

Fidel Castro On Chile

**Ariel Dorfman, Salvador Allende, Fidel
Castro**

Fidel Castro On Chile:

Fidel Castro on Chile Fidel Castro, 1982 Speeches and interviews from Fidel Castro's 25 day visit to Chile in 1971
Castro warns of impending counter revolution and stresses the example of Cuba where workers and farmers mobilized to defeat imperialist intervention Fidel in Chile Fidel Castro, 1972 **The Speeches of Fidel in Chile** Fidel Castro, 1972

Fidel Castro on Chile, 1982 **Castro's Intervention in Chile** Manuel Trucco, Chile. Embajada (U.S.), 1974
Castro's Intervention in Chile Manuel Trucco, Chile. Embajada (U.S.), 1974 **Allende's Chile and the Inter-American Cold War** Tanya Harmer, 2011-10-10 Fidel Castro described Salvador Allende's democratic election as president of Chile in 1970 as the most important revolutionary triumph in Latin America after the Cuban revolution Yet celebrations were short lived In Washington the Nixon administration vowed to destroy Allende's left wing government while Chilean opposition forces mobilized against him The result was a battle for Chile that ended in 1973 with a right wing military coup and a brutal dictatorship lasting nearly twenty years Tanya Harmer argues that this battle was part of a dynamic inter American Cold War struggle to determine Latin America's future shaped more by the contest between Cuba Chile the United States and Brazil than by a conflict between Moscow and Washington Drawing on firsthand interviews and recently declassified documents from archives in North America Europe and South America including Chile's Foreign Ministry Archive Harmer provides the most comprehensive account to date of Cuban involvement in Latin America in the early 1970s Chilean foreign relations during Allende's presidency Brazil's support for counterrevolution in the Southern Cone and the Nixon administration's Latin American policies The Cold War in the Americas Harmer reveals is best understood as a multidimensional struggle involving peoples and ideas from across the hemisphere **Chile: The Other September 11** Ariel Dorfman, Salvador Allende, Fidel Castro, 2016-08-15 This anthology reclaims the tragic date of September 11 as the anniversary of the US backed coup in Chile in 1973 by General Augusto Pinochet against the popularly elected Allende government The selection combines moving personal accounts with a political historical overview of the coup's significance featuring Ariel Dorfman's poignant essay The last September 11 and President Allende's last radio broadcast Right-Wing Women in Chile Margaret Power, 2010-11-01

What Happened in Chile Beatriz Allende, Fidel Castro, 1973 *The Cuban Missile Crisis, 1962*, 1990 **Allende and Popular Unity** Paula Vidal Molina, Ximena U. Odekerken, 2024-06-14 This book is a fascinating collection of carefully handpicked key texts and speeches from Chile's 1 000 Days of Revolution previously unpublished in English Twenty three texts embodying the activity of Unidad Popular and Salvador Allende's government in the early 1970s are structured around five thematic sections which tell the story of the common challenges for progressive political organizations and social movements today The themes of participatory democracy and sovereignty economy and social rights women and gender equality indigenous people and worker class syndicalism and political organization guide the reader through the multidimensional and global vision of Popular Unity's socialist project Ideal for students scholars and general readers this

book introduces an extraordinary period in Chile's history to a new generation of readers interested in the resurgence of democratic socialism around the world **Salvador Allende Reader** Salvador Allende Gossens, Jane Carolina Canning, 2000 On September 11 1973 General Augusto Pinochet led a bloody coup against President Salvador Allende in Chile Allende died in the Presidential Palace as it was attacked by Pinochet's army Controversy still surrounds the role of Washington and the CIA in the overthrow of the popularly elected government of Allende a self-proclaimed Marxist For decades Allende's name and the experience of the Popular Unity government was all but erased from history not only in Chile but internationally This first ever anthology presents Allende's voice and his vision of a more democratic peaceful and just world to a new generation I don't see why we need to stand by and watch a country go communist because of the irresponsibility of its own people Henry Kissinger on the prospect of Allende's electoral victory in 1970 This anthology is the first collection in English of Allende's speeches and interviews and will be of value for academic collections on Latin America Library Journal Features a substantial biographical introduction on Allende and an extensive chronology and bibliography **Utopia Unarmed** Jorge G. Castañeda, 2012-06-27 Castro's Cuba is isolated the guerrillas who once spread havoc through Uruguay and Argentina are dead dispersed or running for office as moderates And in 1990 Nicaragua's Sandinistas were rejected at the polls by their own constituents Are these symptoms of the fall of the Latin American left Or are they merely temporary lulls in an ongoing revolution that may yet transform our hemisphere This perceptive and richly eventful study by one of Mexico's most distinguished political scientists tells the story behind the failed movements of the past thirty years while suggesting that the left has a continuing relevance in a continent that suffers from destitution and social inequality Combining insider's accounts of intrigue and armed struggle with a clear-sighted analysis of the mechanisms of day to day power Utopia Unarmed is an indispensable work of scholarship reportage and political prognosis **Guerrilla Prince: The Untold Story Of Fidel** Georgie Geyer, 2011-02-01 Based on hundreds of interviews conducted over many years in 28 countries including extensive personal interviews with Castro himself Georgie Anne Geyer reveals the untold story of Fidel Castro in this definitive biography

The Nixon Administration and Cuba Håkan Karlsson, Tomás Diez Acosta, 2021-05-07 This book presents a detailed analysis of the U.S. policy that was adopted toward Cuba by the Richard M. Nixon administration between January 20 1969 and August 8 1974 Based on governmental as well as other sources from both the U.S. and Cuba this book examines the rupture where the policy of passive containment was complemented with a policy of dirty war President Nixon attempted to reestablish a confrontational and violent path of action and once again Cuba was exposed to a dirty war consisting of different forms of aggressive terrorist activities Since the conditions for this violent route had changed dramatically both in the U.S. and in Cuba a policy characterized by a continuity of the economic and psychological warfare came to be the central one for the Nixon administration This book is unique since it is written from a Cuban perspective and it therefore complements and enriches the knowledge of the U.S.-Cuban relationship during the end of the 1960s and the beginning of the

1970s and the policy adopted by the Nixon administration It is of relevance to everyone interested in the issue and especially for students and researchers within the disciplines of history and political science Daily Report, Foreign Radio Broadcasts United States. Central Intelligence Agency,1964 **The Church and Politics in Chile** Brian H. Smith,2014-07-14 Clarifying the growing role of the Latin American Catholic Church as an agent of social change Brian H Smith discusses the prophetic function of the Chilean Church during the country s metamorphosis from Conservative to Christian Democratic to Marxist to repressive military regime Originally published in 1982 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 Operation Pedro Pan and the Exodus of Cuba's Children Deborah Shnookal,2022-06-28 This in depth examination of one of the most controversial episodes in U S Cuba relations sheds new light on the program that airlifted 14 000 unaccompanied children to the United States in the wake of the Cuban Revolution Operation Pedro Pan is often remembered within the U S as an urgent rescue mission but Deborah Shnookal points out that a multitude of complex factors drove the exodus including Cold War propaganda and the Catholic Church s opposition to the island s new government Shnookal illustrates how and why Cold War scare tactics were so effective in setting the airlift in motion focusing on their context the rapid and profound social changes unleashed by the 1959 Revolution including the mobilization of 100 000 Cuban teenagers in the 1961 national literacy campaign Other reforms made by the revolutionary government affected women education religious schools and relations within the family and between the races Shnookal exposes how in its effort to undermine support for the revolution the U S government manipulated the aspirations and insecurities of more affluent Cubans She traces the parallel stories of the young Pedro Pans separated from their families in some cases indefinitely in what is often regarded in Cuba as a mass kidnapping and the children who stayed and joined the literacy brigades These divergent journeys reveal many underlying issues in the historically fraught relationship between the U S and Cuba and much about the profound social revolution that took place on the island after 1959 Publication of the paperback edition made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities **Castro's Cuba in the 1970s** Lester A. Sobel,1978

This Engaging World of Kindle Books: A Thorough Guide Revealing the Benefits of E-book Books: A World of Ease and Flexibility E-book books, with their inherent mobility and simplicity of access, have freed readers from the constraints of physical books.
