for whom the preservation and integrity of place was as important as his ability to render its qualities and character in his brilliantly crafted fiction and nonfiction From his birth in 1909 until his death in 1993 Stegner witnessed nearly a century of change in the land that he loved and fought so hard to preserve We learn of his hardscrabble youth on the Canadian frontier and in Utah and of his painful relationship with his father a bootlegger and gambler We follow his intellectual awakening as a young man and his years as a Depression era graduate student at the University of Iowa during its earliest days as a literary center We watch as he finds his home with his wife Mary in the foothills above Palo Alto which provided him with a long awaited sense of belonging and a refuge in which he would write his most treasured works And here are his years as the legendary founder of the Stanford Creative Writing Program where his students included Ken Kesey Edward Abbey Robert Stone and Wendell Berry But the changes wrought by developers and industrialists were too much for Stegner and he tirelessly fought the transformation of his Garden of Eden into Silicon Valley His writings on the importance of establishing national parks and wilderness areas not only for the preservation of untouched landscape but also for the enrichment of the human spirit played a key role in the passage of historic legislation and comprise some of the most beautiful words ever written about the natural world Here too is the story told in full for the first time of the accusations of plagiarism that followed the publication of *Angle of Repose* and of the shadow they have cast on his greatest work *Rich in personal and literary detail and in the sensual description of the country that shaped his work and his life this is the definitive account of one of the most acclaimed and admired writers teachers and conservationists of our time* **San Francisco Review of Books** ,1991 **San Francisco in Fiction** David M. Fine,Paul Skenazy,1995 In the beginning there was the bay the land the forty three hills the coastline down to Monterey the strip of mountains the quiet valley behind the vast ocean the hidden faults And with the landscape came the stories as Paul Skenazy and David Fine note in their introduction to this new anthology of essays San Francisco is as much a place in the mind as on the map if the terrain set the stage for the stories the stories have helped remake our perceptions of the space These twelve essays explore the relationship between place and

prose between San Francisco the city and San Francisco the territory of fiction From the Gold Rush times of Mark Twain and Bret Harte through the Prohibition Era of Dashiell Hammett to the Beat days of Jack Kerouac and the present works of writers like Maxine Hong Kingston Amy Tan and Arturo Islas San Francisco has been blessed with great writers who have given life to the land in their fiction These essays engage the history and geography ethnic gender and class conflicts and stylistic range of the fiction They demonstrate how authors as various as Jack London Gertrude Atherton Frank Norris William Saroyan James D Houston Joan Didion and Wallace Stegner have re created and revised our understanding of this region

**Wrestling Angels into Song** Herman Beavers,2015-08-05 Herman Beavers offers a richly nuanced study of Ernest J Gaines James Alan McPherson and Ralph Ellison as writers who have found ways to invest circumstances that might otherwise be seen as sites of squalor or despair with a sense of cultural vitality He examines the Ellisonian themes and motifs the two later writers take up in their fiction and looks at Ellison s influence on the strategies they enact to construct themselves as American writers For Beavers the fictions of Ellison Gaines and McPherson are peopled by characters who value acts of storytelling and whose stories frame a fuller more complex and more inclusive version of American identity than those the dominant white culture has allowed

**World Authors, 1970-1975** John Wakeman,1980 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author s principal works with date first published a list of major critical works and a portrait or photograph where available

*Peter S. Beagle's "The Last Unicorn"* Timothy S. Miller,2024-04-09 This book assesses the work of one of the foundational figures of American fantasy Peter S Beagle Through its focused analysis of *The Last Unicorn* this study contextualises Beagle s work in relation to the popularity of the fantasy genre following its growing success in the aftermath of Tolkien s *The Lord of the Rings* In addition through reference to the film adaptation of *The Last Unicorn* and also Beagle s other works this study highlights the author s longevity and the influence that his metafictional and comedic work has had on contemporary fantasy
