A Field Guide to the Tiger Beetles of the United States and Canada David L. Pearson,C. Barry Knisley,Daniel Paul Duran,Charles J. Kazilek,2015 More than 2600 species of tiger beetles are found all over the world In North America there are 116 species of tiger beetle divided into 153 geographically distinct races Detailed studies of their natural history population dynamics communities patterns of worldwide species richness and taxonomy of particular subgroups have produced much information Tiger beetles are among the most widely investigated groups of insects especially in terms of their ecology and geographic distribution The first edition of A Field Guide to the Tiger Beetles of the United States and Canada published in 2005 has served as a field and natural history guide to all known species of tiger beetles found in North America above the Mexican border The 2nd edition is a pleasant and comprehensible handbook of the identification distribution natural history and habitat details of the 116 species of tiger beetles in North America The updated handbook provides new information including observations of seasonality range extensions and biology a newly developed list of common names and twenty five artistically pleasing identification color plates The second edition of A Field Guide to the Tiger Beetles of the United States and Canada provides essential information to recognize and easily identify tiger beetles for established naturalists and outdoor enthusiasts alike **Barron Field in New South Wales** Thomas H Ford,Justin

Clemens,2023-03-07 On 24 February 1817 Barron Field sailed into Sydney Harbour on the convict transport Lord Melville to a ceremonial thirteen gun salute He was there as the new Judge of the Supreme Court of Civil Judicature in New South Wales the highest legal authority in the turbulent colony Energetic and gregarious Field immediately set about impressing his vision of a future Australia as a liberal and prosperous nation He courted the colony s leading figures engaged in scientific research and even founded Australia s first bank He also wrote poetry in 1819 he published First Fruits of Australian Poetry the first book of poems ever printed in the country In England Field had been the theatre critic for The Times and a friend of such major Romantic writers as William Wordsworth Charles Lamb and Leigh Hunt In New South Wales he saw the chance to become a major figure himself someone who could shape culture and society in enduring ways Founding Australian poetry was part of that ambition so too was law Asked to determine whether Governor Macquarie had authority to impose taxes in

the colony Field issued a fateful judgement that established for the first time what is now called terra nullius This book is an extraordinary reconstruction of the circumstances and implications of Field's actions in New South Wales using an original and revealing method the close reading of his poetry
