Dunlap,2011-12-01 America is a nation of ardent knowledgeable birdwatchers But how did it become so And what role did the field guide play in our passion for spotting watching and describing birds In the Field Among the Feathered tells the history of field guides to birds in America from the Victorian era to the present relating changes in the guides to shifts in science the craft of field identification and new technologies for the mass reproduction of images Drawing on his experience as a passionate birder and on a wealth of archival research Thomas Dunlap shows how the twin pursuits of recreation and conservation have inspired birders and how field guides have served as the preferred method of informal education about nature for well over a century The book begins with the first generation of late 19th century birdwatchers who built the hobby when opera glasses were often the best available optics and bird identification was sketchy at best As America became increasingly urban birding became more attractive and with Roger Tory Peterson s first field guide in 1934 birding grew in both popularity and accuracy By the 1960s recreational birders were attaining new levels of expertise even as the environmental movement made birding s other pole conservation a matter of human health and planetary survival Dunlap concludes by showing how recreation and conservation have reached a new balance in the last 40 years as scientists have increasingly turned to amateurs whose expertise had been honed by the new guides to gather the data they need to support habitat preservation Putting nature lovers and citizen activists at the heart of his work Thomas Dunlap offers an entertaining history of America s long standing love affair with birds and with the books that have guided and informed their enthusiasm **Swampwalker's Journal** David M. Carroll,2001-06-14 Winner of the John Burroughs Medal An admission ticket to a secret corner of the world Bill McKibben Naturalist David Carroll has dedicated his life to art and to wetlands He is as passionate about swamps bogs vernal ponds and the creatures who live in them as most of us are about our families and closest friends He knows frogs and snakes muskrats and minks dragonflies water lilies cattails sedges everything that swims flies trudges slithers or sinks its roots in wet places In this intimate and wise book Carroll takes us on a lively unforgettable yearlong journey illustrated with his own

elegant drawings through the wetlands and reveals why they are so important to his life and ours and to all life on Earth Sue Hubbell Carroll covers four seasons of wading through marshes swamps bogs and fens His eye for detail serves him well whether he s spying on a tiny garter snake struggling to suck down a much larger wood frog or watching a raccoon savagely digging a turtle out of its shell Entertainment Weekly In my pantheon of nature writers David Carroll walks on water Robert Michael Pyle **The Marshall Cavendish International Wildlife Encyclopedia** Maurice Burton,Robert Burton,1989 A familiar format in collections serving schools and the public 25 volumes nearly 3 000 pages heavily illustrated with color photos and line drawings range maps and many bandw pictures Covers all animals in articles of a few lines to a few pages The text is simple enough for age twelve or so A genre that is calculated to entertain inform and we hope lead the reader to more detailed study The bibliography offers more sophisticated books but is concentrated in v 25 The primary impression is a picture book with perhaps 10 000 illustrations These are of indifferent quality faded colors many being fuzzy The arrangements of the set is by common name without reference to the Latin term Interspersed with animals are such general topics as Africa zoos conservation Lacking running headings it is frustrating to search directly without using the index the zebra in v 1 is within the Africa section Indexed by animal both common and Latin names by subject and classification Portions of the work have been published as The international wildlife encyclopedia Encyclopedia of animal life and Funk and Wagnalls wildlife encyclopedia Annotation copyrighted by Book News Inc Portland OR **Hemingway and Africa** Miriam B.
