## **Fighting Douglas MacArthur:**

The Fighting Douglas MacArthur Clarke Newlon, 1965 Traces the military career of one of America's most decorated and beloved generals Bibilog **War at the End of the World** James P. Duffy, 2017 **Douglas MacArthur** Arthur Herman, 2017-03-28 A new definitive life of an American icon the visionary general who led American forces through three wars and foresaw his nation's great geopolitical shift toward the Pacific Rim from the Pulitzer Prize finalist and bestselling author of *Gandhi* Churchill Douglas MacArthur was arguably the last American public figure to be worshipped unreservedly as a national hero the last military figure to conjure up the romantic stirrings once evoked by George Armstrong Custer and Robert E. Lee But he was also one of America's most divisive figures a man whose entire career was steeped in controversy Was he an avatar or an anachronism a brilliant strategist or a vainglorious mountebank Drawing on a wealth of new sources Arthur Herman delivers a powerhouse biography that peels back the layers of myth both good and bad and exposes the marrow of the man beneath MacArthur's life spans the emergence of the United States Army as a global fighting force Its history is to a great degree his story The son of a Civil War hero he led American troops in three monumental conflicts World War I World War II and the Korean War Born four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman's magisterial book spans the full arc of MacArthur's journey from his elevation to major general at thirty eight through his tenure as superintendent of West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer Herman shows how MacArthur's strategic vision helped shape several decades of U.S. foreign policy Alone among his peers he foresaw the shift away from Europe becoming the prophet of America's destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray-Ban sunglasses riding crop and corn-cob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With Douglas MacArthur Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for Douglas MacArthur This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur's place in history New York Journal of Books Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important to encounter The New Criterion With Douglas MacArthur American Warrior the prolific and talented historian Arthur

Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur's monumental achievements without slighting his equally monumental flaws

**Commentary** *General MacArthur: Wisdom and Visions*, 2001-06-15 MacArthur's supremacy as a true conversationalist is readily documented This work on the wisdom and sayings of MacArthur is presented as a new classicist document in that almost every item listed came from the mouth of General MacArthur and from his writings He wrote almost all of his own speeches with eloquence in all of them These speeches stand out as note worthy because they were made immediately after periods of great historical significance In these speeches he seemed to be speaking strictly from his heart Regardless of the individual's attitude toward politics religion military or civilian service his words sound spiritual and practical

[The General Vs. the President](#) World Watch Media, 2016-12-23 The General vs the President General MacArthur vs President Truman Book Preview Truman relieving General Douglas MacArthur caused a bit of an uproar amongst the American public His motives were to limit the conflict in Korea resulting in his decision to remove MacArthur General MacArthur was full of ego and flair and issues between the two were inevitable When the Korean war first began in June of 1950 MacArthur had fantastic military strategies and maneuvers up his sleeve He used these to keep South Korea protected from communist invaders in North Korea MacArthur urged to enact a policy to defeat North Korean forces entirely Truman agreed but did so warily as he was aware the People's Republic of China may feel threatened and join the fight During October of 1950 MacArthur assured Truman that the Chinese wouldn't interfere Directly afterwards in November and December Chinese troops burst into the American lines hundreds of thousands of soldiers preventing American forces from entering North Korea MacArthur requested the use of bombs against communist China as well as to utilize Taiwanese forces to fight the People's Republic of China When Truman denied him these requests their public disagreement began
