A Field Guide to the Atlanta & St. Andrews Bay Railway John Richardson, 2015-04-05 A Field Guide to the Atlanta St Andrews Bay Railroad aka The Bay Line is a collection of information on this historic short line that operates in northwest Florida and south Alabama Founded in 1906 and still thriving in the 21st Century the Bay Line has survived two world wars a depression and too many boom and bust cycles to count Along the way it was integral to the grand plans for some well known business empires and set a few historical precedents before maturing into a prosperous if somewhat obscure short line This latest edition includes added and expanded information throughout [American Book Publishing Record](#), 2004

Southern Railway Tom Murray, Few railroads are as deeply associated with the regions they

serve as the Southern Railway This illustrated account of the venerable Southern is both the story of the railroad's 88 year tenure as the transportation force in the region and a fascinating chapter of Southern history The Southern Railway the first major U S railroad to completely convert to diesel eventually incorporated some 150 individual predecessor railroads into its system Author Tom Murray explores this complex prehistory before examining the Southern's nearly nine decades of freight and passenger service right up to its 1982 merger with Norfolk Western to form Norfolk Southern Financier J P Morgan makes an appearance in the story which takes in points of interest such as the 21.5 mile trestle across Louisiana's Lake Pontchartrain and legendary passenger trains like the Crescent and the Southerner Wonderful archival photos capture the railway's motive power and rolling stock against the region's cityscapes and scenic countryside The book also includes system maps period ads and timetables
