Fictional Transfiguration Of Jesus:

Fictional Transfigurations of Jesus Theodore Ziolkowski, 2002-04-12 Many novels revolve round the figure of Jesus Some of the finest of them are defined by Ziolkowski as fictional transfigurations of Jesus They share a modern hero patterned on Jesus the culture hero whose life consisted of the motifs of the last supper lonely agony betrayal trial and crucifixion The aesthetic challenge of adapting this most familiar story for their generation has attracted an unusual number of great writers among them Papini Kazantzakis Hesse Mann Greene Faulkner and Gore Vidal The form began with the new image of a humanized Jesus which developed in the 19th century The interest in religious paranoia and hysteria at the turn of the century instantly expanded its potentialities as novelists began to explore the theme of christomania This was followed by studies of Jesus as a mythic figure and then Marxist oriented portraits of Comrade Jesus Finally the form became inverted into parody in the Fifth Gospels in which not Jesus but Judas is the central figure Re-Writing Jesus: Christ in 20th-Century Fiction and Film Graham Holderness, 2014-11-20 At the heart of Christian theology lies a paradox unintelligible to other religions and to secular humanism that in the person of Jesus God became man and suffered on the cross to effect humanity's salvation In his dual nature as mortal and divinity and unlike the impassable God of other monotheisms Christ thus became accessible to artistic representation Hence the figure of Jesus has haunted and compelled the imagination of artists and writers for 2 000 years This was never more so than in the 20th Century in a supposedly secular age when the Jesus of popular fiction and film became perhaps more familiar than the Christ of the New Testament In Re Writing Jesus Christ in 20th Century Fiction and Film Graham Holderness explores how writers and film makers have sought to recreate Christ in work as diverse as Anthony Burgess's *Man of Nazareth* and Jim Crace's *Quarantine* to Martin Scorsese's *The Last Temptation of Christ* and Mel Gibson's *Passion of the Christ* These works are set within a longer and broader history of Jesus novels and Jesus films a lineage traced back to Ernest Renan and George Moore and explored both for their reflections of contemporary Christological debates and their positive contributions to Christian theology In its final chapter the book draws on the insights of this tradition of Christological representation to creatively construct a new life of Christ an original work of theological fiction that both subsumes the history of the form and offers a startlingly new perspective on the biography of Christ **The Shape of Apocalypse in Modern Russian Fiction** David M. Bethea, 2014-07-14 David Bethea examines the distinctly Russian view of the end of history in five major works of modern Russian fiction Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Myth and Ideology in Contemporary Brazilian Fiction* Daphne Patai, 1983 Analyzing the

thematic and formal characteristics of six contemporary Brazilian novels this study explores the use of myth and its ideological implications The writers examined are Maria Alice Barroso Clarice Lispector Jorge Amado Carlos Heitor Cony Adonias Filho and Autran Dourado **Jews in Russian Literature After the October Revolution** Efraim

Sicher,1995-12-07 This work is an innovative and controversial study of how four famous Jews writing in Russian in the early Soviet period attempted to resolve the conflict between their cultural identity and their place in Revolutionary Russia Babel Mandelstam Pasternak and Ehrenburg struggled in very different ways to form creative selves out of the contradictions of origins outlook and social or ideological pressures Efraim Sicher also explores the broader context of the literature and art of the Jewish avant garde in the years immediately preceding and following the Russian Revolution By comparing literary texts and the visual arts the author reveals unexpected correspondences in the response to political and cultural change This study contributes to our knowledge of an important aspect of modern Russian writing and will be of interest to both Jewish scholars and those concerned with Slavonic studies **Forms of Myth in Contemporary Brazilian Fiction** Daphne Patai,1977

Ramey,2013-07-10 For

almost two millennia Jesus story has been retold in various forms and fashions but in the last century a new way of reimagining the man from Galilee and rewriting the canonical Gospels has sprung up in the form of Jesus novels While the novels themselves are as varied as their authors this work aims at introducing readers to some common literary strategies and theological agendas found in this rewriting phenomenon by surveying a few prominent examples It also explores the question of what happens when we examine the intertextual play between these Gospel rewrites and their Gospel progenitors as we allow these contemporary novels to pose new questions to their ancient counterparts An intriguing hermeneutical circle ensues as we embark on our quest for the fictional Jesus and accompany his incarnations as they lead us back to reexamine the canonical portraits of Jesus anew **Jesus Incognito** Martien E. Brinkman,2013 In this book Martien

Brinkman explores the Jesus incognito as found in Western film literature and the visual arts since 1960 His interest here is focused primarily on indirect references to the Jesus figure To his surprise he found an abundance of allusions to Jesus in key figures in modern art This confirmed his view that film literature and the visual arts make a substantial contribution even in secular Western culture to continuing reflection on Jesus significance Brinkman finds important characteristics of a hidden

Christ in films by Gabriel Axel Ingmar Bergman Krzysztof Kieslowski and Lars von Trier novels by Peter De Vries J M Coetzee and Arnon Grunberg poems by Les Murray and Czeslaw Milosz and paintings by Andy Warhol Harald Duwe and Frans Franciscus He defines a hidden Christ as a fictional human individual who can be seen as a new embodiment of the meaning that can be attributed in the present to the biblical figure of Jesus The hidden Christ is therefore a contemporized Jesus figure This book will be of interest for everyone who shares Brinkman's quest for this Jesus incognito **Broken Hallelujah** Darren J. N. Middleton, 2007-01-01 Marking the fiftieth anniversary of Kazantzakis's death author Darren J N Middleton looks back on Kazantzakis's life and literary art to suggest that contrary to popular belief Kazantzakis and his views actually comport with the ideals of Christianity **The Bible in Folklore Worldwide** Eric Ziolkowski, 2023-12-31 The Bible in Folklore Worldwide a two volume illustrated Handbook provides readers with original studies of the reception of the Bible in the folklores of different cultures around the world This second volume focuses on biblically derived characters tales and motifs in Asian African Oceanic and American cultures **LUCIANITY** John Byer, 2021-03-30 Lucianity the Perverse Religion of Christians is a book about the hidden history of the New Testament where it not only reveals the scripture's mysterious origin but also its very unique and clandestine creation In this book the reader will learn that Christianity the religion that people sincerely believe and practice today is not the religion of Christ Instead it is the religion of an overzealous disciple who was able to gain possession of every gospel and almost every epistle in addition to most of the other manuscripts related to early church affairs and then after the death of the apostolic authors edit and rewrite them to reflect his peculiar religious beliefs and philosophy For instance he conflated Jesus with God and called him Lord That disciple is identified as Lucius the Bishop of Cyrene who unfortunately never understood the spiritual nature of man the spiritual resurrection of Christ or the purpose for why God sent Christ on a mission to Earth As a consequence of ignorance and the lack of understanding by Lucius man has unknowingly accepted the false and unorthodox beliefs of Lucianity which have been incorporated into the creeds gospels epistles and a host of other bible related documents This newly discovered information was deciphered by a seasoned detective when he deconstructed the 2000 year old biblical scripture line by line and verse by verse All Christians who number in the billions today will be stunned and perplexed by his findings especially all the ministers who promote the Bible as the true word of God Some of it is and some of it isn't nevertheless this book identifies God's true word in Isaiah and Daniel and it even illustrates the exactness and preciseness of His word plus other prophetic scripture by the use of numerous exhibits since the detective believes a picture is worth a 1000 words Christ flipped over the tables of the money changers signifying the coming end to the desolation that existed in the Jewish Temple In like manner the detective has upset an applecart full of false beliefs which will hopefully awaken people to the realization of Lucianity or modern day desolation and usher in the resurrection of true Christianity Christians will learn the unvarnished truth about their ascribed beliefs for probably the first time in 2000 years and more particularly how they have been

bamboozled and conned by a very clever disciple The Bible is the most sold and most read book in the entire world and yet not a single person in the world has recognized the fact that at least 75% of the scripture in the New Testament is really the prodigious work of a secretive behind the scenes apostolic era Bishop In his writings Lucius used ancient manuscripts and even a book by Flavius Josephus to write various gospel chapters not the spoken words of Jesus While looking over the Detective s shoulder the reader will see and learn exactly how he identified all the fraud implanted into the pages of the Bible via easy to understand scriptural analysis and a variety of exhibits As such reading the New Testament is generally a waste of time unless one has the persistence capability and patience to do a thorough time consuming focused multi year forensic exam like the one contained inside the pages of the book Lucianity No similar criminal investigation of the Bible has ever been completed and no similar book exists If a person is searching for just the facts regarding their Christian faith then the Detective assures all seekers of truth that they will know more about the Bible God Moses Isaiah Daniel and Christ i e the Anointed One of God after reading Lucianity than they ever will by reading Biblical scripture And more importantly if they truly understand the message of Jesus Christ as revealed within the pages of this book they should also learn something about themselves no matter their status rank position race or sex their incarnation is not an accident of nature but a self chosen deliberate purposeful spiritual event Just like Christ every man woman and child has come to Earth in order to fulfill a spiritual mission not to fulfill a short sighted worldly aspiration for material goods and wealth **Novel Theology** Darren J. N. Middleton,2000 Literature and theology constantly de construct each other Suggesting that this de constructive assignment is one that cannot but be in process itself Middleton returns to it throughout his study **Approaching the Theater of Antonio Buero Vallejo** Eric Wayne Pennington,2010 Eric W Pennington s book the latest and one of the best on Buero Vallejo s theater thoughtfully frames careful analyses with the major theoretical approaches of the last half century Pennington s knowledge of those theories and his insights into the various artistic influences on Buero s plays are remarkably thorough Of particular note also is his intelligent even literary prose the perfect vehicle for evoking the artistic nuance historical detail and human impact of Buero s compelling dramatic achievements Dr Robert L Nicholas Professor Emeritus of Spanish University of Wisconsin Madison **The Risen Adam** Virginia Hyde,1992 Showing Lawrence s familiarity with biblical typology from both written and visual sources Virginia Hyde explores its many ironic and paradoxical versions in his works She demonstrates his use of typological precursors of Christ such as Adam and David Moses and Aaron and his development of a coherent cosmology centered on the cross and the Tree of Life These features often take on radically revisionist meanings when informed by Lawrence s interests in theosophy and occult lore Hyde fully recognized Lawrence s intensely dynamic style and examines the ways in which he works creatively with his models Hyde sheds new light on Lawrence s leadership views linking them to patriarchal assumptions inherent in biblical typology She utilizes manuscripts and sketches as well as his traditional works to show that a complex form of biblical symbolism affects both his form and

content in unexpected ways His symbols are often traceable to iconographic models with typological significance The Risen Adam includes pioneering treatments of the first Quetzalcoatl the 1923 version of The Plumed Serpent so different in part from the final novel as to form a separate creative effort Hyde also offers provocative new readings of The Rainbow Women in Love Aaron s Rod The Border Line The Plumed Serpent David The Man Who Died Birds Beasts and Flowers and other works The book is illustrated with artwork by Lawrence and with examples of the medieval and other iconography he knew

Those Outside George Aichele, Richard G. Walsh, 2005-11-08 Uses film and literature to engage the biblical texts and demonstrates the ways that the boundaries of canons are artificial and unhelpful Contemporary Fiction and Christianity

Andrew Tate, 2010-10-12 **Typologies in England, 1650-1820** Paul J. Korshin, 2014-07-14 Professor Korshin delineates the development of typology from the theological to the secular sphere through a study of abstracted typology or types that writers transferred from their customary religious contexts and put into various genres of literature from poetry and fables to novels and histories Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **T.F.
