Fighting Dragons:

Fighting the Dragon Diana Kay Lubarsky, 2018-03-23 Diana's poetry offers the reader a voyage into the hidden layers of life as an older woman. London, 2023-03-07 In a modern mega city built around dragons, one boy gets caught up in the world of underground dragon battles and a high stakes gang war that could tear his family apart. Banished from Drakopolis to the desolate frontier town of Glassblower's Gulch, Abel and his family must face a harsh new reality: life without dragons. Far from the lights and lizards of the megacity, Abel's new home effectively bans the great beasts. Anyone caught smuggling dragons is hauled away by the ruthless sheriff and her fearsome deputies. They have the only dragons in town, and they run the dreaded dragon rodeo, which pits those who fall afoul of the sheriff's justice against a wild dragon in a competition for their freedom. It's dragon versus human, and only one can win. Cut off from his friends and desperate to keep his fractious family together, Abel is determined not to break a single rule, even though the sheriff has it out for him. He's going to be a model citizen. Then he discovers the baby wyvern. It's a tiny, defenseless thing, and it definitely won't survive without his help. Abel has made it his mission to aid any dragon that needs him. But what is he willing to risk for a baby wyvern in a town without mercy? *City of Speed (Battle Dragons #2)* Alex

London, 2022-08-02 In a modern mega city built around dragons, one boy gets caught up in the world of underground dragon battles and a high stakes gang war that could tear his family apart. In the city of Drakopolis, dragons and humans have co-existed for centuries. Dragons burn the city's garbage, taxi its busy citizens from place to place, and even compete in vicious underground battles for ganglike kins. But the dragons also compete in legal sports like the spectacular aerial races that draw in cheering crowds by the tens of thousands. Abel is at just such a race when he witnesses the unthinkable. A long shot competitor pulls off an impossible win, then flies into a destructive rage. Someone in the city is experimenting on dragons, hacking their DNA, rebuilding their bodies, and breaking their minds. Who could be driving the dragons berserk? Abel must find out who's behind the experiments and put a stop to them, and to do so, he'll infiltrate the kins' underground street races on a long shot dragon of his own. But with his sister working for a kin, his brother serving the city's secret police, and a bully at school racing for Abel's worst enemies, will Abel find any safety past the finish line? **How to**
