Fierce A Memoir

Stephen Pimpare

Fierce A Memoir:

Fierce Barbara Robinette Moss, 2007-11-01 From the award winning author of *Change Me into Zeus's Daughter* comes this compelling memoir about a single mother determined to break the patterns that she has been taught Barbara Robinette Moss grew up in the red clay hills of Alabama the fourth of eight children in a childhood defined by close sibling alliances staggering poverty and uncommon abuse at the hands of her wild eyed charismatic alcoholic father In *Fierce* Moss looks at what happens when a child of such a family grows up At once poetic and plainspoken Moss a powerful writer *Chicago Tribune* paints a vivid moving portrait of her persistent quest to reinvent her life and rebel against the rural indigence addiction and broken dreams she inherited from her parents With warmth insight and candor Moss tells the poignant story of finally leaving everything she knew in Alabama to fulfill her ambition to become an artist It is an odyssey filled with gritty improvisation bringing her son Jason to her night job to sleep on the floor bittersweet pragmatism filling her purse on a dinner date with shrimp rolls and even a doily to bring home to a waiting eight year old and staunch conviction and pride chasing a mail carrier down the street to defend her use of food stamps As with many other children of alcoholics the legacy of her father's alcoholism catches up with Moss and an abusive relationship an inheritance and addiction of its own sort threatens to destroy all that she has accomplished But as Moss learns to cope with her anger and pain parenthood helps her discover true strength Ultimately *Fierce* is a warm honest and triumphant story from a writer celebrated for her Southern lyricism about a woman determined to make it on her own to shrug off the handicaps of her childhood and raise her son responsibly and well

Something Fierce Carmen Aguirre, 2014-03-25 1 NATIONAL BESTSELLER *The Globe and Mail* A *Globe and Mail* Best Book 2011 A *Quill Quire* Book of the Year 2011 A *National Post* Best Book 2011 A *BBC Radio* Book of the Week October 2011 One of the *CBC's* 15 Memoirs by Canadian Women Worth Reading 2015 Six year old Carmen Aguirre fled to Canada with her family following General Augusto Pinochet's violent 1973 coup in Chile Five years later when her mother and stepfather returned to South America as Chilean resistance members Carmen and her sister went with them quickly assuming double lives of their own At 18 Carmen became a militant herself plunging further into a world of terror paranoia and euphoria *Something Fierce* takes the reader inside war ridden Peru dictator ruled Bolivia post Malvinas Argentina and Pinochet's Chile in the eventful decade between 1979 and 1989 Dramatic suspenseful and darkly comic it is a rare first hand account of revolutionary life and a passionate argument against forgetting

Fierce Attachments Vivian Gornick, 2005-09-14 Vivian Gornick's *Fierce Attachments* hailed by the *New York Times* for the renowned feminist author's mesmerizing thrilling truths within its pages has been selected by the publication's book critics as the 1 Best Memoir of the Past 50 Years In this deeply etched and haunting memoir Vivian Gornick tells the story of her lifelong battle with her mother for independence There have been numerous books about mother and daughter but none has dealt with this closest of filial relations as directly or as ruthlessly Gornick's groundbreaking book confronts what Edna O'Brien has called the principal

crux of female despair the unacknowledged Oedipal nature of the mother daughter bond Born and raised in the Bronx the daughter of urban peasants Gornick grows up in a household dominated by her intelligent but uneducated mother's romantic depression over the early death of her husband Next door lives Nettie an attractive widow whose calculating sensuality appeals greatly to Vivian These women with their opposing models of femininity continue well into adulthood to affect Gornick's struggle to find herself in love and in work As Gornick walks with her aged mother through the streets of New York arguing and remembering the past each wins the reader's admiration the caustic and clear thinking daughter for her courage and tenacity in really talking to her mother about the most basic issues of their lives and the still powerful and intuitively wise old woman who again and again proves herself her daughter's mother Unsparing deeply courageous *Fierce Attachments* is one of the most remarkable documents of family feeling that has been written a classic that helped start the memoir boom and remains one of the most moving examples of the genre Gornick stares unflinchingly at all that is hidden difficult strange unresolvable in herself and others at loneliness sexual malice and the devouring claustrophobic closeness of mothers and daughters *Fierce Attachments* is a portrait of the artist as she finds a language original allergic to euphemism and therapeutic banalities worthy of the women that raised her *The New York Times* Something Fierce Carmen Aguirre, 2011-10-01

Fierce Aly Raisman, 2018-11-13 *The New York Times* bestseller Discover Aly Raisman's inspiring story of dedication perseverance and learning to think positively even in the toughest times on her path to gold medal success in two Olympic Games and beyond Aly Raisman first stepped onto a gymnastics mat as a toddler in a mommy me gymnastics class No one could have predicted then that sixteen years later she'd be standing on an Olympic podium having achieved her dreams Aly's road to success was full of hard work perseverance and victories but not without its hardships Aly faced many obstacles from naysayers who said she'd never make it in gymnastics to classmates who shamed her for her athletic body to a devastating betrayal of trust Through it all Aly surrounded herself with supportive family friends and teammates and found the inner strength to remain positive and believe in herself Now in her own words Aly shows what it takes to be a champion on and off the floor and takes readers on a behind the scenes journey before during and after her remarkable achievements in two Olympic Games through her highest highs lowest lows and all the moments in between Honest and heartfelt frank and funny Aly's story is enhanced with never before published photos excerpts from the personal journals she's kept since childhood that chronicle memorable moments with her teammates and hard won advice for readers who strive to rise above challenges learn to love themselves and make their own dreams come true *Affection and Estrangement: a Southern Family Memoir* Preston M. Browning Jr., 2009-10-30 Preston Browning Jr entered the world in 1929 a few months before the Crash and the onset of the Great Depression In Culpeper Virginia Browning grew up amid the pervasive poverty of the times where he recalls being labeled by his father as the world's worst grouch led in song by Miss Lizzy Lovell who banged on the piano at the local Episcopal church and seated astride a cow who needed a lot of convincing

to take him for a ride around the pasture beyond his house With humor and exceptional detail Browning shares a lively memoir that focuses on his coming of age journey and subsequent experiences in the rural South during the 1930s and 1940s providing a compelling glimpse into how his family and others helped shape his emerging sense of self his convictions and his character While providing snippets about the era and sketches of more than twenty relatives and ancestors that include an amusing retelling about his Uncle Sweets experiences at a hoochie coochie show Browning details the fascinating legacy of his Southern upbringing during a time when a struggle for racial economic and social justice prevailed in America In this inspiring memoir a Southerner reminisces about small town Virginia before during and after the Great Depression through entertaining stories about his unconventional ancestors his immediate family and his own experiences *Life Stories* Maureen O'Connor, 2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads *Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books *The Fiction of Autobiography* Micaela Maftai, 2013-07-04 Writing autobiography is a complicated often fraught activity for both writer and reader We can find many recent examples of the way such writing calls into question the author's truthfulness or their authority to present as definitive their version of a particular event or portion of their lives Drawing upon a wide range of late twentieth and early twenty first century autobiographical writing *The Fiction of Autobiography* examines key aspects of autobiography from the interrelated perspectives of author reader critic and scholar to reconsider how we view this form of writing and its relationship to the way we understand and construct identity Maftai considers recent cases and texts such as Didion's *The Year of Magical Thinking* and Frey's *A Million Little Pieces* alongside older texts such as Proust's *In Search of Lost Time* Nabokov's *Invitation to a Beheading* and Stein's *The Autobiography of Alice B Toklas* In part this is to emphasise that key issues reappear and arise over decades and centuries and that texts distanced by time can speak to each other thoughtfully and poignantly *The Memoir and the Memoirist* Thomas Larson, 2007-05-15 The memoir is the most popular and expressive literary form of our time Writers embrace the memoir and readers devour it propelling many memoirs by relative unknowns to the top of the best seller list Writing programs challenge authors to disclose themselves in personal narrative Memoir and

personal narrative urge writers to face the intimacies of the self and ask what is true In *The Memoir* and the *Memoirist* critic and memoirist Thomas Larson explores the craft and purpose of writing this new form Larson guides the reader from the autobiography and the personal essay to the memoir a genre focused on a particularly emotional relationship in the author's past an intimate story concerned more with who is remembering and why than with what is remembered *The Memoir* and the *Memoirist* touches on the nuances of memory of finding and telling the truth and of disclosing one's deepest self It explores the craft and purpose of personal narrative by looking in detail at more than a dozen examples by writers such as Mary Karr Frank McCourt Dave Eggers Elizabeth Wurtzel Mark Doty Nuala O Faolain Rick Bragg and Joseph Lelyveld to show what they reveal about themselves Larson also opens up his own writing and that of his students to demonstrate the hidden mechanics of the writing process For both the interested reader of memoir and the writer wrestling with the craft *The Memoir* and the *Memoirist* provides guidance and insight into the many facets of this provocative and popular art form

The Rise of the Memoir Alex Zwerdling, 2017 *The Rise of the Memoir* traces the growth and extraordinarily wide appeal of the memoir Its territory is private rather than public life shame guilt and embarrassment not the achievements celebrated in the public record What accounts for the sharp need writers like Rousseau Woolf Orwell Nabokov Primo Levi and Maxine Hong Kingston felt to write and to publish such works when they might more easily have chosen to remain silent Alex Zwerdling explores why each of these writers felt compelled to write them as that story can be reconstructed from personal materials available in archival collections what internal conflicts they encountered while trying and how each of them resisted the private and public pressures to stop themselves rather than pursuing this confessional route against their own doubts without a reasonable expectation that such works would be welcome in print and eventually find an empathetic audience Reconstructing this process in which a dubious project eventually becomes a compelling product a memoir that will last illuminates both what was at stake and why this serially invented open form has reshaped the expectations of readers who welcomed a vital alternative to the official story

A People's History of Poverty in America Stephen Pimpare, 2011-06-07 Tens of millions of Americans currently live in poverty more and more of them in extreme poverty But the words we use to describe them tend to obscure rather than illuminate the human lives and real life stories behind the statistics A sympathetic social history that allows poor people past and present to tell their own remarkably similar stories Booklist *A People's History of Poverty in America* movingly brings to life poor people's everyday battles for dignity and respect in the face of the judgment control and disdain that are all too often the price they must pay for charity and government aid Through prodigious research Stephen Pimpare has unearthed poignant and often surprising testimonies and accounts that range from the early days of the United States to the complex social and economic terrain of the present A work of sweeping analysis *A People's History of Poverty in America* reminds us that poverty is not in itself a moral failure though our failure to understand it may well be

The Gift of Memoir Diane Taylor, 2015-01-06 *The Gift of Memoir* is a

wonderful guide for Memoir Writing I especially appreciate how Taylor examines the memoirs of historic well known or highly controversial people for examples of good craft and content and to illustrate the many quirks and magnificence of the human journey Pegi Evers author of *Ancient Spirit Rising* Every writer can benefit from reading Diane Taylor's wonderfully clear down to earth practical and inspiring book But for the memoirist in particular Taylor's expertise is invaluable Philip Marchand National Post columnist and author of *Ghost Empire* How the French Almost Conquered North America The Gift of Memoir is Diane Taylor's gift to writers of every kind but especially those with a personal or family story to tell In words that are themselves a stellar example of literary craftsmanship Taylor shows writers how to show up open up and write She shares moving stories from her own adventurous life Her short chapters full of practical advice and inspiring examples cover such topics as Establishing a writing ritual Why write memoir Joining a writing community for diversity and connection Telling the truth when you aren't sure Journaling to unlock the soul How to approach traumatic events Four strategies to retrieve memories The ingredients of a good anecdote The several senses not just five for vivid writing How to choose a form that fits your writing The revision process

The Cambridge Companion to American Literature and the Body Travis M. Foster, 2022-06-30 The human body has been depicted in a variety of ways across a range of cultural and historical locations It has been described variously as a biological entity clothing for the soul a site of cultural production a psychosexual construct and a material encumbrance Each of these different approaches brings with it a range of anthropological political theological and psychological discourses that explore and construct identities and subject positions This Companion examines connections between American literature and bodies from the eighteenth century through the present It reveals the singular way that literature can help us understand the body's entanglement within social and biological influences and it traces the body's existence within histories of race gender and ability This volume details the genres critical fields and interpretive practices that best facilitate the analysis of bodies in the full span of American literary imaginings

When Memory Speaks Jill Ker Conway, 2011-06-08 Jill Ker Conway one of our most admired autobiographers author of *The Road from Coorain* and *True North* looks astutely and with feeling into the modern memoir the forms and styles it assumes and the strikingly different ways in which men and women respectively tend to understand and present their lives In a narrative rich with evocations of memoirists over the centuries from Jean Jacques Rousseau and George Sand to W E B Du Bois Virginia Woolf Frank McCourt and Katharine Graham the author suggests why it is that we are so drawn to the reading of autobiography and she illuminates the cultural assumptions behind the ways in which we talk about ourselves Conway traces the narrative patterns typically found in autobiographies by men to the tale of the classical Greek hero and his epic journey of adventure She shows how this configuration evolved in memoirs into the passionate romantic struggling against the conventions of society into the frontier hero battling the wilderness into self made men overcoming economic obstacles to create an invention or a fortune or more recently into a quest for meaning for an understandable past for an ethnic identity

In contrast she sees the designs that women commonly employ for their memoirs as evolving from the writings of the mystics such as Dame Julian of Norwich or St Teresa of Avila about their relationship with an all powerful God As against the male autobiographer s expectation of power over his fate we see the woman memoirist again and again believing that she lacks command of her destiny and tending to censor her own story Throughout Conway underlines the memoir s magic quality of allowing us to enter another human being s life and mind and how this experience enlarges and instructs our own lives

Auto/Biography across the Americas Ricia A. Chansky, 2016-08-05 Auto biographical narratives of the Americas are marked by the underlying themes of movement and belonging This collection proposes that the impact of the historic or contemporary movement of peoples to in and from the Americas whether chosen or forced motivates the ways in which identities are constructed in this contested space Such movement results in a cyclical quest to belong and to understand belonging that reverberates through narratives of the Americas The volume brings together essays written from diverse national cultural linguistic and disciplinary perspectives to trace these transnational motifs in life writing across the Americas Drawing on international scholars from the seemingly disparate regions of the Americas North America the Caribbean and Latin America this book extends critical theories of life writing beyond limiting national boundaries The scholarship included approaches narrative inquiry from the fields of literature linguistics history art history sociology anthropology political science pedagogy gender studies critical race studies and indigenous studies As a whole this volume advances discourse in auto biography studies life writing and identity studies by locating transnational themes in narratives of the Americas and placing them in international and interdisciplinary conversations
