Tartakower's annotations are unlike any other master of his time. He repeatedly stressed the psychological nature of chess for example. Another Tartakowerism is an attack is against a castled position weak pawns and most of all against the mind of the opponent. What he reserves for a footnote like what conditions are present to make a game a work of art other authors would need pages to articulate if they addressed the matters at all. This book was meant to do what all great annotations do instruct explain and entertain. And it succeeds spectacularly. Andy Soltis in his Foreword Experience the unique genius of Savielly Tartakower in this 21st Century Edition of his games collection 201 games 49 game fragments all deeply annotated and quintessentially Tartakower.

The British Chess Magazine, 1984 *The Cape Librarian*, 1984 Issues for Nov 1957 include section Accessions. Anwinste Sept 1957 [Bent Larsen's Best Games](#) Bent Larsen, 2015-01-10 Bent Larsen 1935 2010 was one of the greatest fighters chess has ever seen. In his rich career the great Dane defeated all World Champions from Botvinnik to Karpov. He was a Candidate for the World Championship four times and became one of the most successful tournament players of his time. His uncompromising style and his unorthodox thinking made him popular with chess players all around the globe. In 1967/1968 Larsen won five international elite events in a row a truly spectacular achievement. His successes were such that Bobby Fischer let him play first board in the legendary match Soviet Union vs the World in 1970 in Belgrade. Bent Larsen also was a highly original chess writer and an extremely productive chess journalist. Not surprisingly the first chess book that Magnus Carlsen ever studied was written by the strongest Scandinavian player before him. This collection brings together more than 120 of Bent Larsen's best games annotated by himself. His comments are lucid to the point instructive and humorous. Together these games are a tribute to his genius and a continuous joy to read and play through.
