## **Fields Of Fire:**

**Fields of Fire** James Webb, 2008-11-19 Few writers since Stephen Crane have portrayed men at war with such a ring of steely truth The Houston Post With a new introduction by the author for the book's 40th anniversary They each had their reasons for joining the Marines They each had their illusions Goodrich came from Harvard Snake got the tattoo Death Before Dishonor before he got the uniform And Hodges was haunted by the ghosts of family heroes They were three young men from different worlds plunged into a white hot murderous realm of jungle warfare as it was fought by one Marine platoon in the An Hoa Basin 1969 They had no way of knowing what awaited them Nothing could have prepared them for the madness to come And in the heat and horror of battle they took on new identities took on each other and were each reborn in fields of fire Fields of Fire is James Webb's classic novel of the Vietnam War a novel of poetic power razor sharp observation and agonizing human truths seen through the prism of nonstop combat Weaving together a cast of vivid characters Fields of Fire captures the journey of unformed men through a man made hell until each man finds his fate Praise for Fields of Fire A stunner Webb gives us an extraordinary range of acutely observed people not one a stereotype and as many different ways of looking at that miserable war Newsweek A novel of such fullness and impact one is tempted to compare it to Norman Mailer's The Naked and the Dead The Oregonian Webb's book has the unmistakable sound of truth acquired the hard way His men hate the war it is a lethal fact cut adrift from personal sense Yet they understand that its profound insanity its blood and oblivion have in some way made them fall in love with battle and with each other Time

**Fields of Fire** Ryan Steck, 2022-09-06 You know Ryan Steck as the Real Book Spy Now get to know him as the author of Fields of Fire his debut thriller featuring Marine Raider Matthew Redd in a battle that will leave you speechless and begging for more Lock and load Jack Carr Navy SEAL Sniper and 1 New York Times bestselling author of The Terminal List and The Devil's Hand Waiting to be deployed on a critical mission elite Marine Raider Matthew Redd stops to help a stranger and wakes up hours later to learn his team was wiped out in an ambush Unable to remember anything Redd can't deny the possibility that he's somehow responsible for the information leak that led to the massacre He's given a deal to avoid a charge of treason but it means walking away from the Corps and the life he loved As he faces his loss Matty gets a cryptic message from his adoptive father J B Trouble's come knocking Might need your help He points his truck home to rural Montana only to discover that J B is dead and the explanation for his death is far from satisfying Determined to dig up the truth Redd uncovers a dark global conspiracy with his hometown at the center and no team at his back except one he might find among past friends old enemies and new allies if he can figure out who to trust A military fiction novel packed with action suspense and mystery Perfect for fans of Brad Thor Vince Flynn and C J Box Electrifying plot twists

**Fields of Fire** Louis Edgar Esparza, 2023-10-10 Fields of Fire Emancipation and Resistance in Colombia identifies the concept of the emancipatory network as a coordination of loose discrete and differentiated actors to explain how activists successfully practice high risk activism Illustrating that

previous studies on high risk activism come to contradictory conclusions Fields of Fire argues that networks rather than individual characteristics are associated with mobilization This book features unique ethnographic material of a Colombian sugarcane worker strike interviews with workers and human rights activists in Valle del Cauca and Bogot reveal different forms of knowledge that activists bring to a social movement Esparza argues that the combination of these different forms of knowledge bolsters the movement s resiliency in the face of repression **Fields of Fire** ,2009 Fields of fire an atlas of ethnic conflict provides a concise authoritative commentary on each of the nearly one hundred ethnic conflicts around the world with a summary of key dates events and demographic data together with specially drawn maps providing a geographical context Amamzon co uk Fields of Fire Terry Copp,2014-01-01 With Fields of Fire Terry Copp challenges the conventional view that the Canadian contribution to the Battle of Normandy was a failure that the allies won only through the use of brute force and that the Canadian soldiers and commanding officers were essentially incompetent His detailed and impeccably researched analysis of what actually happened on the battlefield portrays a flexible innovative army that made a major and successful contribution to the defeat of the German forces in just seventy six days Challenging both existing interpretations of the campaign and current approaches to military history Copp examines the Battle of Normandy tracking the soldiers over the battlefield terrain and providing an account of each operation carried out by the Canadian army In so doing he illustrates the valour skill and commitment of the Allied citizen soldier in the face of a well entrenched and well equipped enemy army This new edition of Copp s best selling award winning history includes a new introduction that examines the strategic background of the Battle of Normandy **Fields of Fire** Carol Ogg,2007-06-13 To read this book is to flip through scenes that rivet us with the intimate intensity of snapshots both comic and tragic From the hills of Wyoming to the back streets of Saigon we see the narrator encounter experiences that test her mettle Enlisting in the Army early she learns codes of loyalty secrecy and courage We see her confront suffering and warfare in Vietnam even as she discovers her feelings for another woman soldier Carol Ogg has written a story too seldom known what it is to be a woman in war a fellow soldier tough tender and loving She tells this story with the grace and humor of a western girl who gives no quarter in the service of her country Into Fields of Fire Austin J. Buchanan,W. L. George Collins,2004-11-29 This story is taken from notes Austin Buck Buchanan wrote in notebooks he carried in his pocket all during World War II Buck is no longer with us W L George Collins edited and compiled Bucks notes into a manuscript that became this book Here you will ride with Buck as he flies his plane through a field of fire so intense that one shell blows a hole in the plane big enough for a man to go through and uncountable bullet holes perforated the plane All aircraft controls are shot out except elevator and ailerons You will ride with him as he manages to complete his mission and bring his barely flying plane back to England And you will ride with him through hundreds more such harrowing trips in his C 47 with no armor plate and no guns into other fields of fire and often impossible weather W L George Collins was a pilot in the same Troop Carrier Group as Buck His writings have been

published in the United States Europe and the Middle East He was awarded the George Washington Honor Medal by Freedoms Foundation at Valley Forge among other writing awards

**Fields of Fire: The Struggle, Sacrifice, and Survival in Vietnam** Eula Larson, Opening Sentence Witness the untold stories of bravery resilience and sacrifice in the scorching battlefields of Vietnam Main Content Overview This meticulously researched work unveils the true essence of the Vietnam War through the firsthand accounts of those who lived it From the horrors of combat to the indomitable spirit of soldiers Fields of Fire immerses readers in the depths of one of history s most pivotal conflicts Problem and Solution Amidst the chaos and devastation soldiers from all walks of life faced unimaginable challenges Fields of Fire explores the harrowing experiences they endured the bonds they forged and the profound impact these experiences had on their lives By unraveling the intricate tapestry of their struggles it provides a poignant solution to the question of how individuals can triumph over adversity and find meaning in even the most challenging circumstances Target Audience History enthusiasts Vietnam War veterans military personnel and anyone seeking a deeper understanding of human resilience will find invaluable insights within these pages

*Fields of Fire* David Constantine,2002 The life of Sir William Hamilton is rich in contradictions hedonist scholar and an aesthete with a Rabelaisian streak he represented the epitome of honourable public service until as the eighteenth century drew to its climax his personal life and career were flung into freefall when he became involved in the most scandalous menage a trois of the century After several years as a soldier courtier and MP he turned to the diplomatic world and in 1764 was sent to Naples as Envoy Extraordinary to the Kingdom of the Two Sicilies There Hamilton could indulge the two passions volcanoes and vases His observations of Vesuvius earned him a Fellowship of the Royal Society His collection of vases was eventually acquired by the British Museum Yet for most people William Hamilton is not remembered as a diplomat art collector and scholar but as the cuckolded husband of Emma Hamilton mistress of the heroic Lord Nelson Using the substantial correspondence between them and for the first time Hamilton s unpublished notebooks David Constantine throws new light on the relationship between Sir William and the relentlessly self improving Emma
