**Fiddlehead Greens** Roger Ploude,1977      Fiddlehead Greens Roger Ploude,Michael Taylor,1979      **Forgotten** Marlene Goldman,2017-11-07 Since the 1860s long before scientists put a name to Alzheimer s disease Canadian authors have been writing about age related dementia Originally most of these stories were elegies designed to offer readers consolation Over time they evolved into narratives of gothic horror in which the illness is presented not as a normal consequence of aging but as an apocalyptic transformation Weaving together scientific cultural and aesthetic depictions of dementia and Alzheimer s disease *Forgotten* asserts that the only crisis associated with Canada s aging population is one of misunderstanding Revealing that turning illness into something monstrous can have dangerous consequences Marlene Goldman seeks to identify the political and social influences that have led to the gothic disease model and its effects on society Examining the works of authors such as Alice Munro Michael Ignatieff Jane Rule and Caroline Adderson alongside news stories and medical and historical discussions of Alzheimer s disease Goldman provides an alternative person centred perspective to the experiences of aging and age related dementia Deconstructing the myths that have transformed cognitive decline into a corrosive fantasy *Forgotten* establishes the pivotal role that fictional and non fictional narratives play in cultural interpretations of disease      *As Birds Bring Forth the Sun and Other Stories* Alistair MacLeod,2010-12-10 The superbly crafted stories collected in Alistair MacLeod s *As Birds Bring Forth the Sun and Other Stories* depict men and women acting out their own peculiar mortality against the haunting landscape of Cape Breton Island In a voice at once elegiac and life affirming MacLeod describes a vital present inhabited by the unquiet spirits of a Highland past invoking memory and myth to celebrate the continuity of the generations even in the midst of unremitting change His second collection *As Birds Bring Forth the Sun and Other Stories* confirms MacLeod s international reputation as a storyteller of rare talent and inspiration      **The Fiddlehead** Kent Thompson,1996      *Cape Bretoniana* Beaton Institute of Cape Breton Studies,2005-01-01 Nova Scotia s Cape Breton Island is a beautiful region with a unique community whose history and ethnic composition have resulted in the evolution of a powerful sense of identity and place While outsiders may think only of the island s perennial economic woes and long economic dependence on coal mining and steel production it is also the home of a rich vibrant and distinct culture Brian Douglas Tennyson s *Cape Bretoniana* is the first bibliography to gather together all known publications relating to the history culture economy and politics of Cape Breton Island With more than 6000 entries it not only provides a comprehensive listing of publications and post graduate theses but also detailed annotations on the listings Each entry lists the author title place of publication publisher date of publication volume and issue number in the case of periodicals and page references followed by a brief description of the item Cape Breton has never been so thoroughly documented This bibliography will help to ensure that even in a world becoming increasingly homogenized by the forces of globalization unique cultural identities like Cape Breton s can be preserved and nurtured      **Fiddlehead Gold** Sabine

Campbell, Roger Ploude, Demetres P. Tryphonopoulos, 1995      *W.L. Mackenzie King*, 1998-12-15 This comprehensive bibliography on William Lyon Mackenzie King the most prominent Canadian politician in the first half of the twentieth century will be an invaluable reference tool for researchers in archives and libraries as well as for political scientists historians journalists and book collectors In this volume Henderson provides comprehensive lists of books articles and other material written by King or about him and his era and includes a series of appendices relating to studies on King and miscellaneous material pertaining to his life and career In addition Henderson provides a list of unsigned articles by King that appeared in newspapers and periodicals and of sound recordings and motion picture footage relating to him Finally he identifies all forewords and prefaces written by King plays written about him and books and poems dedicated to him      **The Fiddlehead Moment** Tony Tremblay, 2019-12-05 For many Canadians the small province of New Brunswick on Canada's scenic east coast is a nice place to visit but no place to live plagued for generations by outmigration and economic stagnation In *The Fiddlehead Moment* Tony Tremblay challenges this potent stereotype by showcasing the work of a group of literary modernists who set out to change the meaning of New Brunswick in the national lexicon Alfred Bailey Desmond Pacey Fred Cogswell and a formidable group of local poets and cultural workers collectively New Brunswick's Fiddlehead School sought to restore New Brunswick's literary reputation by adapting avant garde modernist practices to the contours of the province opening it to the contemporary world while also encouraging writers to make it their subject The result was a non urban form of modernism that was as responsive to technical innovation as to the human geographies of New Brunswick By placing New Brunswick writers and critics at the forefront of Canadian literature in the midcentury modernist project Tremblay adds an important new chapter to our understanding of Canadian modernism *The Fiddlehead Moment* is the first critical examination of this group's considerable influence Whether through Bailey's ethnomethodology Pacey's critical ordering or Cogswell's editorial eclecticism in the Fiddlehead magazine and Fiddlehead Poetry Books authors in New Brunswick Tremblay argues had a profound impact on writing in Canada      *Canadian Materials*, 1979 An awareness list for school resource centres of print and nonprint materials      *Canadian Literature*, 1981      *In Search of Canadian Materials*, 1979      **Literary Presses in Canada, 1975-1985** Dalhousie University.
