Fidel Castros Political And Social Thought:

Fidel! Sheldon B. Liss, 2019-04-08 The author of this book takes a highly original approach to understanding the past three decades of Cuban history he offers an analysis and interpretation of the prolific writings and speeches of Fidel Castro and of numerous interviews with him Through Castro s own words Sheldon Liss examines the evolution of the Cuban leader s political and social **Political, Economic and Social Thought of Fidel Castro** Fidel Castro, 1959 **Fidel Castro** Volker Skierka, 2014-09-04 Fidel Castro is one of the most interesting and controversial personalities of our time he has become a myth and an icon He was the first Cuban Caudillo the man who freed his country from dependence on the USA and who lead his people to rediscover their national identity and pride Castro has outlived generations of American presidents and Soviet leaders He has survived countless assassination attempts by the CIA the Mafia and Cubans living in exile He has become one of the greatest politicians of the 20th Century His biography and the history of his country exemplify the tensions between East and West North and South rich and poor As Castro s life draws to a close the question as to what will become of Cuba is more important than ever Will Castro open Cuba to economic reform and democratization or stick to his old slogan socialism or death In this remarkable up to date reconstruction of Castro s life Volker Skierka addresses these questions and provides an account of the economic social and political history of Cuba since Castro s childhood He draws on a number of little known sources including material from the East German communist archives on Cuba which were until recently inaccessible This is an exciting painstakingly researched and authoritative account of the life of one of the most extraordinary political figures of our time **Populisten, Revolutionäre, Staatsmänner** Nikolaus Werz, 2022-10-10 Das Buch vermittelt einen Überblick über Leben und Wirken wichtiger Akteure und verweist auf ihren Platz in der nationalen und kontinentalen Geschichte *Political Economic and Social Thought of Fidel Castro* Fidel Castro Ruz, 1959 [Fidel Castro und die Anfänge der kubanischen Revolution: Pressekommentare aus der Bundesrepublik und der DDR](#) Dennis Schmidt, 2013-03 Dieser Mann ist ein Mythos Im Gesicht einen langen Rauschebart eine Zigarre im Mundwinkel die unverwechselbare grüne Uniform Jesuitischer Sohn aus gehobenem Hause Jurist war er ebenso wie politischer Denker Später dann Kämpfer in den Bergen Anführer einer Guerillatruppe und Bezwingen eines Diktators Kurz Revolutionäre Mythen und Legenden ranken sich um diesen Mann In der Bucht von Havanna soll er schwer verletzt durch haiverseuchtes Gewässer geschwommen sein an anderer Stelle wird ihm nachgesagt er brauche nie zu schlafen Für die einen ist er Symbolfigur für die Befreiung der armen Länder von der Unterdrückung für die anderen ein ungeheuerlicher Diktator Und was ist Fidel Alejandro Castro Ruz für Deutschland Noch interessanter was war er für die Bundesrepublik und DDR die aufgrund ihrer Zugehörigkeit zu den beiden Blocks im Kalten Krieg eine unterschiedliche Interpretation zu Castro einnahmen ja einnehmen mussten Dennis Schmidt untersucht wie gegenseitlich aber auch uniformiert deutsche Zeitungen in den 1960er Jahren über Kubas Castro berichteten Er analysiert hierfür das Beispiel zweier Gegenseite Frankfurter Allgemeine Zeitung auf der einen Seite Neues Deutschland auf der

constitutions amending current ones introducing more rights allowing citizens to engage in changes enacting legislation and defining the constitutional authority of the three state branches and their relationship with the Communist Party While all five countries have adapted their constitutional systems the degree mechanisms and influential factors are not identical and present considerable variations This book examines and explores these differences and how they developed Constitutional Change in the Contemporary Socialist World offers a comprehensive and holistic view of an understudied and overlooked area of constitutional law essential for anyone studying or working in law politics or policy

Political Ideologies Leon P. Baradat, John A. Phillips, 2016-09-14 Comprehensive and accessible Political Ideologies follows the evolution of political thought over 300 years Organized chronologically this text examines each major ideology within a political historical economic and social context Leon Baradat's skillful prose is joined by John Phillips skillful updating to ensure that students obtain a clear understanding of how ideas influence the political realities of our time The twelfth edition of this beloved text emphasizes new developments in ideologically charged arenas including the Middle East and Islam gay marriage feminism climate change and more New to the 12th edition In addition to a thorough updating of examples detail and data the following items are either wholly new or considerably expanded in this edition The mixed legacy of the Obama administration on civil liberties foreign policy health care immigration and especially the environment and the mounting jeopardy to the global environment posed by record breaking global warming and pollution The recently developed variegations in conservatism The Tea Party movement the expanding political importance of religious extremists and the growing incivility of its extremists The Great Recession its causes and its political fallout The US tax system's mal distribution of wealth and its implications for the middle class and American democracy The reemergence of authoritarianism in the Developing World and Russia China's continuing economic miracle while maintaining a firm grip on the political system if through official corruption but also suffering serious social environmental and health problems The transfer of power from Fidel to Raoul Castro and the rapprochement of the US and Cuba Right wing extremism mounting in Europe Asia and the United States The growing salience of Islamism the Iran nuclear deal and the transformation of the Arab Spring to the Islamist Winter Terrorism's increasing acceptance in certain quarters especially the spread of ISIS in the Middle East and its mounting threat to the globe via sleeper cells and lone wolf attacks The spreading strength of feminism in the Developing World and a renewed focus on the gender wage gap and same sex marriage in the West

Inequality: Economic and Social Issues Mats Lundahl, Daniel Rauhut, Neelambar Hatti, 2024-07-18 Inequalities of opportunity affect a person's life expectancy and access to basic services and human rights through discrimination abuse and lack of access to justice High levels of inequality of opportunity discourage skill accumulation choke economic and social mobility and consequently depress economic growth Inequality also entrenches uncertainty vulnerability and insecurity undermines trust in institutions and government increases social discord and tensions and triggers violence and conflicts This book presents wide ranging perspectives on economic

inequality as measured by differences in incomes and wealth The contributors to the book explore how the economy is shaped in such a way as to generate differences in economic and social welfare between individuals regions and nations But the book is not limited to economic perspectives inequality is a many faceted phenomenon that manifests itself in a number of ways Thus the book begins with a section which highlights some of the standard features of inequality class gender and age The second section explores the manifestation of inequality in terms of differences in income and wealth The third section looks at some of the causes of inequality exploring the effects of discrimination and plunder by those in power The final section serves to drive home the point that geographic and institutional factors have an important place as well when it comes to shedding light on what equality is how it manifests itself and what its consequences are This book will be essential reading for anyone interested in the causes and consequences of economic inequality including those in economics sociology politics and geography *University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects* University of California (System).
