FIFTY BASIC CIVIL WAR DOCUMENTS

Fifty Basic Civil War Documents

**US Army Military History Research
Collection**

Fifty Basic Civil War Documents:

Fifty Basic Civil War Documents Henry Steele Commager, 1982 The collection of official documents in this book is concerned with the events of the war between the North and the South during the United States Civil War **Fifty Basic Civil War Documents, Etc** Henry Steele Commager, 1965 **Civil War and Reconstruction** Rodney P. Carlisle, 2014-05-14 Portrays the American Civil War and its aftermath through such primary sources as memoirs diaries letters contemporary journalism and official documents [The Era of the Civil War--1820-1876](#) US Army Military History Research Collection, 1974 *Access to History: America: Civil War and Westward Expansion 1803-1890 Fifth Edition* Alan Farmer, 2015-04-24 Exam Board AQA Edexcel OCR WJEC Level A level Subject History First Teaching September 2015 First Exam June 2016 Give your students the best chance of success with this tried and tested series combining in depth analysis engaging narrative and accessibility Access to History is the most popular trusted and wide ranging series for A level History students This title Supports the content and assessment requirements of the 2015 A level History specifications Contains authoritative and engaging content Includes thought provoking key debates that examine the opposing views and approaches of historians Provides exam style questions and guidance for each relevant specification to help students understand how to apply what they have learnt This title is suitable for a variety of courses including AQA America A Nation Divided c1845 1877 OCR The USA in the 19th Century Westward expansion and Civil War 1803 c1890 [Catalogue of the Public Documents of the \[the Fifty-third\] Congress \[to the 76th Congress\] and of All Departments of the Government of the United States](#) United States. Superintendent of Documents, 1896 **Special Bibliography - US Army Military History Research Collection** US Army Military History Research Collection, 1974 **A Press Divided** David B. Sachsman, 2017-09-08 A Press Divided provides new insights regarding the sharp political divisions that existed among the newspapers of the Civil War era These newspapers were divided between North and South and also divided within the North and South These divisions reflected and exacerbated the conflicts in political thought that caused the Civil War and the political and ideological battles within the Union and the Confederacy about how to pursue the war In the North dissenting voices alarmed the Lincoln administration to such a degree that draconian measures were taken to suppress dissenting newspapers and editors while in the South the Confederate government held to its fundamental belief in freedom of speech and was more tolerant of political attacks in the press This volume consists of eighteen chapters on subjects including newspaper coverage of the rise of Lincoln press reports on George Armstrong Custer Confederate women war correspondents Civil War photojournalists newspaper coverage of the Emancipation Proclamation and the suppression of the dissident press This book tells the story of a divided press before and during the Civil War discussing the roles played by newspapers in splitting the nation newspaper coverage of the war and the responses by the Union and Confederate administrations to press criticism **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1968 Includes Part 1 Number 2 Books and Pamphlets Including Serials

and Contributions to Periodicals July December Cornerstone of the Confederacy Keith Hebert, 2023-08-18 Born in early 1812 in Crawfordville Georgia Alexander Stephens grew up in an antebellum South that would one day inform the themes of his famous Cornerstone Speech While Stephens made many speeches throughout his lifetime the Cornerstone Speech is the discourse for which he is best remembered Stephens delivered it on March 21 1861 one month after his appointment as vice president of the Confederacy asserting that slavery and white supremacy comprised the cornerstone of the Confederate States of America Within a few short weeks more than two hundred newspapers worldwide had reprinted Stephens's words Following the war and the defeat of the Confederacy Stephens claimed that his assertions in the Cornerstone Speech had been misrepresented his meaning misunderstood as he sought to breathe new and different life into an oration that may have otherwise been forgotten His intentionally ambiguous rhetoric throughout the postwar years obscured his true antebellum position on slavery and its centrality to the Confederate Nation and lent itself to early constructions of Lost Cause mythology In Cornerstone of the Confederacy Keith Hebert examines how Alexander Stephens originally constructed and then reinterpreted his well known Cornerstone Speech Hebert illustrates the complexity of Stephens's legacy across eight chronological chapters meticulously tracing how this speech still widely cited in the age of Black Lives Matter reverberated in the nation's consciousness during Reconstruction through the early twentieth century and in debates about commemoration of the Civil War that live on in the headlines today Audiences both inside and outside of academia will quickly discover that the book's implications span far beyond the memorialization of Confederate symbols grappling with the animating ideas of the past and discovering how these ideas continue to inform the present Legislative Document New York (State). Legislature, 1923 **Nothing Less than Victory** John David Lewis, 2013-12-26 How aggressive military strategies win wars from ancient times to today The goal of war is to defeat the enemy's will to fight But how this can be accomplished is a thorny issue *Nothing Less than Victory* provocatively shows that aggressive strategic military offenses can win wars and establish lasting peace while defensive maneuvers have often led to prolonged carnage indecision and stalemate Taking an ambitious and sweeping look at six major wars from antiquity to World War II John David Lewis shows how victorious military commanders have achieved long term peace by identifying the core of the enemy's ideological political and social support for a war fiercely striking at this objective and demanding that the enemy acknowledges its defeat Lewis examines the Greco Persian and Theban wars the Second Punic War Aurelian's wars to reunify Rome the American Civil War and the Second World War He considers successful examples of overwhelming force such as the Greek mutilation of Xerxes' army and navy the Theban-led invasion of the Spartan homeland and Hannibal's attack against Italy as well as failed tactics of defense including Fabius's policy of delay McClellan's retreat from Richmond and Chamberlain's appeasement of Hitler Lewis shows that a war's endurance rests in each side's reasoning moral purpose and commitment to fight and why an effectively aimed well planned and quickly executed offense can end a conflict and create the conditions

needed for long term peace Recognizing the human motivations behind military conflicts Nothing Less than Victory makes a powerful case for offensive actions in pursuit of peace **Special Bibliography** ,1974 *America Divided* Maurice Isserman,Michael Kazin,2000 A definitive account of the turbulent 1960s America Divided presents the most sophisticated understanding to date of all sides of the decade s many political social and cultural conflicts 45 photos *Annual Report of the Public Printer ...* United States. Government Printing Office,1905 **The Trial of Democracy** Wang, Xi,2012-01-15 After the Civil War Republicans teamed with activist African Americans to protect black voting rights through innovative constitutional reforms a radical transformation of southern and national political structures The Trial of Democracy is a comprehensive analysis of both the forces and mechanisms that led to the implementation of black suffrage and the ultimate failure to maintain a stable northern constituency to support enforcement on a permanent basis The reforms stirred fierce debates over the political and constitutional value of black suffrage the legitimacy of racial equality and the proper sharing of power between the state and federal governments Unlike most studies of Reconstruction this book follows these issues into the early twentieth century to examine the impact of the constitutional principles and the rise of Jim Crow Tying constitutional history to party politics The Trial of Democracy is a vital contribution to both fields **American Book Publishing Record** ,1982 [Jewish Identity in the Reconstruction South](#) Anton Hieke,2013-05-28 How far can Jewish life in the South during Reconstruction 1863 1877 be described as German in a period of American Jewry traditionally referred to as German Jewish in historiography To what extent were Jewish immigrants in the South acculturated to Southern identity and customs Anton Hieke discusses the experience of Jewish immigrants in the Reconstruction South as exemplified by Georgia and the Carolinas The book critically explores the shifting identities of German Jewish immigrants their impact on congregational life and of their identity as Southerners The author draws from demographic data of six thousand individuals representing the complete identifiable Jewish minority in Georgia South and North Carolina from 1860 to 1880 Reconstruction it is concluded has to be seen as a formative period for the region s Jewish congregations and Reform Judaism The study challenges existing views that are claiming German Jews were setting the standard for Jewish life in this period and were perceived as distinct from Jews of another background Rather Hieke arrives at a conclusion that takes into consideration the migratory movement between North and South [Presidents from Taylor through Grant, 1849-1877](#) Jeffrey W. Coker,2002-06-30 The years 1849 1877 were among the most pivotal in the nation s history Over the course of three decades the United States endured a catastrophic civil war abolished slavery expanded westward and added eight states to the Union and witnessed the beginnings of industrialization In politics the era saw the demise of one national party the birth of another and the historic leadership of Abraham Lincoln The country also faced difficult questions of state sovereignty and federal responsibility answered ultimately by secession and war In short it was a time of growth consolidation tragedy and triumph for a dynamic and youthful nation This resource of primary documents and commentary

covers the Taylor through Grant administrations by selecting and describing five to ten of the foremost issues of the day and showing the actual text of the president's position along with the opposing viewpoint The presidents from 1849 1877 were men of varied backgrounds and talents Northerners and Southerners and even Northerners with Southern sensibilities occupied the White House The period began and ended with war heroes as presidents among the other men who served as president were a former textile worker a country lawyer and lifelong diplomat Most of the chief executives struggled and perhaps even failed to overcome the immense challenges placed before them By providing helpful background information and commentary about the presidents and the issues of the day in addition to the primary sources this reference guide accurately depicts this fractious time in the country's past and provides an invaluable resources to any student of American history *Senate Documents* USA. Congress. Senate, 1898
