A Few Words in the Mother Tongue Irena Klepfisz, 1990 Riding each evening through the echoing tunnels ep I've begun to believe in the existence of my own soul its frailty its ability to grow narrow ep small I've begun to understand what it means ep to be born mute to be born without hope of speech ep From Contexts Published by The Eighth Mountain Press 624 Southeast Avenue Portland OR 97214 3026 Annotation copyrighted by Book News Inc Portland OR The Cambridge Companion to Jewish American Literature Hana Wirth-Nesher, Michael P. Kramer, 2003-06-12 For more than two hundred years Jews have played important roles in the development of American literature The Cambridge Companion to Jewish American Literature addresses a wide array of themes and approaches to the distinct yet multifaceted body of Jewish American literature Essays examine writing from the 1700s to major contemporary writers such as Saul Bellow and Philip Roth Topics covered include literary history immigration and acculturation Yiddish and Hebrew literature popular culture women writers literary theory and poetics multilingualism the Holocaust and contemporary fiction This collection of specially commissioned essays by leading figures discusses Jewish American literature in relation to ethnicity religion politics race gender ideology history and ethics and places it in the contexts of both Jewish and American writing With its chronology and guides to further reading this volume will prove valuable to scholars and students alike Jews and Feminism Laura Levitt, 2013-09-05 By interrogating America's promise of a home for Jews as citizens of the liberal state Jews and Feminism questions the very terms of this social contract Maintaining that Jews women and Jewish women are not necessarily secure within this construction of the state Laura Levitt links this contractual construction of belonging and acceptance to legacies of marriage as a contractual home for Jewish women Exploring the immigration of Jews from Eastern Europe for America as well as their desire to make this country their permanent home Levitt raises questions about the search for stability in specific Jewish religious and cultural traditions which is linked to the liberal academy as well as feminist study thus offering an account of an ambivalent Jewish feminist embrace of America as home *Historical Dictionary of Lesbian Literature* Meredith Miller, 2006 This Historical Dictionary of Lesbian Literature serves two primary functions to provide further information to those already familiar with the field and to explain it to those discovering it for the first time A chronology provides a historical perspective an introduction gives a general yet detailed overview and the dictionary contains several hundred cross referenced entries on important writers such as Sappho Colette and Mary Wollstonecraft styles themes literary movement publishers and outstanding works of the genre Completed by an extensive bibliography this book examines the factors influencing the development of the lesbian identity as an interaction between readers and writers of all kinds of literature BOOK JACKET **Queer Expectations** Zohar Weiman-Kelman, 2018-11-30 Jewish women have had a fraught relationship with history struggling for inclusion while resisting their limited role as reproducers of the future In *Queer Expectations* Zohar Weiman-Kelman shows how Jewish women writers turned to poetry to write new histories

developing queer expectancy as a conceptual tool for understanding how literary texts can both invoke and resist what came before Bringing together Jewish women s poetry from the late nineteenth century the interwar period and the 1970s and 1980s Weiman Kelman takes readers on a boundary crossing journey through works in English Yiddish and Hebrew setting up encounters between writers of different generations locations and languages Queer Expectations highlights genealogical lines of continuity drawn by authors as diverse as Emma Lazarus Kadya Molodowsky Leah Goldberg Anna Margolin Irena Klepfisz and Adrienne Rich These poets push back against heteronormative imperatives of biological reproduction and inheritance opting instead for connections that twist traditional models of gender and history Looking backward in queer ways enables new histories to emerge intervenes in a troubled present and gives hope for unexpected futures

Connections and Collisions Lois E. Rubin, 2005-06 This anthology of scholarship on Jewish women writers is the first to focus on what it is to be a woman and a Jew and to explore how the two identities variously support and oppose each other The collection is part of a growing scholarship that reflects the enormous output of writing by Jewish women since the second wave of the women s movement in the 1970s Truth and Lamentation Milton Teichman, Sharon Leder, 1994 The

stories and poems in Truth and Lamentation written during and after the Holocaust reveal the human faces hidden behind the all too familiar statistics of the event International in scope this volume brings together 20 short stories and 90 poems commenting on the essentially incomprehensible nature of the Holocaust Milton Teichman and Sharon Leder have drawn from a remarkably varied range of writers representing nine languages and including both Jews and Gentiles The contributors include the well known and the as yet unknown A critical introduction places the selections within two broad categories of literary response to the Holocaust truth-telling and lamentation The first reflects the desire of writers to transmit multiple truths the second expresses sorrow and loss **Jewish Lesbian Scholarship in a Time of Change**

Marla Brettschneider, 2022-07-25 Jewish Lesbian Scholarship in a Time of Change is the first major work in Jewish lesbian studies in more than a decade Once a vibrant field few works in Jewish queer studies in recent years have looked at the experiences of and scholarship on Jewish women feminists and those identified as lesbians Correcting a twenty first century shift away from explicitly feminist investigations in Jewish queer and LGBTQ studies this work signals a new trend of scholarly works in the field The chapters span an array of genres presenting the rich diversity of Jewish lesbians as they are as well as of Jewish lesbian scholarship today This collection makes an innovative contribution to Jewish studies lesbian and queer studies gender studies as well as to racial and cultural diversity studies This book was originally published as a special issue of the Journal of Lesbian Studies Women and the Politics of Military Confrontation Nahla Abdo-Zubi, Ronit

Lentın, 2002 Extrait de la couverture As the crisis in Israel does not show any signs of abating this remarkable collection edited by an Israeli and a Palestinian scholar and with contributions by Palestinian and Israeli women offers a vivid and harrowing picture of the conflict and of its impact of daily life especially as it affects women s experiences that differ

significantly from those of men The auto biographical narratives in this volume focus on some of the most disturbing effects of the Israeli Palestinian conflict a sense of dislocation that goes well beyond the geographical meaning of the word it involves social cultural national and gender dislocation including alienation from one's own home family community and society The accounts become even more poignant if seen against the backdrop of the roots of the conflict the real or imaginary construct of a state to save and shelter particularly European Jews from the horrors of Nazism in parallel to the other side of the coin Israel as a settler colonial state responsible for the displacement of the Palestinian nation The Socialist Feminist Project Nancy Holmstrom, 2002-08 Socialist feminist theorizing is flourishing today This collection is intended to show its strengths and resources and convey a sense of it as an ongoing project with a vital role to play in struggles for emancipation from all forms of oppression and exploitation today Not every contribution to that project bears the same theoretical label but the writings collected here share a broad aim of understanding women's subordination in a way which integrates class and sex as well as aspects of women's identity such as race ethnicity and sexual orientation with the aim of liberating women Socialist Feminism brings together the most important recent socialist feminist writings on a wide range of topics sex and reproduction the family wage labor social welfare and public policy the place of sex and gender in politics and the philosophical foundations of socialist feminism Although focusing on recent writings the collection shows how these build on a struggle for women's liberation with earlier beginnings These writings demonstrate the range depth and vitality of contemporary social feminist debates They also testify to the distinctive capacity of this project to address issues in a way that embraces collective experience and action while at the same time enabling each person to speak in their own personal voice *Recovering "Yiddishland"* Merle L. Bachman, 2008-01-17 According to traditional narratives of assimilation in the bargain made for an American identity Jews freely surrendered Yiddish language and culture Or did they Recovering Yiddishland seeks to return readers to a threshold where Americanization also meant ambivalence and resistance It reconstructs Yiddishland as a cultural space produced by Yiddish immigrant writers from the 1890s through the 1930s largely within the sphere of New York Rejecting conventional literary history the book spotlights threshold texts in the unjustly forgotten literary project of these writers texts that reveal unexpected and illuminating critiques of Americanization Merle Lyn Bachman takes a fresh look at Abraham Cahan's Yekl and Anzia Yezierska's Hungry Hearts tracing in them a re-inscription of the Yiddish world that various characters seem to be committed to leaving behind She also translates for the first time Yiddish poems featuring African Americans that reflect the writers' confrontation with their passage as Jews into white identities Finally Bachman discusses the modernist poet Mikhl Likht whose simultaneous embrace of American literature and resistance to assimilating into English marked him as the supreme threshold poet Conscious of the risks of any postmodern post-assimilation attempt to recover the past Bachman invents the figure of the Yiddish student whose comments can reflect and keep in check the nostalgia and naivete of the returnee to Yiddish **Bearing Life** Rochelle Ratner, 2001-08

Ratner's premier literary anthology widens the family circle to embrace childless women and recognize their invaluable contributions to our collective soul

Survival on the Margins Eliyana R. Adler, 2020-11-17 Co winner of the Yad Vashem International Book Prize for Holocaust Research The forgotten story of 200 000 Polish Jews who escaped the Holocaust as refugees stranded in remote corners of the USSR Between 1940 and 1946 about 200 000 Jewish refugees from Poland lived and toiled in the harsh Soviet interior They endured hard labor bitter cold and extreme deprivation But out of reach of the Nazis they escaped the fate of millions of their coreligionists in the Holocaust *Survival on the Margins* is the first comprehensive account in English of their experiences The refugees fled Poland after the German invasion in 1939 and settled in the Soviet territories newly annexed under the Molotov Ribbentrop Pact Facing hardship and trusting little in Stalin most spurned the offer of Soviet citizenship and were deported to labor camps in unoccupied areas of the east They were on their own in a forbidding wilderness thousands of miles from home But they inadvertently escaped Hitler's 1941 advance into the Soviet Union While war raged and Europe's Jews faced genocide the refugees were permitted to leave their settlements after the Soviet government agreed to an amnesty Most spent the remainder of the war coping with hunger and disease in Soviet Central Asia When they were finally allowed to return to Poland in 1946 they encountered the devastation of the Holocaust and many stopped talking about their own ordeals their stories eventually subsumed within the central Holocaust narrative Drawing on untapped memoirs and testimonies of the survivors Eliyana Adler rescues these important stories of determination and suffering on behalf of new generations

American literature from the New York tenements that spawned Abraham Cahan's fiction to the Texas pump house that irrigated the fields in which the farm workers central to Gloria Anzald'a's poetry picked produce. Rather than just providing a cursory overview of these authors' achievements, acclaimed literary scholar and cultural historian Shelley Fisher Fishkin offers a deep and personal reflection on how key sites bore witness to the struggles of American writers and inspired their dreams. She probes the global impact of American writers' innovative art and also examines the distinctive contributions to American culture by American writers who wrote in languages other than English, including Yiddish, Chinese, and Spanish. Only a scholar with as wide-ranging interests as Shelley Fisher Fishkin would dare to bring together in one book writers as diverse as Gloria Anzald'a, Nicholas Black Elk, David Bradley, Abraham Cahan, S. Alice Callahan, Raymond Chandler, Frank Chin, Elizabeth Cook-Lynn, Countee Cullen, Frederick Douglass, Paul Laurence Dunbar, Jessie Fauset, William Faulkner, F. Scott Fitzgerald, Allen Ginsberg, Jovita Gonzalez, Rolando Hinojosa, Langston Hughes, Zora Neale Hurston, Lawson Fusao Inada, James Weldon Johnson, Erica Jong, Maxine Hong Kingston, Irena Klepfisz, Nella Larsen, Emma Lazarus, Sinclair Lewis, Genny Lim, Claude McKay, Herman Melville, N. Writing America reveals the alchemy through which American writers have transformed the world around them into art, changing their world and ours in the process.

Lesbian Rabbis Rebecca Trachtenberg Alpert, Ellen Sue Levi Elwell, Shirley Idelson, 2001. The office of rabbi is the most visible symbol of power and prestige in Jewish communities. Rabbis both interpret to their congregations the requirements of Jewish life and instruct congregants in how best to live this life. *Lesbian Rabbis: The First Generation* documents a monumental change in Jewish life as eighteen lesbian rabbis reflect on their experiences as trailblazers in Judaism's journey into an increasingly multicultural world. In frank and revealing essays, the contributors discuss their decisions to become rabbis and describe their experiences both at the seminaries and in their rabbinical positions. They also reflect on the dilemma whether to conceal or reveal their sexual identities to their congregants and superiors or to serve specifically gay and lesbian congregations. The contributors consider the tensions between lesbian identity and Jewish identity and inquire whether there are particularly lesbian readings of traditional texts. These essays also ask how the language of Jewish tradition touches the lives of lesbians and how lesbianism challenges traditional notions of the Jewish family. Today I am completely out personally and professionally and yet I have learned that the coming out process never ends. Even today I find myself in professional situations in which yet again I must reveal that I am a lesbian yet again I must prove myself worthy of functioning professionally in the straight world I still

encounter moments of awkwardness some hostility and some sense of exclusion as I negotiate the pathways of my professional life Rabbi Leila Gal Berner from *Lesbian Rabbis The First Generation*
