Fifty Chinese Stories 1st Edition:

An Introduction to Literary Chinese Michael A. Fuller, 2020-03-23 This textbook for beginning students contains 35 lessons of increasingly difficulty designed to introduce students to the basic patterns of Classical Chinese and to give them practice in reading a variety of texts The lessons are structured to encourage students to move beyond reliance on the glossaries provided in the text and to become increasingly familiar with dictionaries and other reference works The Introduction to the book summarizes the grammar of Literary Chinese Part I presents eight lessons on parts of speech verbs negatives and the basic sentence structures Each lesson contains a grammatical overview a short text with glossary and notes and practice exercises Part II consists of sixteen intermediate level lessons based on increasingly long and complex texts The advanced level Part III focuses on selections from five important early Chinese authors Part IV has six lessons based on Tang and Song dynasty prose and poetry Appendixes provide further discussions of grammatical issues chronologies and maps and a glossary of function words *Library of Congress Catalog* Library of Congress, 1965 A cumulative list of works represented by Library of Congress printed cards **The Chinese Short Story** Patrick Hanan, 1973 During the centuries of its popularity early Chinese vernacular fiction was never adequately preserved or even documented The great popular appeal of the short stories saved them from oblivion but it was only in the sixteenth and seventeenth centuries that they were first collected and published Mr Hanan s erudite study is the first thorough attempt to uncover the history of the Chinese short story Using a variety of techniques but principally that of stylistic analysis the author solves the fundamental problem of dating the stories in terms of periods He is able to place each story in one of three broad categories early ca 1250 1450 middle ca 1400 1575 and late ca 1550 1627 and to assign some of them to the earlier or later part of the time span In many cases he offers evidence of sources and influences place of origin and possible or probable authorship On the basis of the author s research it is possible to see in minutely researched detail how the short story developed in China what kind of men composed it its relationship to other kinds of literature and the main social preoccupations with which it deals The results of Mr Hanan s study are vitally important to all scholars of Chinese literature Historians and linguists will also find it valuable as a model of the innovative use of stylistic analysis **The Publishers Weekly**, 1908 **The Publishers' Circular and Booksellers' Record**, 1929 **Books Added to the Libraries** William Oxley Thompson Memorial Library, 1963 The Chinese Journalist Hugo Burgh, 2004-03 An intriguing introduction to Chinese journalists and their roles within society offering a background history of journalists and the media in Communist China and examining the origins and development of Chinese journalism Catalog of Copyright Entries.
