December 30 1913 was an American woman suffragist and reformer born in Raleigh North Carolina and educated in New Haven Connecticut In 1866 she married Grinfill Blake a wealthy New York merchant She was one of the active promoters of the movement that resulted in the founding of Barnard College In 1869 she visited the Women s Bureau in New York and soon after began speaking all over the United States in support of female enfranchisement She earned a reputation as a freethinker and gained fame when she attacked the well known lectures of Morgan Dix a clergyman who asserted that woman s inferiority was supported by the Bible Her lectures published as Woman s Place To Day rejected this idea asserting in one instance that if Eve was inferior to Adam because she was created after him then by the same logic Adam was inferior to the fishes Blake testified before the New York Constitutional Commission of 1873 in support for women s suffrage Along with Matilda Joslyn Gage she signed the 1876 Centennial Women s Rights Declaration She was president of the New York State Woman s Suffrage Association from 1879 to 1890 and of the New York City Woman s Suffrage League from 1886 to 1900 Blake completely broke ties with the National American Woman Suffrage Association in 1900 when Susan B Anthony who was retiring as the leader of the organization selected Carrie Chapman Catt and Anna Howard to succeed her Blake had withdrawn her candidacy in the interests of harmony For years Blake and Anthony had disagreed on the basic purpose of the women s movement Anthony wanted to focus solely on suffrage Blake wanted to pursue a broader course of reform This split in strategy was caused by a deeper theoretical divide Blake developed a theory of gender that was radical for her time She argued that gender roles are learned behaviors and that women and men shared a common nature Therefore women should have the same rights as men in all areas Anthony and her followers instead emphasized the unique nature of women their separate sphere and innate moral authority as justification for their right to suffrage This conflict among others that Blake took part in helps to explain the way she is remembered or not remembered in the context of the woman s movement Blake went on to create the National Legislative League She worked on improving immigration laws for women and furthering equality in society In addition Blake helped establish pensions for Civil War nurses and also worked on granting mothers joint custody of their children She wanted to have women involved in civic affairs and encouraged them to study law in school She was the author of the law providing for matrons in the police stations passed in 1891 Blake was an avid writer and her writings also include *Fettered for Life* 1872 a novel dealing with the woman s suffrage question *Woman s Place To day* 1883
