Few Survived A Comprehensive Survey Of Submarine Accidents And Disasters:

Few Survived Edwyn Gray,1996-04-01 A revised edition of an account of peacetime submarine disasters from 1774 to the present day previously published in 1991 Examines the development of the submarine from experimental stages in the late 18th century to the present day and provides details of all disasters ever reported *Few Survived* Edwyn Gray,1986

Disasters of the Deep Edwyn Gray,2006-10-01 The comprehensive reference to peacetime submarine disasters updated with now declassified Cold War events the Kursk tragedy and more This is the fully revised and updated edition of the first comprehensive account of every peacetime submarine disaster from 1774 to the twenty first century tragedy of the Kursk By examining many of the sinkings in considerable detail analyzing what went wrong and describing the attempts made to rescue the crew and the vessel Edwyn Gray traces the development of the submarine from the earliest experimental submersibles of the late eighteenth century to the nuclear powered monsters of today The appendices include the most comprehensive and accurate list of submarine disasters ever printed in the compilation of which the author has had the cooperation of the US French Italian Danish and Japanese navies as well as the RN Submarine Museum and the German U Boat Archive An invaluable reference book for naval historians and also a most fascinating read for the layman Journal of Military and Veterans Health Published in a previous edition as *Few Survived* **Atrocity, Deviance, and Submarine Warfare**

Nachman Ben-Yehuda,2013-07-15 In an era of changing ethics the submarine has inaugurated a new type of unrestricted naval warfare **Honor Killing** David E. Stannard,2006-05-02 In the fall of 1931 Thalia Massie the bored aristocratic wife of a young naval officer stationed in Honolulu accused six nonwhite islanders of gang rape The ensuing trial let loose a storm of racial and sexual hysteria but the case against the suspects was scant and the trial ended in a hung jury Outraged Thalia s socialite mother arranged the kidnapping and murder of one of the suspects In the spectacularly publicized trial that followed Clarence Darrow came to Hawai i to defend Thalia s mother a sorry epitaph to a noble career It is one of the most sensational criminal cases in American history Stannard has rendered more than a lurid tale One hundred and fifty years of oppression came to a head in those sweltering courtrooms In the face of overwhelming intimidation from a cabal of corrupt military leaders and businessmen various people involved with the case the judge the defense team the jurors a newspaper editor and the accused themselves refused to be cowed Their moral courage united the disparate elements of the non white community and galvanized Hawai i s rapid transformation from an oppressive white run oligarchy to the harmonic multicultural American state it became *Honor Killing* is a great true crime story worthy of Dominick Dunne both a sensational read and an important work of social history *Death at a Distance* Michael Sturma,2013-07-31 Only seven U S submariners earned the Medal of Honor in World War II Sam Dealey the USS Harder s commander was one of them His honor was awarded posthumously after the entire crew was lost off Bataan during a depth charge attack in August 1944 by a Japanese convoy The Harder s fighting spirit is legendary and its record of sinking a total of eighteen enemy ships

with a tonnage in excess of 55 000 made Dealey one of the top five submarine skippers in the war During a single patrol his crew sank five enemy destroyers in five short range torpedo attacks an unprecedented feat In addition the Harder played important roles in rescue missions extracting secret operatives deep in enemy territory and saving downed pilots Drawing on previously untapped sources Michael Sturma an Australian teaching at Murdoch University details several daring missions one that involved the heroic Australian commando Bill Jinkins and puts the Harder s action in the context of the overall Pacific campaign In do so the author adds not only significant information to the Harder s story but also provides a fresh perspective on the submarine war **The USS Flier** Michael Sturma,2008-02-15 The realities of WWII underwater warfare come to life in this chronicle of a submarine sunk in the Philippines and the remarkable sailors who survived The fate of the USS Flier is one of the most astonishing stories of the Second World War On August 13 1944 the submarine struck a mine and sank to the bottom of the Sulu Sea in less than one minute leaving only fourteen of its crew of eighty six hands alive After enduring eighteen hours in the water eight remaining survivors swam to a remote island controlled by the Japanese Deep behind enemy lines and without food or drinking water the crewmen realized that their struggle for survival had just begun Those eight sailors became the first Americans of the Pacific war to escape from a sunken submarine and return safely to the United States Their story of persistence and survival has all the elements of a classic World War II tale sudden disaster physical deprivation a ruthless enemy and a dramatic escape from behind enemy lines In *The USS Flier* noted historian Michael Sturma vividly recounts a harrowing story of brave men who lived to return to the service of their country

Subsmash Alan Gallop,2011-10-21 In April 1951 the disappearance of HM submarine Affray knocked news of the Korean War and Festival of Britain from the front pages Affray had put to sea on a routine peacetime simulated war patrol in the English Channel She radioed her last position at 2115hrs on 16 April 30 miles south of the Isle of Wight preparing to dive This was the last signal ever received from the submarine After months of searching divers eventually discovered Affray resting upright on the sea bottom with no obvious signs of damage to her hull Hatches were closed tight and emergency buoys were still in their casings It was obvious that whatever had caused Affray to sink and had ended the lives of all those on board had occurred quickly Sixty years later in this compelling maritime investigation Alan Gallop uses previously top secret documents interviews with experts and contemporary news sources to explore how and why Affray became the last British submarine lost at sea and possibly the greatest maritime mystery since the Marie Celeste *Kursk* Peter Truscott,2003-10-07 A gripping account of the Russian Navy s greatest peace time disaster the sinking of the nuclear submarine Kursk On August 12 2000 the Russian Navy experienced a devastating catastrophe as the nuclear powered Kursk submarine manned by a 118 member crew sank to the bottom of the Barents Sea Peter Truscott examines Russia s failure to respond to the crisis and explains this tragedy in *Kursk* providing countless interviews with relatives of the crew and experts The result is a fascinating vivid recreation of the terrible final hours of the crew as they waited in vain for rescue an
