Fidelity Of Heart An Ethic Of Christian Virtue:

Fidelity of Heart James E. Gilman, 2001-01-25 What does it take to follow and not merely admire Jesus How do religious affections reshape the practice of Christian values like love peace justice and compassion How can they possess both universal truth and local meaning What role can they play in public life In *Fidelity of Heart* Gilman answers these questions while showing in an innovative and provocative approach how Christians can practice these values in ways continuous with the life of Jesus

Fidelity of Heart James Earl Gilman, 2023

The Trinitarian Ethics of Jonathan Edwards William J. Danaher, 2004-01-01 Examining the theological ethics of Jonathan Edwards William Danaher Jr shows that Edwards s doctrine of the Trinity both was foundational to Edwards s thought and is the necessary framework for understanding the theological and moral vision expressed in his writings This Trinitarian interpretation identifies what distinctive contribution Edwards makes to contemporary Christian ethics particularly concerning the nature of virtue the will sin evil and love The Columbia Series in Reformed Theology represents a joint commitment by Columbia Theological Seminary and Westminster John Knox Press to provide theological resources from the Reformed tradition for the church today This series examines theological and ethical issues that confront church and society in our own particular time and place

Receptive Human Virtues Elizabeth Agnew Cochran, 2011 An examination of the writings on virtues and ethics of eighteenth century Puritan Jonathan Edwards Provided by publisher

The Mind of Christ Stephen T. Pardue, 2013-09-12 This book brings a variety of theological resources to bear on the now widespread effort to put humility in its proper place In recent years an assortment of thinkers have offered competing evaluations of humility so that its moral status is now more contentious than ever Like all accounts of humility the one advanced in this study has to do with the proper handling of human limits What early Christian resources offer and what discussions of the issue since the eighteenth century have often overlooked is an account of the ways in which human limits are permeable superable and open to modification because of the working of divine grace This notion is especially relevant for a renewed vision of intellectual humility the primary aim of the project but the study will also suggest the significance of the argument for ameliorating contemporary concerns about humility s generally adverse effects

Research On Altruism & Love Stephen Post, 2003-05-15 Research on Altruism and Love is a compendium of annotated bibliographies reviewing literature and research studies on the nature of love An essay introduces each of the annotated bibliographies A variety of literature directly related to science and love issues or supporting those issues is covered in the Religious Love Interfaces with Science section This annotated bibliography is unique in that it approaches the field from a decidedly religious perspective It includes classical expositions of love that continue to influence contemporary scholars including Platos work on eros the work and words of Jesus Aristotle Augustine of Hippo Martin Luther Kierkegaard and Ghandi among others The contemporary discussion includes Anders Nygren s theological arguments in his classic *Agape and Eros* Pitirim Sorokin and others An issue that often emerges in this literature is the question of the nature and definition of

love A second annotated bibliography features current empirical research in the field of Personality and Altruism with a focus on social psychology Among the topics covered are the altruistic personality altruistic behavior empathy helping behavior social responsibility and volunteerism Methodologies are diverse and studies include experiments local and national surveys naturalistic observation and combinations of these The Evolutionary Biology annotated bibliography covers the most significant works on altruism and love in the field of biology and evolutionary psychology The fourth and final annotated bibliography in this volume is entitled Sociology of Faith Based Volunteerism Here the focus is on literature on the interface of helping behavior and religious organizations as well as major pieces on voluntary associations **The Blackwell**

Companion to Christian Spirituality Arthur Holder, 2011-04-27 The Blackwell Companion to Christian Spirituality is a comprehensive single volume introduction to Christian spirituality and represents the most significant recent developments in the field Offers a thoroughly interdisciplinary broadly ecumenical and representative overview of the most significant recent developments in the field Comprises essays combining rigorous academic scholarship with accessible and elegant writing Reflects an understanding of the field as the study of the lived experience of Christian faith and discipleship Provides material on biblical historical and theological foundations along with treatment of contemporary issues **Politics and the Order of Love** Eric Gregory, 2008-08-15 Augustine for all of his influence on Western culture and politics was hardly a liberal Drawing from theology feminist theory and political philosophy Eric Gregory offers here a liberal ethics of citizenship one less susceptible to anti liberal critics because it is informed by the Augustinian tradition The result is a book that expands Augustinian imaginations for liberalism and liberal imaginations for Augustinianism Gregory examines a broad range of Augustine's texts and their reception in different disciplines and identifies two classical themes which have analogues in secular political theory love and related notions of care solidarity and sympathy and sin as well as related notions of cruelty evil and narrow self interest From an Augustinian point of view Gregory argues love and sin constrain each other in ways that yield a distinctive vision of the limits and possibilities of politics In providing a constructive argument for Christian participation in liberal democratic societies Gregory advances efforts to revive a political theology in which love's relation to justice is prominent Politics and the Order of Love will provoke new conversations for those interested in Christian ethics moral psychology and the role of religion in a liberal society **Faith, Reason, and Compassion** James Earl Gilman, 2007

What is the relationship between faith and reason How should faith and reason situate themselves in relation to each other These are the chief questions that James Gilman seeks to address in Faith Reason and Compassion A Philosophy of the Christian Faith An innovative new book in philosophy of religion it treats the problems typical of the discipline in an untypical way with a methodology that presupposes a particular religious tradition in this case Christianity and that reenfranchises emotions e.g. compassion as crucial to shaping solutions to philosophical problems Developing a methodology on the basis of three principles the principle of symmetry asymmetry and supersymmetry Gilman confiscates these three terms from physics

and deploys them collectively as a metaphor in service to a method whereby the problems belonging to philosophy of religion can be critically and constructively treated While ideal for courses in philosophy of religion this book stretches across disciplines and is also ideal for use in Christian ethics and theology courses es across disciplines and is also ideal for use in Christian ethics and theology courses es across disciplines and is also ideal for use in Christian ethics and theology courses

Christian Ethics at the Boundary Karen V. Guth,2015-09-01 In contemporary reflection on Christianity and politics the work of realist witness and feminist theologians has been done in isolation Christian Ethics at the Boundary offers the first collaborative approach to public and political theology Extending the strong contextual work of Robin W Lovin Stanley Hauerwas Kathryn Tanner Monica A Coleman and Mary McClintock Fulkerson author Karen V Guth engages the prominent public theologians Reinhold Niebuhr John Howard Yoder and Martin Luther King Jr to identify new trajectories for future work in Christian ethics

We Make a Life by What We Give Richard B. Gunderman,2009-09-07 According to an old saying We make a living by what we get but we make a life by what we give In 22 brief and insightful essays Richard B Gunderman shows us that the key to more rewarding giving can be found by looking beyond mere donations of money Exploring the ethical core of sharing and examining its importance for both those who receive and those who give here is a book to deepen our understanding of what it means to share

River of Delights, Volume 1 Rick Howe,2015-02-27 In a day when many see Christian faith primarily as disapproval River of Delights embraces a joyful vision of life from our enjoyment of God to delight in our most important relationships pleasure in our most significant endeavors and the adventurous joy of being an agent of Gods Kingdom in the world In a day when many regard Christian faith as irrelevant River of Delights shows how joy connects with our deepest longings and highest aspirations and touches every facet of our lives In a day when many view Christian faith as a set of obscure doctrines and rigid rules River of Delights focuses on the God whose radiant joy eclipses all else whose beauty steals our breath and whose goodness beckons us into a life changing life enriching relationship that will never end River of Delights will not only immerse you in the Scriptures it will introduce you to theologians past and present and initiate you into a growing band of Christians who see following Jesus as a path and portal to flourishing in life

Christian Faith, Justice, and a Politics of Mercy James E. Gilman,2014-04-10 Christian Faith Justice and a Politics of Mercy The Benevolent Community assumes that the most profound moral conflict today is between two virtues justice and mercy Gilman argues that the two are organically linked through the common experience of compassion In an unjust world justice cannot establish itself but requires in public as well as private life projects of merciful benevolence Mercy alone has the power to subvert patterns of injustice and mercy and projects of benevolence are tailored to establish and sustain patterns of justice especially fair economic outcomes To show this against Rawl s Difference Principle Gilman argues for a Distribution Principle which states that social and economic inequalities should be addressed by policies that directly and primarily benefit the least

advantaged members of society while at the same time minimizing burdens and or maximizing benefits for the most advantaged Along the way he shows how in the United States benevolence as a public virtue was disestablished along with religion how it might and should be re established without re establishing religion and how the Christian tradition provides resources for evolving morally from a liberal procedural practice of justice to one that embraces egalitarian economic justice as well Finally he demonstrates how in the global community today Christianity and other traditions can and should make benevolent community a reality

Art and Moral Change Ki Joo Choi,2024 This book reconsiders the relationship between aesthetics and theological ethics The primary question it seeks to answer is whether artistic creativity is a morally relevant activity Drawing on the work of Jonathan Edwards and Thomas Aquinas Choi argues that the arts are the cultural medium through which we can better understand what is morally possible and that aesthetic objects can serve as snapshots of a particular community s perspectives on the good life Art in other words offers glimpses not only into competing moral visions within society but also the extent to which these contested moral views are understood The arts in Choi s view provide a way of assessing the limits and possibilities of moral reasoning the contextuality of moral discernment and the need for moral thinking that is dialogical and dialectical

River of Delights, Volume 2 Rick Howe,2015-02-27 In a day when many see Christian faith primarily as disapproval River of Delights embraces a joyful vision of life from our enjoyment of God to delight in our most important relationships pleasure in our most significant endeavors and the adventurous joy of being an agent of Gods Kingdom in the world In a day when many regard Christian faith as irrelevant River of Delights shows how joy connects with our deepest longings and highest aspirations and touches every facet of our lives In a day when many view Christian faith as a set of obscure doctrines and rigid rules River of Delights focuses on the God whose radiant joy eclipses all else whose beauty steals our breath and whose goodness beckons us into a life changing life enriching relationship that will never end River of Delights will not only immerse you in the Scriptures it will introduce you to theologians past and present and initiate you into a growing band of Christians who see following Jesus as a path and portal to flourishing in life

Augustine's Theology of Preaching Peter T. Sanlon,2014-07-01 Scholarship has painted many pictures of Augustinethe philosophical theologian the refuter of heresy or contributor to doctrines like Original Sinbut the picture of Augustine as preacher says Sanlon has been seriously neglected When academics marginalize the Sermones ad Populum the real Augustine is not presented accurately In this study Sanlon does more however than rehabilitate a neglected view of Augustine How do the theological convictions that Augustine brought to his preaching challenge sustain or shape our work today By presenting Augustine s thought on preaching to contemporary readers Sanlon contributes a major new piece to the ongoing reconsideration of preaching in the modern day a consideration that is relevant to all branches of the twenty first century church

Character Ethics and the Old Testament M. Daniel Carroll R.,Jacqueline E. Lapsley,2007-01-01 Throughout the Old Testament the stories laws and songs not only teach a way of life that requires individuals to be moral

but they demonstrate how In biblical studies character ethics has been one of the fastest growing areas of interest Whereas ethics usually studies rules of behavior character ethics focuses on how people are formed to be moral agents in the world This book presents the most up to date academic work in Old Testament character ethics covering topics throughout the Torah the Prophets and the Writings in addition to the use of the Bible in the modern world In addition to Carroll and Lapsley contributors are Denise M Ackermann Cheryl B Anderson Samuel E Balentine William P Brown Walter Brueggemann Thomas B Dozeman Bob Ekblad Jose Rafael Escobar R Theodore Hiebert Kathleen O Connor Dennis T Olson J David Pleins Luis R Rivera Rodriguez J J M Roberts and Daniel L Smith Christopher
