Cretzmeyer,1969      The 1920 Olympic Games Bill Mallon,Anthony Th. Bijkerk,2015-07-11 Until this volume was compiled the results of the 1920 Olympics held in Antwerp Belgium have been far from complete The Antwerp organizing committee typed up a report of the results almost as an afterthought because it was so financially strapped after the games For some events only the medalists are listed with little if any additional information Very few copies were ever produced and those few copies were in French The seventh in a series on the early Olympics this work fills a gap in the recording of early Olympics history by providing complete results for all competitors and all events except for shooting which has only partial information available In virtually all cases a 1920 source has been used in preference to a more modern source of information and all details have been fully researched in contemporary newspapers journals and magazines and checked for accuracy by experts on various sports from all over the world      **Library of Congress Subject Headings** Library of Congress,2013      The 1906 Olympic Games Bill Mallon,2015-07-11 One of the early concepts of the Olympic Games was to include intercalated Games every four years between the normal cycle and to hold these Games in Athens the ancestral home of the Olympics In 1906 the first and only one of these games was held Occurring only two years after the St Louis Games of 1904 and two years before the London Games of 1908 the Athens Games were considered by many not to be official social and political forces prevented continuation of the intercalation cycle in 1910 and later Yet these Games were surprisingly successful and helped guarantee the survival of the modern Olympics This book fourth in the series on the early Olympics presents all the data on 29 nation and city state participants in more than a dozen events in the Athens Games Scores and descriptions are provided and many historical errors and omissions in other sources are corrected Appendices include the published program for the Games the actual schedule followed during the Games and country by
