*The Prize Fight: Preparing to Face Life's Biggest Battles* Clayton McCombe, 2016-05-22 Have you ever felt beat down by life Like you re in a fight that you had no chance to prepare for and have no clue how to get through So many times we re caught off guard by the trials in our life and it causes us to fight out of fear instead of purpose We spend our time searching for quick fixes to better ourselves but we fall to doubt and discouragement when we can t see the benefit to our battles The Prize Fight is not a book about avoiding the battle or being victorious in the battle but about finding value in the midst of the battle It s about adjusting your focus from simply making it out of life struggles to growing within them You must be open to change and willing to challenge yourself before you will ever find success in life s trials Walk with author Clayton McCombe as he uncovers the importance of preparing for battles through the eyes of a fighter Learn to identify the type of battle you are facing and the secret of where your true strength lies Find out what it takes to train and discipline yourself to be ready for anything that life throws at you It s time that you stop allowing your battles to define you and start letting them refine you It s time to create your legacy in The Prize Fight the battles we fight. Life is a Story - story.one Leni Preuß, 2023-08-07
