Fiction Of The Forties:

Fiction of the Forties Chester E. Eisinger, 1963 **STORY**, 1968 **Fiction of the Forties** Chester E. Eisinger, 1964
American Fiction of the Forties Vladimir C. Kosina, 1949 **Science Fiction of the Forties** Frederik Pohl, Martin Harry Greenberg, Joseph D. Olander, 1978-01-01 Each story preceded by 2-4 paragraphs of commentary **The 1940s: A Decade of Modern British Fiction** Philip Tew, Glyn White, 2022-02-24 How did social cultural and political events concerning Britain during the 1940s reshape modern British fiction During the Second World War and in its aftermath British literature experienced and recorded drastic and decisive changes to old certainties Moving from potential invasion and defeat to victory the creation of the welfare state and a new Cold war threat the pace of historical change seemed too rapid and monumental for writers to match Consequently the 1940s were often side lined in literary accounts as a dividing line between periods and styles Drawing on more recent scholarship and research this volume surveys and analyses this period's fascinating diversity from novels of the Blitz and the Navy to the rise of important new voices with its contributors exploring the work of influential women Commonwealth exiled genre avant garde and queer writers A major critical re evaluation of the intriguing decade this book offers substantial chapters on Elizabeth Bowen Graham Greene and George Orwell as well as covering such writers as Jocelyn Brooke Monica Dickens James Hadley Chase Patrick Hamilton Gerald Kersh Daphne Du Maurier Mary Renault Denton Welch and many others **Fiction of the Forties** Rama S. Mani, 2006 **Stories** Whit Burnett, Hallie Burnett, 1949 **Fiction of the Forties** Chester E. Eisinger Chester E. Eisinger, 1965 **American Culture in the 1940s** Jacqueline Foertsch, 2008-03-27 This book explores the major cultural forms of 1940s America fiction and non fiction music and radio film and theatre serious and popular visual arts and key texts trends and figures from Native Son to Citizen Kane from Hiroshima to HUAC and from Dr Seuss to Bob Hope After discussing the dominant ideas that inform the 1940s the book culminates with a chapter on the culture of war Rather than splitting the decade at 1945 Jacqueline Foertsch argues persuasively that the 1940s should be taken as a whole seeking out links between wartime and postwar American culture The Splendid Idle Forties (Esprios Classics) Gertrude Atherton, 2023-01-23 Gertrude Franklin Horn Atherton October 30 1857 June 14 1948 was an American author Many of her novels are set in her home state of California Her bestseller *Black Oxen* 1923 was made into a silent movie of the same name In addition to novels she wrote short stories essays and articles for magazines and newspapers on such issues as feminism politics and war Atherton's first publication was *The Randolphs of Redwood* A Romance serialized in *The Argonaut* in March 1882 under the pseudonym Asmodeus When she revealed to her family that she was the author it caused her to be ostracized In 1888 she left for New York leaving Muriel with her grandmother She traveled to London and eventually returned to California Atherton's first novel *What Dreams May Come* was published in 1888 under the pseudonym Frank Lin *The Splendid Idle Forties* Gertrude Atherton, 1968 *Romantic Postmodernism in American Fiction* Eberhard Alsen, 1996 Intended for teachers and students of

American Literature this book is the first comprehensive analysis of romantic tendencies in postmodernist American fiction The book challenges the opinion expressed in the Columbia History of the American Novel 1991 and propagated by many influential scholars that the mainstream of postmodernist fiction is represented by the disjunctive and nihilistic work of such writers as Kathy Acker Donald Barthelme and Robert Coover Professor Alsen disagrees He contends that this kind of fiction is not read and taught much outside an isolated but powerful circle in the academic community It is the two part thesis of Professor Alsen s book that the mainstream of postmodernist fiction consists of the widely read work of the Nobel Prize laureates Saul Bellow and Toni Morrison and other similar writers and that this mainstream fiction is essentially romantic To support his argument Professor Alsen analyzes representative novels by Saul Bellow J D Salinger Norman Mailer Flannery O Connor John Updike Kurt Vonnegut Philip Roth Thomas Pynchon Toni Morrison the later John Barth Alice Walker William Kennedy and Paul Auster Professor Alsen demonstrates that the traits which distinguish the fiction of the romantic postmodernists from the fiction of their disunctive and nihilist colleagues include a vision of life that is a form of philosophical idealism an organic view of art modes of storytelling that are reminiscent of the nineteenth century romance and such themes as the nature of sin or evil the negative effects of technology on the soul and the quest for transcendence

Australian Books and Authors in the American Marketplace 1840s-1940s David Carter, Roger Osborne, 2018-07-02 Australian Books and Authors in the American Marketplace 1840s 1940s explores how Australian writers and their works were present in the United States before the mid twentieth century to a much greater degree than previously acknowledged Drawing on fresh archival research and combining the approaches of literary criticism print culture studies and book history David Carter and Roger Osborne demonstrate that Australian writing was transnational long before the contemporary period In mapping Australian literature s connections to British and US markets their research challenges established understandings of national imperial and world literatures Carter and Osborne examine how Australian authors editors and publishers engaged productively with their American counterparts and how American readers and reviewers responded to Australian works They consider the role played by British publishers and agents in taking Australian writing to America and how the international circulation of new literary genres created new opportunities for novelists to move between markets Some of these writers such as Christina Stead and Patrick White remain household names others who once enjoyed international fame such as Dale Collins and Alice Grant Rosman have been largely forgotten The story of their books in America reveals how culture commerce and copyright law interacted to create both opportunities and obstacles for Australian writers

diverse and lively range of theoretical and historical readings These include discussions of Algren's place in Chicago's left wing literary tradition the aesthetic of American and European naturalism and his reaction to and reception in the Cold War milieu of the 1940s and 1950s Consideration is also given to the ways in which paperback cover designs shaped the reception of Algren's novels as pulp fiction Algren's works are further illuminated by the theories of Walter Benjamin and those associated with confinement autobiography post colonialism and the cultural politics of American carnival The volume is supplemented by a piece that traces the birth and growth of the Algren archive at Ohio State University Robert Ward lectures in American Literature at St Martin's College Lancaster

What America Read Gordon Hutner, 2009-11-05 Despite the vigorous study of modern American fiction today's readers are only familiar with a partial shelf of a vast library Gordon Hutner describes the distorted canonized history of the twentieth century American novel as a record of modern classics insufficiently appreciated in their day but recuperated by scholars in order to shape the grand tradition of Hemingway Fitzgerald and Faulkner In presenting literary history this way Hutner argues scholars have forgotten a rich treasury of realist novels that recount the story of the American middle class's confrontation with modernity Reading these novels now offers an extraordinary opportunity to witness debates about what kind of nation America would become and what place its newly dominant middle class would have and Hutner suggests should also lead us to wonder how our own contemporary novels will be remembered
