Fifty Years Of Good Reading 1950 :

Fifty Years Among the New Words John Algeo,Adele S. Algeo,1991 This book first published in 1992 is a unique repository of language use from 1941 91 **Paper Empires** Craig Munro,2006 This book tells the inside story of Australian publishing over the past half century **Mercedes-Benz Club of America Fifty Years of History** Bruce A. Adams,2007-06-15 Mercedes Benz Club of America MBCA and Turner Publishing Company are pleased to announce a new and unique book highlighting the MBCA as it celebrates its 50th Anniversary This commemorative book will feature a large collection of never before published photographs and memorabilia and will highlight the first 50 years of the MBCA This book is licensed and approved by the Mercedes Benz Club of America MBCA Editor Bruce Adams will author this quality crafted book This book will be a 9 x 12 inch hardbound coffee table volume with hundreds of pages of photographs and memories

Historical Dictionary of the 1950s Bloomsbury Publishing,2000-07-30 Today Americans look back nostalgically at the 1950s an era when television and rock and roll revolutionized popular culture and Vietnam race riots drug abuse and protest movements were still in the future With homes in the suburbs new automobiles and the latest electrical gadgets many Americans believed they were the most prosperous people on earth Yet the era was tainted by the fear of thermonuclear war with the Soviet Union deepening racial tensions and discontent with rigid roles for women and the demands of corporate conformity A sense of rebellion had begun to brew behind the facade It manifested itself in rock and roll the budding civil rights movement and the appearance of a youth culture eventually exploding in the 1960s Providing a comprehensive overview this book includes entries on the prominent people major events issues scandals ideas popular culture and court cases of the decade that gave rise to the tensions of the 1960s **Contextualising Difficulties in Literacy Development** Gavin Reid,Janet Soler,Janice Wearmouth,2014-06-03 This book provides a range of interdisciplinary and international perspectives on difficulties in literacy development The high profile team of contributors provide ethical and policy discussions as well as contextualising individual and collective strategies to addressing difficulties in literacy development The chapters break new ground by encompassing a wide range of perspectives related to critical literacy socio cultural cognitive and psychological viewpoints to help inform practice policy and research into literacy difficulties Issues addressed include the different ways literacy can be conceptualised through social science based disciplinary perspectives the issues at the centre of current public and professional debates surrounding literacy difficulties and how these have impacted upon pedagogical responses the impact of these wider political and social issues on individual students This reader forms the basis of the Open University s Difficulties in Literacy Development course but will also be of interest to postgraduate students teachers researchers education professionals and policymakers who are keen to address difficulties in literacy development **A Bibliography of Bertrand Russell: Serial publications, 1890-1990** Kenneth Blackwell,Harry Ruja,1994 Provides for the first time a full descriptive bibliography of Russell s writings Textually orientated it will guide the scholar collector and the

general reader to the authoritative editions of Russell's works **Daily Life in 1950s America** Nancy Hendricks, 2019-02-22 Placing the era firmly within the American experience this reference illuminates what daily life was really like in the 1950s including for people from the Other America those outside the prosperous white middle class *Daily Life in 1950s America* shows that the era was anything but uneventful Apart from revolutionary changes during the decade itself it was in the 1950s that the seeds took root for the social turmoil of the 1960s and the technological world of today The book's interdisciplinary format looks at the domestic economic intellectual material political recreational and religious life of average Americans Readers can look at sections separately according to their interests or classroom assignment or can read them as an ongoing narrative By entering the homes of average Americans far from the corridors of power we can make sense of the 1950s and see how the headlines of the era translated into their daily lives This readable and informative book is ideal for anyone interested in this formative decade in American life Well researched factual material is presented in an engaging way along with lively sidebars to humanize each section It is unique in blending the history popular culture and sociology of American daily life including those of Americans who were not white middle class and prosperous **School Life**, 1953 *Hearings* United States. Congress. House. Committee on the Judiciary, 1964 **U.S. Geological Survey Professional Paper**, 1963 *Confidential to America* David Gudelunas, 2017-09-08 In modern day America newspaper advice columns have become public forums for the discussion of human sexuality Although questions posed to newspaper advice columnists range from matters of etiquette to intimacy as they have for decades increasingly most of the limited space in these newspaper features address issues that fall under a broader heading of sexuality Questions about marital fidelity dating and relationships sexual practices gender roles and sexual taboos have all become hot button topics within the morally conservative mainstream press In *Confidential to America* David Gudelunas shows how since the 1950s advice columns have been one of the few consistent mainstream and widely available public forums for the discussion of topics severely restricted in other places Newspaper advice columns serve as sites of discussion about sexuality within a larger culture that is severely divided on questions of how when and to what extent one may formally speak about sexuality Even now at the turn of the twenty first century high schools remain hesitant to devote more than a semester or two to formal discussions of sexuality When they do under current governmental policy and pressure these discussions are often restricted to abstinence only programs or what might be described as non discussions of sexuality Community based sexual education programs are similarly restricted in their reach funding and more often than not effectiveness In America in the twenty first century talking about sex in educational contexts is perceived to be almost as risky as having sex Gudelunas demonstrates that while formal discussions of sexuality are strictly regulated and often thwarted the informal curriculum of sexuality particularly in the American mass media has become ever more vocal on the topic of sex From depictions conveyed through fictional and reality based popular culture to discussions taking place in the cafeteria if not the classroom and in Internet

chat rooms sexuality dominates our collective conscience *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1952 Includes Part 1A Books and Part 1B Pamphlets Serials and Contributions to Periodicals

Congressional Tenure of Office United States. Congress. House. Committee on the Judiciary,1965 **The Film Cultures Reader** Graeme Turner,2002 This companion reader to Film as Social Practice brings together key writings on contemporary cinema exploring film as a social and cultural phenomenon The Essential Mystery Lists Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher s death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction **Immigration** United States. Congress. House. Committee on the Judiciary. Subcommittee No. 1,1965 Considers H R 2580 to amend the Immigration and Nationality Act to eliminate national origins quota system

Immigration United States. Congress. House. Committee on the Judiciary,1965 **The Globalization and Environment Reader** Pete Newell,J. Timmons Roberts,2016-06-13 The Globalization and Environment Reader features a collection of classic and cutting edge readings that explore whether and how globalization can be made compatible with sustainable development Offers a comprehensive collection of nearly 30 classic and cutting edge readings spanning a broad range of perspectives within this increasingly important field Addresses the question of whether economic globalization is the prime cause of the destruction of the global environment or if some forms of globalization could help to address global environmental problems Features carefully edited extracts selected both for their importance and their accessibility Covers a variety of topics such as the marketization of nature debates about managing and governing the relationship between globalization and the environment and discussions about whether or not globalization should be greened Systematically captures the breadth and diversity of the field without assuming prior knowledge Offers a timely and necessary insight into the future of our fragile planet in the 21st century Cultural Theory and Popular Culture John Storey,1998 This reader is intended as a theoretical analytical and historical introduction to the study of popular culture within cultural studies It is divided into seven representative sections The first six sections each contain a selection of readings from a particular approach to popular culture culture and civilisation tradition culturalism structuralism and post structuralism Marxism

feminism and postmodernism providing a comprehensive overview and examples of the main theoretical perspectives The final section contains readings from recent debates within the study of popular culture Together these sections chart the theoretical development of the study of popular culture within cultural studies and provide examples of the analysis of the texts and practices of popular culture within each specific tradition Each section is introduced edited and contextualised by John Storey
