autoethnography The contributors and compilers of this book do not place these in separate sections or in any hierarchy but rather wish that all of these appear on an equally vital level that displays the ways in which each of the subjects and approaches might open up a piece of culture in a way that draws attention to the connections between them all *The ABCs of Political Economy* Robin Hahnel, 2014-11-20 This revised edition of ABCs is a lively and accessible introduction to modern political economy Informed by the work of Marx Veblen Kalecki Robinson Minsky and other great political economists Robin Hahnel provides the essential tools needed to understand economic issues today Dispelling myths about financial liberalisation fiscal austerity globalisation and free markets ABCs offers a critical perspective on our present system and outlines clear alternatives for the future This second edition applies the analytical tools developed to help readers understand the origins of the financial crisis of 2007 the ensuing Great Recession and why government policies in Europe and North America over the past six years have failed to improve matters for the majority of their citizens The second edition also helps explain what is causing climate change and what will be required if it is to be resolved effectively and fairly **The**

Two-Income Trap Elizabeth Warren, Amelia Warren Tyagi, 2016-04-12 From 1 New York Times bestselling author Senator Elizabeth Warren and consultant Amelia Warren Tyagi the classic book about America's middle class and why economic security remains out of reach for many In this expos Elizabeth Warren and Amelia Warren Tyagi show that modern middle class families are increasingly trapped by the grinding reality of flat wages and rising costs Warren and Tyagi reveal how a ferocious bidding war for housing and education has silently engulfed America's suburbs driving up the cost of keeping families in the middle class and placing unprecedented pressure on hard working families Revolutionary when it was first published in 2003 The Two Income Trap remains disturbingly relevant today Now with a new introduction by the authors The Two Income Trap shows why the usual remedies won't solve the problem and points toward the policy changes that would create better opportunities for both parents and children Ecopreneuring John Ivanko, Lisa Kivirist, 2009-03-01 How to
