## **Fifth Sorceress:**

*The Fifth Sorceress* Robert Newcomb, 2003-06-10 In *The Fifth Sorceress* Robert Newcomb conjures a time and place wrought with exquisite detail characters vividly drawn and deeply felt and a history rich in glory and horror splendor and secrets We gave them a chance once long ago We offered to share power equally and in peace But they refused and chose war With them it was all or nothing Wizard against Sorceress Male against female Light against dark It is more than three centuries since the ravages of a devastating war nearly tore apart the kingdom of Eutracia In its wake those who masterminded the bloodshed a quartet of powerful conquest hungry Sorceresses were sentenced to exile with return all but impossible and death all but inevitable Now a land of peace and plenty protected and guided by a council of immortal wizards Eutracia is about to crown a new king And as the coronation approaches the spirit of celebration fills every heart Except one Prince Tristan is a reluctant monarch to be Though born with the endowed blood that will give him the power to master magic and destined by tradition to succeed his father as ruler he is a rebel soul And when he discovers the ancient hidden caves where strange red waters flow possessed of their own mysterious magic it only makes him yearn all the more to escape his future of duty and succumb to the stirrings of enchantment within him But more than tradition compels Tristan to ascend the throne The very existence of Eutracia depends upon it For after these long centuries of peace dreadful omens have begun to appear heralding something too unspeakable to ponder And if indeed the old evil has returned hungry to wreak vengeance Tristan's role in an ages old prophecy must be fulfilled or the cost to his kingdom and his people will be beyond imagination It will be a battle like none ever known against an enemy whose thirst for blood and domination is depthless and unyielding And for Tristan it will be the ultimate challenge facing an adversary whose greatest weapon is the person he loves most transformed into the instrument of his annihilation and the catalyst that will doom Eutracia forever to darkness [The Fifth Sorceress](#) Robert Newcomb, 2001 Three centuries ago the unspeakable ravages of a devastating war nearly tore apart the kingdom of Eutracia Those who masterminded the bloodshed a quartet of powerful conquest hungry sorceresses were sentenced to exile but their unspeakable evil returns when the country is about to crown a new king **The Scrolls of the Ancients** Robert Newcomb, 2004-06-15 Plenty of adventure and magic continues Robert Newcomb's tradition of mixing adventure with an interesting and well realized magical world SF Site Prince Tristan and his twin sister Shailiha are the Chosen Ones prophesied to unite the opposing magics of the dark Vagaries and the benevolent Vigors But before they can fulfill their destiny they must search out the mysterious Scrolls of the Ancients which hold the key to unlocking great mystical secrets They are not the only ones on a dire quest Krassus a devoted servant of the Vagaries has located one of the Scrolls and through it has attained great and ominous powers Now he needs but one thing a man who unknowingly possesses magic in his blood almost as potent as that of the Chosen Ones Tristan and Shailiha must find that man before Krassus's dark enchantments turn him into the most dangerous weapon of evil the world has ever known if it's not already too late *The*

*Gates of Dawn* Robert Newcomb, 2003-07-01 Epic fantasy found an exhilarating new voice in Robert Newcomb whose monumental debut novel *The Fifth Sorceress* was hailed by readers and critics alike And now for all those spellbound by the tale of Prince Tristan heir to the throne of Eutracia his twin sister Princess Shailiha the ancient wizard Wigg and the fate of their enchanted land there is indeed more much more to be told For three centuries Eutracia was a kingdom at peace ruled by a benevolent monarchy and guided by a council of wizards But a horror from the past long believed vanquished returned with devastating fury And when the battle against the bloodthirsty Sorceresses of the Coven was finally won victory was not without its price Now the royal palace lies in ruins the king and queen the royal guard and the Directorate of Wizards are dead the land is lawless and Prince Tristan forced by the Coven to murder his father the King is a wanted man In a cavernous underground labyrinth once headquarters of the wizards council Tristan has taken refuge with his sister Shailiha her infant daughter the wizard Wigg the lone surviving member of the Directorate and the crippled wizard Faegan returned from self imposed exile in the forest of Shadowood Together they face the daunting task of restoring order to Eutracia and winning back the allegiance of her subjects But suddenly even these challenges pale beside a truly terrifying turn of events The sacred jewel that is the source of all magic has inexplicably begun to lose its power Without its age old enchantment to sustain their spells the immortal wizards will perish and magic will vanish from Eutracia forever At the same time a mysterious and ruthless mercenary has declared a bounty upon the head of Prince Tristan And an army of wizards on a mission to rid Eutracia of monsters created by the Coven has fallen prey to an insidious breed of creatures beings that can only have sprung from forbidden use of malevolent magic With time and their powers dwindling Wigg and Faegan desperately seek to discover who or what has succeeded the dead Sorceresses in laying siege to Eutracia But when the shocking truth is revealed and an evil that transcends life itself is made known it is Tristan more than any other who will be stunned to his very soul And it is Tristan who will be thrust into the ultimate battle for his life his land and the course of his destiny

**A March into Darkness** Robert Newcomb, 2007-01-30 The defeat and death of the evil Wulfgar should inspire a time of rejoicing throughout Eutracia But Prince Tristan grieves Not only is his beloved wife dead but across the Sea of Whispers in the island fortress known as the Citadel Wulfgar's bride the sorceress Serena plots to continue her husband's nefarious plans aided by the Scroll of the Vagaries and the advice of the otherworldly Heretics Although the ranks of Tristan's faithful soldiers were decimated in recent battle the prince nevertheless plans a bold surprise attack But on the eve of the mission disaster strikes From behind the towering azure wall of magical energy in the forbidding face of the massive Tolenka Mountains comes Xanthus a powerful warrior dispatched by the Heretics to bring Tristan into their mysterious realm A master of a mystical martial art against which even the great swordsman Tristan is helpless Xanthus launches a reign of terror against Eutracia's innocent subjects compelling Tristan to journey behind the azure wall There in a magical land as beautiful as it is violent Tristan will learn the shocking truth about the destiny he and Shailiha his sister will share In Tristan

s absence Shailiha must lead the fleet of Black Ships against the Citadel accompanied by the wizards Faegan and Wigg and the beautiful pirate queen Tyranny But unknown to them Serena has prepared a deadly trap with hellish creatures summoned by the Heretics And as Shailiha s troops sail blindly into danger Serena is preparing a spell unlike anything the world has ever seen a spell powerful enough to defeat death itself      **The Tropes of Fantasy Fiction** Gabrielle

Lissauer,2014-12-24 Comparing various fantasy fiction stories this book shows that it is not the tropes and cliches that make a story good or bad but how the author applies them The book also explores the concept of text versus meta text that is when the story s world and character actions contradict the reader s expectations based on the tropes being used Covering authors from Mercedes Lackey and Brandon Sanderson to Christopher Paolini and Stephenie Meyer the author finds that it is the nature of tropes and the language used that make a fantasy story for bad or good      *The Sex Column and Other Misprints*

David Langford,2005-07-01 A collection of columns by the author some previously published in SFX magazine      **Rise of the Blood Royal** Robert Newcomb,2007-12-26 The long awaited moment is here as Robert Newcomb brings his epic trilogy The Destinies of Blood and Stone to a triumphant close Old questions will receive unexpected answers Ancient prophecies will come to pass New wonders and horrors will be revealed And the lives of Prince Tristan and his sister Shailiha the Chosen Ones who alone can unite the sundered powers of the beneficent Vigors and the evil Vagaries will change forever On the far side of the impassable Tolenka Mountains where the countries of Rustannica and Shashida fight an endless War of Attrition a turning point has come Vespasian emperor of Rustannica is desperate The relentless battle has left his country battered and the treasury all but empty Unless he can achieve a breakthrough his armies will crumble and the cause of the Vagaries will go down in abject defeat But if he gathers all his strength in one daring throw of the dice Vespasian may yet prevail Meanwhile in Eutracia the wizards Faegan and Wigg make a startling discovery a new form of magic that grants its users amazing powers Among them may be an unforeseen method of crossing the Tolenka Mountains and entering directly into the War of Attrition tilting the balance in favor of the Vigors and bringing Tristan into full possession of the mystic endowments in his blood But a new threat has surfaced in Eutracia An ancient Vagaries spell has borne its poisonous fruit half human half serpent monstrosities who live only to slay and are commanded by a hideously transformed sorcerer demon known as the Viper Lord Now as Tristan departs on a risky mission to cross into Rustannica and meet his destiny in an apocalyptic confrontation with Vespasian Shailiha will remain behind to battle the Viper Lord and his murderous horde Failure is unthinkable But the cost of victory may be impossibly high      **Savage Messiah** Robert Newcomb,2006-12-26 Robert

Newcomb s dazzling debut trilogy The Chronicles of Blood and Stone introduced readers to the strange and wondrous land of Eutracia Now in Savage Messiah the first volume in a sweeping new trilogy of magic romance and adventure Newcomb returns to the world of his epic saga unlocking fresh secrets and startling surprises With the demise of his evil half brother Wulfgar Prince Tristan restored peace to Eutracia or so he thought But the Orb of the Vigors was damaged in the climactic

battle and now the powerful artifact is bleeding magical energy and cutting a swath of death and destruction across the kingdom Tristan can heal the wounded Orb but not until his enchanted blood is returned to normal Only then will the powers of the Vigors be his to command Unfortunately the secret of reversing the enchantment is lost Even worse Wulfgar is neither dead nor defeated Ensconced in his fortress across the Sea of Whispers Tristan s hideously scarred half brother plots with the Heretics the otherworldly masters of the Vagaries With their aid Wulfgar has grown even stronger in the dark arts Now with powerful demonic servants and weapons of dire potency Wulfgar sets forth to complete the destruction of the Orb and to avenge himself on the Chosen Ones Preceding him he sends a brotherly greeting a cunning assassin with orders to dispatch Eutracia s ruling council Tristan and his trusted allies the wise wizards Wigg and Faegan the beautiful pirate Tyranny and dearest of all his beloved Celeste embark on a desperate quest to cleanse his blood It is a journey that will lead from the Sea of Whispers to distant Parthalon to the mysterious Well of Forestallments and it will change everything the Chosen Ones think they know about themselves and their destiny If they should fail the Orb will perish and with it the Vigors As for success it may prove more costly still
