Frida Kahlo and artworks Gerry Souter,2023-11-16 Behind Frida Kahlo s portraits lies the story of both her life and work It is precisely this combination that draws the reader in Frida s work is a record of her life and rarely can we learn so much about an artist from what she records inside the picture frame Frida Kahlo truly is Mexico s gift to the history of art She was just eighteen years old when a terrible bus accident changed her life forever leaving her handicapped and burdened with constant physical pain But her explosive character raw determination and hard work helped to shape her artistic talent And although he was an obsessive womanizer the great painter Diego Rivera was by her side She won him over with her charm talent and intelligence and Kahlo learnt to lean on the success of her companion in order to explore the world thus creating her own legacy whilst finding herself surrounded by a close knit group of friends Her personal life was turbulent as she frequently left her relationship with Diego to one side whilst she cultivated her own bisexual relationships Despite this Frida and Diego managed to save their frayed relationship The story and the paintings that Frida left us display a courageous account of a woman constantly on a search of self discovery

Frida Kahlo & Diego Rivera Gerry Souter,2019-12-09 They met in 1928 Frida Kahlo was then 21 years old and Diego Rivera was twice her age He was already an international reference she only aspired to become one An intense artistic creation along with pain and suffering was generated by this tormented union in particular for Frida On both continents America and Europe these committed artists proclaimed their freedom and left behind them the traces of their exceptional talent In this book Gerry Souter brings together both biographies and underlines with passion the link which existed between the two greatest Mexican artists of the 20th century

Fusion Pat Conway, 2011-04. In the border area between the United States and Mexico, life is like a tossed salad. This salad is like avocados, salsa, lettuce, tomatoes, carrots, and whatever else the cook thinks might go well, maybe some squash or some grated cheese. Though people from everywhere call this home, the three predominant ethnic groups are anglos, Hispanics, and Native Americans. It is a place of fusion where people mix everything: food, language, marriage, religion, politics, and family life. It's a place where you can get an American hamburger and a Mexican Tecate beer one time and green chile enchiladas and a Coke the next. Out here you can go to a festival of La Virgen de Guadalupe one weekend and a wine tasting with jazz musicians the next, and nobody thinks that's strange. Most of our ancestors came from Europe, bringing with them the languages and customs of Ireland, Spain, and England. Some of them are Spanish Catholics, some with a strain of Judaism hidden somewhere back there from the expulsions of the Inquisition. And the descendants of those Tigua Indians here who rebelled against the Spaniards up in New Mexico keep their ancient culture alive while going about the business of being Americans.
