Fiddlehead Republic:

The Fiddlehead Republic Nicholas Catanoy, 1978-01-01 *The Fiddlehead Moment* Tony Tremblay, 2019-12-05 For many Canadians the small province of New Brunswick on Canada's scenic east coast is a nice place to visit but no place to live plagued for generations by outmigration and economic stagnation In *The Fiddlehead Moment* Tony Tremblay challenges this potent stereotype by showcasing the work of a group of literary modernists who set out to change the meaning of New Brunswick in the national lexicon Alfred Bailey Desmond Pacey Fred Cogswell and a formidable group of local poets and cultural workers collectively New Brunswick's Fiddlehead School sought to restore New Brunswick's literary reputation by adapting avant garde modernist practices to the contours of the province opening it to the contemporary world while also encouraging writers to make it their subject The result was a non urban form of modernism that was as responsive to technical innovation as to the human geographies of New Brunswick By placing New Brunswick writers and critics at the forefront of Canadian literature in the midcentury modernist project Tremblay adds an important new chapter to our understanding of Canadian modernism *The Fiddlehead Moment* is the first critical examination of this group's considerable influence Whether through Bailey's ethnomethodology Pacey's critical ordering or Cogswell's editorial eclecticism in the Fiddlehead magazine and Fiddlehead Poetry Books authors in New Brunswick Tremblay argues had a profound impact on writing in Canada *Canadiana*, 1979 *Fiddlehead* Cherie Priest, 2013-11-12 Young ex slave Gideon Bardsley is a brilliant inventor but the job is less glamorous than one might think especially since the assassination attempts started Worse yet they're trying to destroy his greatest achievement a calculating engine called Fiddlehead which provides undeniable proof of something awful enough to destroy the world Both man and machine are at risk from forces conspiring to keep the Civil War going and the money flowing Bardsley has no choice but to ask his patron former president Abraham Lincoln for help Lincoln retired from leading the country after an attempt on his life but is quite interested in Bardsley's immense data processing capacities confident that if people have the facts they'll see reason and urge the government to end the war Lincoln must keep Bardsley safe until he can finish his research so he calls on his old private security staff to protect Gideon and his data Maria Belle Boyd was a retired Confederate spy until she got a life changing job offer from the Pinkerton Detective Agency Pinkerton respects her work despite reservations about her lingering Southern loyalties But it's precisely those loyalties that let her go into Confederate territory to figure out who might be targeting Bardsley Maria is a good detective but with spies from both camps gunning for her can even the notorious Belle Boyd hold the greedy warhawks at bay Another rollicking alternate history from Cherie Priest *Fiddlehead* is the fifth book in the *Clockwork Century* steampunk series that started with *Boneshaker* At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
