Fictions Of Discourse:

Fictions of Discourse Patrick O'Neill, 1994 **Discourses of Desire** Linda Kauffman, 2019-06-30 In *Discourses of Desire* Linda S Kauffman looks at a neglected genre the love letters written by literary heroines Tracing the development of the genre from Ovid to the twentieth century novel Kauffman explores through provocative and incisive readings the important implications of these amatory discourses for an understanding of fictive representation in general Among the texts Kauffman treats are Ovid's *Heroides* Heloise's letters to Abelard The Letters of a Portuguese Nun Clarissa Jane Eyre The Turn of the Screw Absalom Absalom and The Three Marias New Portuguese Letters Drawing on the work of such theorists as Todorov Genette Barthes Bakhtin Lacan and Derrida Kauffman demonstrates how the codes of love shape intertextual dialogues among these works in which each innovation in the genre is simultaneously a response to and a departure from the one preceding it Throughout she pays particular attention to the unsettling questions that the genre's shared thematic preoccupations and formal characteristics pose for concepts of gender authorship genre and mimesis Drawing on poststructuralism and psychoanalytic criticism to extend the boundaries of feminist theory Kauffman makes a significant contribution to contemporary critical discussions of writing and gender mimesis and narrative discourse and poetics and politics Her book broad in its scope and far reaching in its implications will be valuable reading for anyone interested in feminist criticism literary theory and literary history

Factual Fictions Lennard J. Davis, 1997-01-29 Nowadays most readers take the intersection between fiction and fact for granted We've developed a faculty for pretending that even the most bizarre literary inventions are for the nonce real The value of Davis's book is that it explores the h Jacques Lacan and Feminist Epistemology Kirsten Campbell, 2004 Using Lacanian psychoanalysis as a starting point Campbell examines contemporary feminism's turn to accounts of feminist knowing to create new conceptions of the political Parables of Fiction: a Memorial Discourse on Charles Dickens James Panton Ham (the Elder.), 1870 **Black Male Fiction and the Legacy of Caliban** James W. Coleman, 2021-12-14 With *The Tempest*'s Caliban Shakespeare created an archetype in the modern era depicting black men as slaves and savages who threaten civilization As contemporary black male fiction writers have tried to free their subjects and themselves from this legacy to tell a story of liberation they often unconsciously retell the story making their heroes into modern day Calibans Coleman analyzes the modern and postmodern novels of John Edgar Wideman Clarence Major Charles Johnson William Melvin Kelley Trey Ellis David Bradley and Wesley Brown He traces the Caliban legacy to early literary influences primarily Ralph Ellison and then deftly demonstrates its contemporary manifestations This engaging study challenges those who argue for the liberating possibilities of the postmodern narrative as Coleman reveals the pervasiveness and influence of Calibanic discourse At the heart of James Coleman's study is the perceived history of the black male in Western culture and the traditional racist stereotypes indigenous to the language Calibanic discourse Coleman argues so deeply and subconsciously influences the texts of black male writers that they are

unable to cast off the oppression inherent in this discourse Coleman wants to change the perception of black male writers struggle with oppression by showing that it is their special struggle with language Black Male Fiction and the Legacy of Caliban is the first book to analyze a substantial body of black male fiction from a central perspective

Licentious Fictions Daniel Poch, 2019-12-24 Nineteenth century Japanese literary discourse and narrative developed a striking preoccupation with *nin* literally human emotion but often used in reference to amorous feeling and erotic desire For many writers and critics fiction's capacity to foster both licentiousness and didactic values stood out as a crucial source of ambivalence Simultaneously capable of inspiring exemplary behavior and a dangerous force transgressing social norms *nin* became a focal point for debates about the role of the novel and a key motor propelling narrative plots In *Licentious Fictions* Daniel Poch investigates the significance of *nin* in defining the literary modernity of nineteenth century Japan He explores how cultural anxieties about the power of literature in mediating emotions and desire shaped Japanese narrative from the late Edo through the Meiji period Poch argues that the Meiji novel instead of superseding earlier discourses and narrative practices surrounding *nin* complicated them by integrating them into new cultural and literary concepts He offers close readings of a broad array of late Edo and Meiji period narrative and critical sources examining how they shed light on the great intensification of the concern surrounding *nin* In addition to proposing a new theoretical outlook on emotion *Licentious Fictions* challenges the divide between early modern and modern Japanese literary studies by conceptualizing the nineteenth century as a continuous literary historical space

Suspended Fictions Lucille Kerr, 1987 The SAGE Handbook of Feminist Theory Mary Evans, Clare Hemmings, Marsha Henry, Hazel Johnstone, Sumi Madhok, Ania Plomien, Sadie Wearing, 2014-08-12 At no point in recorded history has there been an absence of intense and heated discussion about the subject of how to conduct relations between women and men This Handbook provides a comprehensive guide to these omnipresent issues and debates mapping the present and future of thinking about feminist theory The chapters gathered here present the state of the art in scholarship in the field covering Epistemology and marginality Literary visual and cultural representations Sexuality Macro and microeconomics of gender Conflict and peace The most important consensus in this volume is that a central organizing tenet of feminism is its willingness to examine the ways in which gender and relations between women and men have been and are organized The authors bring a shared commitment to the critical appraisal of gender relations as well as a recognition that to think theoretically is not to detach concerns from lived experience but to extend the possibilities of understanding With this focus on theory and theorizing about the world in which we live this Handbook asks us across all disciplines and situations to abandon our taken for granted assumptions about the world and interrogate both the origin and the implications of our ideas about gender relations and feminism It is an essential reference work for advanced students and academics not only of feminist theory but of gender and sexuality across the humanities and social sciences

Postmodernist Fiction Brian McHale, 2003-09-02 In this trenchant and lively study Brian McHale

undertakes to construct a version of postmodernist fiction which encompasses forms as wide ranging as North American metafiction Latin American magic realism the French New Novel concrete prose and science fiction Considering a variety of theoretical approaches including those of Ingarden Eco Dolezel Pavel and Hrushovski McHale shows that the common denominator is postmodernist fiction's ability to thrust its own ontological status into the foreground and to raise questions about the world or worlds in which we live Exploiting various theoretical approaches to literary ontology those of Ingarden Eco Dolezel Pavel Hrushovski and others and ranging widely over contemporary world literature McHale assembles a comprehensive repertoire of postmodernist fiction's strategies of world making and unmaking

Legal Fictions in Theory and Practice Maksymilian Del Mar, William Twining, 2015-03-11 This multi disciplinary multi jurisdictional collection offers the first ever full scale analysis of legal fictions Its focus is on fictions in legal practice examining and evaluating their roles in a variety of different areas of practice e g in Tort Law Criminal Law and Intellectual Property Law and in different times and places e g in Roman Law Rabbinic Law and the Common Law The collection approaches the topic in part through the discussion of certain key classical statements by theorists including Jeremy Bentham Alf Ross Hans Vaihinger Hans Kelsen and Lon Fuller The collection opens with the first ever translation into English of Kelsen's review of Vaihinger's *As If* The 17 chapters are divided into four parts 1 a discussion of the principal theories of fictions as above with a focus on Kelsen Bentham Fuller and classical pragmatism 2 a discussion of the relationship between fictions and language 3 a theoretical and historical examination and evaluation of fictions in the common law and 4 an account of fictions in different practice areas and in different legal cultures The collection will be of interest to theorists and historians of legal reasoning as well as scholars and practitioners of the law more generally in both common and civil law traditions

Fiction's Inexhaustible Voice Stephen M. Ross, 1989 William Faulkner recognized voice as one of the most distinctive and powerful elements in fiction when he delivered his Nobel Prize acceptance speech describing the last sound at the end of the world as man's puny inexhaustible voice still talking As a testimonial of an artist's faith in his art the speech raised the value of voice to its highest reach for man as one of the props the pillars to help him endure and prevail In *Fiction's Inexhaustible Voice* Stephen Ross explores the nature of voice in William Faulkner's fiction by examining the various modes of speech and writing that his texts employ Beginning with the proposition that voice is deeply involved in the experience of reading Faulkner Ross uses theoretically grounded notions of voice to propose new ways of explaining how Faulkner's novels and stories express meaning showing how Faulkner used the affective power of voice to induce the reader to forget the silent and originless nature of written fiction Ross departs from previous Faulkner criticism by proceeding not text by text or chronologically but by construction a workable taxonomy which defines the types of voice in Faulkner's fiction phenomenal voice a depicted event or object within the represented fictional world mimetic voice the illusion that a person is speaking psychic voice one heard only in the mind and overheard only through fiction's omniscience and oratorical voice an overtly intertextual voice

which derives from a discursive practice Southern oratory recognizable outside the boundaries of any Faulkner text and identifiable as part of Faulkner's biographical and regional heritage In Faulkner's own experience listening was important As he once confided to Malcolm Cowley I listen to the voices and when I put down what the voices say it's right In *Fiction's Inexhaustible Voice* Ross conducts a careful analysis of this fundamental source of power in Faulkner's fiction concluding that the preponderance of voice imagery represented talking verbalized thought and oratorical rhetoric and posturing makes the novels and stories fundamentally vocal They derive their energy from the play of voices on the imaginative field of written language

Science Fiction Audiences Henry Jenkins, John Tulloch, 2005-07-25 *Science Fiction Audiences* examines the astounding popularity of two television institutions the series *Doctor Who* and *Star Trek* Both of these programmes have survived cancellation and acquired an following that continues to grow The book is based on over ten years of research including interviews with fans and followers of the series In that period though the fans may have changed and ways of studying them as audiences may have also changed the programmes have endured intact with *Star Trek* for example now in its fourth television incarnation John Tulloch and Henry Jenkins dive into the rich fan culture surrounding the two series exploring issues such as queer identity fan meanings teenage love of science fiction and genre expectations They encompass the perspectives of a vast population of fans and followers throughout Britain Australia and the US who will continue the debates contained in the book along with those who will examine the historically changing range of audience theory it presents and continue to attract a huge community of fans and followers *Doctor Who* has appeared in nine different guises and *Star Trek* is now approaching its fourth television incarnation *Science Fiction Audiences* examines the continuing popularity of two television institutions of our time through their fans and followers Through dialogue with fans and followers of *Star Trek* and *Dr Who* in the US Britain and Australia John Tulloch and Henry Jenkins ask what it is about the two series that elicits such strong and active responses from their audiences Is it their particular intervention into the SF genre Their expression of peculiarly American and British national cultures Their ideologies and visions of the future or their conceptions of science and technology *Science Fiction Audiences* responds to a rich fan culture which encompasses debates about fan aesthetics teenage attitudes to science fiction queers and *Star Trek* and ideology and pleasure in *Doctor Who* It is a book written both for fans of the two series who will be able to continue their debates in its pages and for students of media and cultural studies offering a historical overview of audience theory in a fascinating synthesis of text context and audience study

The Musicalization of Fiction Werner Wolf, 2023-12-11 This volume is a pioneering study in the theory and history of the imitation of music in fiction and constitutes an important contribution to current intermediality research Starting with a comparison of basic similarities and differences between literature and music the study goes on to provide outlines of a general theory of intermediality and its fundamental forms in which a more specialized theory of the musicalization of narrative literature based on contemporary narratology and a typology of the forms of musico literary intermediality are

embedded It also addresses the question of how to recognize a musicalized fiction when reading one and why Sterne's Tristram Shandy contrary to what has been previously said is not to be regarded as a musicalized fiction In its historical part the study explores forms and functions of experiments with the musicalization of fiction in English literature After a survey of the major preconditions for musicalization the increasing appreciation of music in 18th and 19th century aesthetics and its main causes exemplary fictional texts from romanticism to postmodernism are analyzed Authors interpreted are De Quincey Joyce Woolf A Huxley Beckett Burgess and Josipovici Whilst the limitations of a transposition of music into fiction remain apparent experiments in this field yield valuable insights into mainly a mimetic and formalist aesthetic tendencies in the development of more recent fiction as a whole and also show to what extent traditional conceptions of music continue to influence the use of this medium in literature The volume is of relevance for students and scholars of English comparative and general literature as well as for readers who take an interest in intermediality or interart research Narration in the Fiction Film David Bordwell, 2013-09-27 First Published in 1987 Routledge is an imprint of Taylor Francis an informal company **Fictions of Language and the Languages of Fiction** Monika Fludernik, 1993 Fludernik provides a detailed analysis of free indirect discourse as it relates to narrative theory and the crucial problematic of how speech and thought are represented in fiction She opens up a new set of questions in narrative theory **Why Fiction Matters in Contemporary China** David Der-wei Wang, Dewei Wang, 2020-11-14 Contemporary discussions of China tend to focus on politics and economics giving Chinese culture little if any attention Why Fiction Matters in Contemporary China offers a corrective revealing the crucial role that fiction plays in helping contemporary Chinese citizens understand themselves and their nation Where history fails to address the consequences of man made and natural atrocities David Der Wei Wang argues fiction arises to bear witness to the immemorial and unforeseeable Beginning by examining President Xi Jinping's call in 2013 to tell the good China story Wang illuminates how contemporary Chinese cultural politics have taken a fictional turn which can trace its genealogy to early modern times He does so by addressing a series of discourses by critics within China including Liang Qichao Lu Xun and Shen Congwen as well as critics from the West such as Arendt Benjamin and Deleuze Wang highlights the variety and vitality of fictional works from China as well as the larger Sinophone world ranging from science fiction to political allegory erotic escapade to utopia and dystopia The result is an insightful account of contemporary China one that affords countless new insights and avenues for understanding **Reading Daughters' Fictions 1709-1834** Caroline Gonda, 1996-03-14 It has been argued that the eighteenth century witnessed a decline in paternal authority and the emergence of more intimate affectionate relationships between parent and child In Reading Daughters' Fictions Caroline Gonda draws on a wide range of novels and non literary materials from the eighteenth and early nineteenth centuries in order to examine changing representations of the father daughter bond She shows that heroine centred novels aimed at a predominantly female readership had an important part to play in female socialization and the construction of

heterosexuality in which the father daughter relationship had a central role Contemporary diatribes against novels claimed that reading fiction produced rebellious daughters fallen women and nervous female wrecks Gonda s study of novels of family life and courtship suggests that far from corrupting the female reader such fictions helped to maintain rather than undermine familial and social order [The International Fiction Review](#) ,1997 **Science Fiction and Innovation**

Design Thomas Michaud,2020-10-07 Science fiction is often presented as a source of utopia or even of prophecies used in capitalism to promote social political and technoscientific innovations Science Fiction and Innovation Design assesses the validity of this approach by exploring the impact this imaginary world has on the creativity of engineers and researchers Companies seek to anticipate and predict the future through approaches such as design fiction mobilizing representations of science fiction to create prototypes and develop scenarios relevant to organizational strategy The conquest of Mars or the weapons of the future are examples developed by authors to demonstrate how design innovation involves continuous dialogue between multiple players from the scientist to the manager through to the designers and the science fiction writers

Fictions Of Discourse Introduction

In today's digital age, the availability of Fictions Of Discourse books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fictions Of Discourse books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fictions Of Discourse books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fictions Of Discourse versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fictions Of Discourse books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fictions Of Discourse books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fictions Of Discourse books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Fictions Of Discourse books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fictions Of Discourse books and manuals for download and embark on your journey of knowledge?

FAQs About Fictions Of Discourse Books

1. Where can I buy Fictions Of Discourse books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
