Field Notes From The Grand Canyon Raging River Quiet Mind An Illustrated Journal:

Field Notes from the Grand Canyon Teresa Jordan, 2000 On a writing assignment award winning author Teresa Jordan spent 12 days traveling down the Colorado River through the Grand Canyon As has happened to so many who have visited the Grand Canyon this intensely verbal woman found herself speechless she was filled with awe the whole time This beautiful book of field notes and spectacular watercolors is the result of that trip **Temperance Creek** Pamela Royes, 2016-06-01 In the early seventies some of us were shot like stars from our parents homes This was an act of nature bigger than ourselves In the austere beauty and natural reality of Hell s Canyon of Eastern Oregon one hundred miles from pavement Pam unable to identify with her parent s world and looking for deeper pathways has a chance encounter with returning Vietnam warrior Skip Royes Skip looking for a bridge from survival back to connection introduces Pam to the vanishing culture of the wandering shepherd and together they embark on a four year sojourn into the wilderness From the back of a horse Pam leads her packstring of readers from overlook to water crossing down trails two thousand years old and from the vantages she chooses for us we feel the edges of our own experiences It is a memoir of falling in love with a place and a man and the price extracted for that love Written with deep lyricism Temperance Creek is a work of haunting beauty fresh and irreverent and rooted in the grit and pleasure of daily life This is Pam s story but the courage and truth in the telling is part of our human experience Seen through a slower more primary mirror one not so crowded with objectivity Pam s memoir is a kind of home coming a family reunion for shooting stars **American Book Publishing Record** R.R. Indianapolis Monthly , 2001-12 Indianapolis Monthly is the Circle City s essential chronicle and guide an indispensable authority on what s new and what s news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy s cultural landscape **The Year of Living Virtuously** Teresa Jordan, 2014-12-16 Benjamin Franklin was in his early twenties when he embarked on a bold and arduous project of arriving at moral perfection intending to master the virtues of temperance silence order resolution frugality industry sincerity justice moderation cleanliness tranquility chastity and humility He soon gave up on perfection but continued to believe that these virtues coupled with a generous heart and a bemused acceptance of human frailty laid the foundation for not only a good life but also a workable society Writer and visual artist Teresa Jordan wondered if Franklin s perhaps antiquated notions of virtue might offer guidance to a nation increasingly divided by angry righteousness She decided to try to live his list for a year focusing on each virtue for a week at a time and taking weekends off to attend to the seven deadly sins The journal she kept became this collection of beautifully illustrated essays weaving personal anecdotes with the views of theologians philosophers ethicists evolutionary biologists and a whole range of scholars and scientists within the emerging field of consciousness studies Teresa Jordan offers a wry and intimate journey into a year in midlife devoted to the challenge of trying to live authentically **Notes Journaling & Sketching Arizona Grand**
