**The Fifth Hostage** Terence Strong, 2014-02-14 He is a journalist who knows too much She is his lover a Norwegian press photographer who shares his deadly secret They are held in revolution torn Iran and President Khomeini wants them to talk Britain is determined they should not Their fate lies in the hands of an SAS team that must disappear into the hostile turmoil of Iran in a desperate rescue bid against the clock A gruelling ordeal that calls for ingenuity sacrifice and courage in a dangerous and desolate terrain cut off from the outside world This is a story of passions and loyalties tested to destruction as the sweeping shadow of fanaticism and terror darkens the land A nail biter climax NEWCASTLE JOURNAL No one can cram in the action like Strong GLASGOW EVENING NEWS

*Loving to Survive* Dee L.R. Graham, 1995-07-01 A selection of insights into the relationship between men and women Have you wondered Why women are more sympathetic than men toward O J Simpson Why women were no more supportive of the Equal Rights Amendment than men Why women are no more likely than men to support a female political candidate Why women are no more likely than men to embrace feminism a movement by about and for women Why some women stay with men who abuse them *Loving to Survive* addresses just these issues and poses a surprising answer Likening women's situation to that of hostages Dee L R Graham and her co authors argue that women bond with men and adopt men's perspective in an effort to escape the threat of men's violence against them Dee Graham's announcement in 1991 of her research on male female bonding was immediately followed by a national firestorm of media interest Her startling and provocative conclusion was covered in dozens of national newspapers and heatedly debated In *Loving to Survive* Graham provides us with a complete account of her remarkable insights into relationships between men and women In 1973 three women and one man were held hostage in one of the largest banks in Stockholm by two ex convicts These two men threatened their lives but also showed them kindness Over the course of the long ordeal the hostages came to identify with their captors developing an emotional bond with them They began to perceive the police their prospective liberators as their enemies and their captors as their friends as a source of security This seemingly bizarre reaction to captivity in which the hostages and captors mutually bond to one another has been documented in other cases as well and has become widely known as Stockholm Syndrome The authors of this book take this syndrome as their starting point to develop a new way of looking at male female relationships *Loving to Survive* considers men's violence against women as crucial to understanding women's current psychology Men's violence creates ever present and therefore often unrecognized terror in women This terror is often experienced as a fear for any woman of rape by any man or as a fear of making any man angry They propose that women's current psychology is actually a psychology of women under conditions of captivity that is under conditions of terror caused by male violence against women Therefore women's responses to men and to male violence resemble hostages responses to captors *Loving to Survive* explores women's bonding to men as it relates to men's violence against women It proposes that like hostages who work to placate their captors lest they kill them

women work to please men and from this springs women's femininity. Femininity describes a set of behaviors that please men because they communicate a woman's acceptance of her subordinate status. Thus feminine behaviors are in essence survival strategies. Like hostages who bond to their captors, women bond to men in an effort to survive. This is a book that will forever change the way we look at male-female relationships and women's lives.      **Three Texas Rangers** Karl Thomson, 2021-03-01

While this book is fiction, most of the action is based in reality and life in early Texas. While much of this book seems beyond our ability to believe, today's life then was more than most of our made-up superheroes today. This book takes us from the early days of Texas through its fight for independence and the Mexican-American War to the seemingly impossible start of a new nation that reached the Gulf of Mexico into what is now Wyoming. As a nation, Texas covered a part of Wyoming, Colorado, New Mexico, Oklahoma, Kansas, and of course Texas. During much of that time, a modern-day school bus would have held all the lawmen in the nation of Texas. These early years are full of excitement, heartbreak, hopes, dreams, love, fighting, and death.

*Stalking Horse* Terence Strong, 2009-10-29 After six years in deep cover to penetrate the IRA, Max Avery was a man on the edge. A man starting to crack who wanted out. But London and Washington had other ideas. Iraq had invaded Kuwait, and Saddam Hussein threatened a terror strike to win him the Gulf War before it began. They needed a stalking horse to get close to the enemy, and Avery was their man. Whether he liked it or not, he plunged into a nightmare mission with the SAS and the American Delta Force. Avery finds his wife, his future, and his very life on the line.      *Emmy and the Home for Troubled Girls*

Lynne Jonell, 2010-06-08 In the irresistible sequel to *Emmy and the Incredible Shrinking Rat*, Emmy, Joe, and Ratty rescue other children. Miss Barmy has preyed upon Emmy. Addison is an ordinary girl, almost. If you don't count the fact that her parents are rich, very, her best friend is a boy and a soccer star, and she can talk to rodents and they talk back, she's very ordinary indeed. But she hasn't been that way for long. It was only a few weeks ago that Emmy and her friends, Ratty and Joe, got rid of the evil Miss Barmy, the nanny who had nearly ruined Emmy's life and the lives of five other girls who went missing. Miss Barmy is now a rat. How much harm can she do.      **Cold Monday** Terence Strong, 2004-10

Haunted by the brutal killing of his wife, a UN interpreter in Bosnia, ex-SAS operative Ed Coltrane is consumed with hunting down her murderers. Drinking heavily and spending too much time and money on the search, Coltrane's life is going into meltdown. Just as it seems he can fall no further, a former colleague informs him that one of his wife's killers is in London as a guest of the British government. Certain unofficial figures in the corridors of power would like to see this man disappear, and they'd like Ed Coltrane to accept the contract. Although he has no wish to commit what amounts to a state-sanctioned murder, the desire for revenge is too strong, and Coltrane agrees to pull the trigger. Plunging into the dark heart of modern Europe, Ed Coltrane is about to uncover a covert act of national betrayal that is as shocking as it is unexpected.      **President Down** Terence Strong, 2009

**Conflicts** James J. Coyle, 2020-11-30 This book explores the thirty year border conflict between Armenia and Azerbaijan specifically around the former autonomous republic of Nagorno Karabakh and shows how Russia is the only winner in this conflict fighting on both sides supplying arms to both sides and acting as the arbiter between the two sides The author looks at Armenia Azerbaijan and the separatists from military political economic and diplomatic perspectives and offers insights on how the fighting has influenced society and vice versa The book provides an update to the history of the war to include major fighting in 2020 and examines how Russia obtained three military bases and most economic assets in Armenia while becoming Azerbaijan's major weapons supplier to the tune of six billion dollars It shows how Russia has tried to sideline the internationally supported Minsk negotiations in favor of Russia assuming the sole role of arbiter and argues that even though

Russia has submitted a number of ceasefire proposals it does little to encourage the sides to implement them The book includes a discussion of international law United Nations Resolutions and rulings by the European Court of Human Rights
