**The Fib** George Layton, 2012-12-13 I was sick of Gordon Barraclough Sick of his bullying And I was sick of him being a good footballer Listen Barraclough My uncle is Bobby Charlton You re a liar I was I m not Cross my heart and hope to die I spat on my hand If I d dropped down dead on the spot I wouldn t have been surprised Funny and moving a rare gift Guardian

The Fib, The Swap, The Trick and Other Stories George Layton, 2015-06-04 In The Fib The Swap and The Trick George Layton s collections of short stories evoke a nostalgic atmospheric view of growing up in the 1950s Now published together for the first time as a bind up The coach started to move off I felt frightened All these weeks looking forward to it and now I didn t want to go Please Mum let me go home She was running alongside waving her hanky and crying He d nagged his mother for weeks to let him go on the school exchange swapping his home in the backstreets of a northern town for a posh house in London With a proper family With a dad But now it was all going wrong *The Hidden Girl and Other Stories* Ken Liu, 2021-01-26 Includes stories featured in Pantheon now an animated series on AMC I know this is going to sound hyperbolic but when I m reading Ken Liu s stories I feel like I m reading a once in a generation talent I m in awe Jamie Ford New York Times bestselling author Captivating BuzzFeed Extraordinary The Washington Post Brilliant The Chicago Tribune With the release of The Paper Menagerie and Other Stories Ken Liu s short fiction has resonated with a generation of readers From stories about time traveling assassins to Black Mirror esque tales of cryptocurrency and internet trolling to heartbreaking narratives of parent child relationships The Hidden Girl and Other Stories is a far reaching work that explores topical themes from the present and a visionary look at humanity s future This collection includes a selection of Liu s speculative fiction stories over the past five years seventeen of his best plus a new novelette In addition it also features an excerpt from The Veiled Throne the third book in Liu s epic fantasy series The Dandelion Dynasty Stories include Ghost Days Maxwell s Demon The Reborn Thoughts and Prayers Byzantine Empathy The Gods Will Not Be Chained Staying Behind Real Artists The Gods Will Not Be Slain Altogether Elsewhere Vast Herds of Reindeer The Gods Have Not Died in Vain Memories of My Mother Dispatches from the Cradle The Hermit Forty Eight Hours in the Sea of Massachusetts Grey Rabbit Crimson Mare Coal Leopard A Chase Beyond the Storms an excerpt from The Veiled Throne Book 3 of the Dandelion Dynasty The Hidden Girl Seven Birthdays The Message Cutting *War Stories* Michael Morpurgo, 2020-04-02 Specially commissioned by Michael Morpurgo to mark the 60th anniversary of VE day this deeply moving collection features stories of war from the most well loved voices in children s literature including Michelle Magorian Celia Rees George Layton Robert Westall Joan Aiken Eva Ibbotson Geraldine McCaughrean and other top children s authors From World War II to the Crusades 1970s Beirut to the modern day Middle East these vivid stories explore wars throughout history They examine not only the immediate consequences of war but also what happens after the fighting is over Waiting for Peace War Stories was originally published as War Stories of Conflict **Railway Accident and other stories** Edward Upward, 2014-07-11 A legendary

figure among the Auden generation of young writers in the 1930s Edward Upward continued writing into his late nineties This selection of his best short stories spans a literary career of almost eight decades and was published to celebrate his centenary in 2003 Beginning in 1928 with the fantastical world of Mortmere in *The Railway Accident* the stories continue through the era of political engagement in the Thirties to the reflective and poignant studies of old age that have underpinned his revival in the past decade Together they represent a lifetime of achievement in modern literature

**The Dead and Other Stories** James Joyce, 2014-06-03 That James Joyce's *The Dead* forms an extraordinary conclusion to his collection *Dubliners* there can be no doubt But as many have pointed out *The Dead* may equally well be read as a novella arguably one of the finest novellas ever written *The Dead* a story of public life as Joyce categorized it was written more than a year after Joyce had finished the other stories in the collection and was meant to redress what he felt was their unnecessary harshness Set on the feast of the epiphany it is a haunting tale of connection and of alienation reflecting in the words of Stanislaus Joyce James's brother and confidant the nostalgic love of a rejected exile The present volume highlights *The Dead* for readers who wish to focus on that great work in a concise volume and for university courses in which it is not possible to cover all of *Dubliners* But it also gives a strong sense of how that story is part of a larger whole Stories from each of the other sections of *Dubliners* have been included and a wide range of background materials is included as well providing a vivid sense of the literary and historical context out of which the work emerged

**Classworks Fiction and Poetry Year 4** Julie Orrell, Eileen Jones, 2004 *Fiction and Poetry Texts* is part of a comprehensive series of teacher's resource books covering Reception to Year 6 *Classworks* takes teacher resources back to basics no filling no padding no waffle just all the nuts and bolts you need for great lessons built the way you want them

Tonkassette George Layton, 1978 *The Transformation and Other Stories* Franz Kafka, 1992 Presents a collection of short stories including *Meditation In the Penal Colony* and *The Judgement*

*After the War and Other Stories* Anwar Ridhwan, 2010

**The Dead and Other Stories - James Joyce** James Joyce, 2024-06-24 In a list published by an American specialized magazine which ranked the best short stories of the 20th century the story chosen as the best was *The Dead* by James Joyce and there are plenty of reasons for this choice *The Dead* is the final story in the volume *Dubliners* and differs from the other stories both in its greater length and its poetic intensity and symbolism The central theme here is the mortality of the human being which is suggested from the title But it encompasses much more than that The description of the New Year's Eve party is a clear example of Joyce's skill in depicting scenes highlighting aspects that seem of no importance The complexity that Joyce was able to infuse into his masterpiece *Ulysses* is well known but the story *The Dead* with its simplicity is proof of the enormous versatility and talent of this great writer

**The Cause of Humanity and Other Stories** Rudyard Kipling, 2019 Brings together for the first time Kipling's uncollected short stories many unknown in the West and some previously unpublished

*The jealousies of a country town, The thirteen and other stories* Honoré de Balzac, 1899

*Corporal Sam and Other Stories* Sir Arthur Thomas

Quiller-Couch,2020-09-28 To begin with after being ordered for one day July 23rd it had been deferred to the next on reasonable grounds indeed for the town immediately behind the great breach was burning like a furnace but it gave the troops an uneasy feeling that their leaders were distracted in counsel Nor divided by the river did the artillery and the stormers work upon a mutual understanding The heavy cannon after a short experiment to the left of the great breach had shifted their fire to the right of it and had succeeded in knocking a practicable hole in it before dusk But either this change of plan had not been reported to the trenches or the officer directing the assault inexplicably failed to adapt his dispositions to it The troops for the great breach were filed out ahead of the 38th which had farther to go Worst of all they were set in motion an hour before dawn although Wellington had left orders that fair daylight should be waited for and the artillery men across the Urumea were still plying their guns on the sea wall to dissuade the besieged from repairing it in the darkness To be sure a signal for the assault the firing of a mine against the hornwork had been concerted and was duly given but in the din and the darkness it was either not heard or not understood Thus it happened that the forlorn hope and the supporting companies of the Royals had no sooner cleared the trenches than their ranks shook under a fire of grape and from our own guns There was no cure but to dash through it and take the chances and Major Frazer waving his sword called on his men to follow him at the double Ahead of them along the foot of the sea wall the receding tide had left a strip of strand foul with rock and rock pools and patches of seaweed dark and slippery Now and again a shell burst and illuminated these patches or the still dripping ooze twinkled under flashes of musketry from the wall above for the defenders had hurried to the parapet and flanking towers and their fire already crackled the whole length of the strand *Corporal Sam and Other Stories* Arthur
