Fifty Strategies For Teaching English Language Learners:

50 Strategies for Teaching English Language Learners Adrienne L. Herrell, Michael Jordan, 2019-02-07 This sixth edition of 50 Strategies for Teaching English Language Learners presents a major focus in identifying and teaching students at their language development level. With adoption of the Common Core State Standards CCSS, educators across the United States are reflecting on exemplary practices and research in strategies for supporting intellectual and educational growth in students of all ages. Common Core does, however, present additional challenges for students who are in the process of acquiring English.

Fifty Strategies for Teaching English Language Learners Adrienne L. Herrell, Michael Jordan, 2004 This updated edition includes a rich assortment of practical features to support teachers as they meet the challenges of the 21st century classroom. All of the strategies in this book are aligned to the TESOL standards and have been field tested in diverse classrooms. A DVD illustrates select strategies being used in a classroom dominated by English learners.

Fifty Strategies for Teaching English Language Learners Adrienne L. Herrell, Michael Jordan, 2011-01-15 Fifty Strategies for Teaching English Language Learners Fourth Edition by Adrienne Herrell and Michael Jordan includes a rich assortment of practical strategies aligned to TESOL standards which have been field tested in diverse classrooms. Each strategy includes a brief explanation, step by step instructions on how to plan and use the strategy, and two classroom scenarios demonstrating how the strategy can be adapted for different grade levels and content areas. Herrell and Jordan have included additional language and literacy development strategies, technology strategies, and assessment strategies to support both pre-service and in-service teachers. New Strategies building on suggestions from professors using the third edition, we have included additional language and literacy development strategies and combined some of the strategies to demonstrate how teachers can effectively sequence approaches to support learning. A total of twelve new strategies, 20 % are included in this fourth edition. Reorganization of the Strategies The strategies have been reorganized based on feedback from professors using the text. In addition to the reorganization, the notable changes in this edition include the following: Updated Research The theoretical overview section of this edition includes updated research and expands our review to include notable European researchers working in the field of Second Language Acquisition (SLA). Updated research is cited throughout the strategy chapters as well. Focus on the use of assessment to ensure effective instruction. Assessment strategies are included both in the theoretical overview section and in many of the individual strategy chapters to support pre-service and in-service teachers in understanding the importance of knowing how students learn and their current levels of functioning in order to plan effective instruction. Expanded emphasis on the use of technology. Technology strategies are infused in many of the chapters, and additional stand-alone technology strategies have been added to emphasize the appropriate use of technology to support and scaffold learning for English learners.
