Few And The Many The Uncommon Readings In American Politics:

Tolerance in the Twenty-first Century Gerson Moreno-Riaño, 2006-01-01 *Tolerance in the 21st Century* investigates some of the key philosophical and practical dilemmas surrounding the implementation and realization of tolerance in the 21st century. In particular, this well thought out volume investigates the political, social, moral, religious, global, and philosophical issues integral to discussions of tolerance in our current era. The work delves into new areas assessing the problems posed for tolerance by such factors as identity, war, community, the Internet, and gender. Each essay is written by expert scholars who seek to share their particular expertise with some of the most important and essential questions concerning tolerance. Editor Gerson Moreno Riano has collected essays that ask not only where we are now in the study of tolerance but also seek to make a positive contribution to the study of tolerance by suggesting what can and should be done to further policies and practices of tolerance as well as investigating the limits of tolerance. *Tolerance in the 21st Century* is certain to delight

Thomas R. Dye, Luther Harmon Zeigler, 1972 **Race and Place in Birmingham** Bobby M. Wilson, 2000 This pioneering book explores the implications of postmodernism for the black community through an analysis of the civil rights and neighborhood movements in Birmingham, Alabama. Grounded not only in class struggle, the Civil Rights Movement was tied to the politics of racial identity, the neighborhood movement to the politics of place identity. Bobby M. Wilson critically examines these two movements which together transformed race and place in Birmingham. He shows that although the civil rights struggle and neighborhood empowerment served a valuable purpose, they cannot now overcome post-Fordist forces of domination and exclusion. Successful political movements, the author argues, must venture beyond the politics of identity and difference based on race and neighborhood. **Catalog of Copyright Entries.
