Fifteen Thousand Miles by Stage. A Woman's Unique Experience During Thirty Years of Path Finding and Pioneering from the Missouri to the Pacific and from Alaska to Mexico Carrie Adell Strahorn,1911 *Fifteen Thousand Miles by Stage, a Woman's Unique Experience During Thirty Years of Path Finding and Pioneering from Missouri to the Pacific and From* Strahorn Carrie Adell,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

**Stagecoach Women** Cheryl Mullenbach,2020-02-24 The Surprising Story of the Plucky Drivers Shrewd Owners and Ruthless Robbers Who Snubbed the Rules As pervasive as stagecoaches popularly known as shake guts were in the early years of America it shouldn't be surprising that women who possessed a significant dose of grit and an ounce of entrepreneurial spirit engaged in one way or another in stagecoach enterprises Though their contributions to stagecoach history were often overlooked women drove stagecoaches groomed and shod the stage horses hoisted mailbags and boxes of gold bullion negotiated contracts bought and managed stage lines defended with their six shooters their cargo from bandits and robbed stages in addition to fulfilling their traditional roles as housekeepers cooks and laundresses and oh yes mothers to multiple children Stagecoach Women offers an expansive overview of stagecoach history in the United States enriched by the personal stories of women who contributed to the evolution and success of a captivating facet of American history Prepare for a teeth rattling romance shattering journey that jolts away preconceived notions about women and stagecoaches and surprises with its twists and turns

**Fifteen Thousand Miles by Stage** Carrie Adell Strahorn,2015-07-13 Excerpt from Fifteen Thousand Miles by Stage A Woman's Unique Experience During Thirty Years of Path Finding and Pioneering From the Missouri to the Pacific and From Alaska to Mexico The West of thirty four years ago is now only a tradition The picturesque wilderness with its marauding bands of Indians with its lawless white men with its quaint stage coaches and with its vast tenantless reaches of mountains and plains was a reality with all the vast resources of the great domain yet to be developed The bird's eye view of to day looks down upon thousands of miles of railways nourishing towns substantial cities and millions of acres of land green with cultivation where only yesterday were the dreary solitudes of sandy waste In the pages of this volume I have endeavored to give a picture of the Old West to tell of the efforts which a Westward marching population made to establish homes on the border line of civilization and beyond enduring

hardships and privations with the courage of heroes I have tried to restore the picturesque condition of what was the great homeless frontier of our Western country and to trace its development The narrative covers nearly every highway of the country between the Missouri River and the Pacific Ocean and from the British lands to Mexico The old Concord stage coach with its swinging thoroughbrace and the covered dead X wagon were the Pullman cars for the overland traveller and highway meals were served from the wagon box or at a wayside cabin that was frequently more than half a stable About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Fifteen Thousand Miles by Stage - Scholar's Choice Edition** Carrie Adell Strahorn, 2015-02-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Vanguards of the Frontier** Everett Newfon Dick, 1941-01-01 Faith is neither static nor instantaneous It is not something we stumble upon and instantly understand Neither is it a monolithic one dimensional singular entity that has but one face one color one fragrance It is many faceted multi dimensional and appears differently depending on one's angle to the Son In Finding Faith in Slow Motion Damon Gray examines faith from myriad angles and through gut wrenching life experiences as he asks regarding faith What is that stuff Spanning the emotional gamut from laughter to tears Gray challenges us to define our faith and redefine it to look at it from a multitude of perspectives and define it again The writing is intentionally evocative and playful offering the reader the ability to identify with Gray as he wrestles with the weighty subject matter of finding faith

**Good Medicine For the Bow** Marvin Cronberg, 2015-03-16 It was not easy to establish and maintain a frontier community Aside from the harassment from the native Americans there were the usual petty jealousies and worse a total lack of law enforcement Fortunately there were individuals whose leadership would overcome the desire for personal gain and supplant the community effort These were

people who wanted something more and sacrificed to make it happen But this book is not about people it is about dedication It is about a process that includes men and women who want to be a part of something greater than themselves This is a process that is uncommon today but was common in frontier Wyoming **A Bath House and Plenty of Fresh Air** William J. Hunt, Jr., M. J. Harris, Christopher F. Valvano, 2008-01-01 Everything She Didn't Say Jane Kirkpatrick, 2018-09-04 In 1911 Carrie Strahorn wrote a memoir entitled Fifteen Thousand Miles by Stage which shared some of the most exciting events of 25 years of traveling and shaping the American West with her husband Robert Strahorn a railroad promoter investor and writer That is all fact Everything She Didn't Say imagines Carrie nearly ten years later as she decides to write down what was really on her mind during those adventurous nomadic years Certain that her husband will not read it and in fact that it will only be found after her death Carrie is finally willing to explore the lessons she learned along the way including the danger a woman faces of losing herself within a relationship with a strong willed man and the courage it takes to accept her own God given worth apart from him Carrie discovers that wealth doesn't insulate a soul from pain and disappointment family is essential pioneering is a challenge and western landscapes are both demanding and nourishing Most of all she discovers that home can be found even in a rootless life With a deft hand New York Times bestselling author Jane Kirkpatrick draws out the emotions of living the laughter and pain the love and loss to give readers a window not only into the past but into their own conflicted hearts Based on a true story **The Publishers Weekly**, 1911
