Simpson, Donald E. Stanford, James Olney, Jo Gullledge, 1988-03-01      Fifth Sunday Rita Dove, 1985 Collected in Fifth Sunday are the accounts of Black people trying to assert their humanity in a world glibly operating on preconceptions Whether surviving in the American Midwest with its landlocked dreams or coming of age in a Europe grown past dreaming Rita Dove s characters insist on being recognized as individuals A German brown baby spray paints his art on public buildings a concert pianist goes from Bach to jazz and beyond a bag lady rages through an arcade in rainy Cleveland an elderly woman confesses her one indiscretion to her niece      The Columbia Guide to Contemporary African American Fiction Darryl Dickson-Carr, 2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned High unemployment runaway inflation and the energy crisis caused in part by U S dependence on Arab oil characterized an increasingly bleak economic situation As Edward D Berkowitz demonstrates the end of the postwar economic boom Watergate and defeat in Vietnam led to an unraveling of the national consensus During the decade ideas about the United States how it should be governed and how its economy should be managed changed dramatically Berkowitz argues that the postwar faith in sweeping social programs and a global U S mission was replaced by a more skeptical attitude about government s ability to positively affect society From Woody Allen to Watergate from the decline of the steel industry to the rise of Bill Gates and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers Berkowitz captures the history tone and spirit of the seventies He explores the decade s major political events and movements including the rise and fall of d tente congressional reform changes in healthcare policies and the hostage crisis in Iran The seventies also gave birth to several social movements and the rights revolution in which women gays and lesbians and people with disabilities all successfully fought for greater legal and social recognition At the same time reaction to these social movements as well as the issue of abortion introduced a new facet into American political life the rise of powerful politically conservative religious organizations and activists
