

MANY WORLDS

The background of the entire cover is a dynamic, painterly depiction of outer space. It features a central, bright yellow-green star or nebula core from which various patterns of green, teal, and white light and gas seem to erupt and swirl. The colors are rich and saturated, with a sense of movement and depth. Scattered throughout the dark void are numerous small, bright white stars and larger, glowing nebulae. The overall effect is one of a vast, energetic, and beautiful universe.
