Fifteen False Propositions About God:

My Vocabulary Did This to Me Jack Spicer, 2010-08-15 An extraordinary collection Like the work of Emily Dickinson and W B Yeats Spicer's poems still seem to come from somewhere else Publishers Weekly starred review Winner of the Northern California Independent Booksellers Award for Poetry 2009 Winner of the American Book Award 2009 In 1965 when the poet Jack Spicer died at the age of forty he left behind a trunkful of papers and manuscripts and a few copies of the seven small books he had seen to press A West Coast poet his influence spanned the national literary scene of the 1950s and 60s though in many ways Spicer's innovative writing ran counter to that of his contemporaries in the New York School and the West Coast Beat movement Now more than forty years later Spicer's voice is more compelling insistent and timely than ever During his short but prolific life Spicer troubled the concepts of translation voice and the act of poetic composition itself *My Vocabulary Did This to Me* is a landmark publication of this essential poet's life work and includes poems that have become increasingly hard to find and many published here for the first time One of the most important volumes of poetry published in the past 50 years The poems are simply wonderful and Spicer's mature work is some of the best ever written by an American Ron Silliman author of *N O You finish My Vocabulary Did This to Me* feeling you've come in contact with an original artist and a genuine one You also finish the book thinking that these poems are ready to find a new audience Dwight Garner *The New York Times* Poet Be Like God Lewis Ellingham, Kevin Killian, 1998-07-29 The first biography of poet Jack Spicer 1925-1965 a key figure in San Francisco's gay cultural scene and in the development of American avant garde poetics *Radical Affections* Miriam Nichols, 2010 In 1950 the poet Charles Olson published his influential essay *Projective Verse* in which he proposed a poetry of open field composition to replace traditional closed poetic forms with improvised forms that would reflect exactly the content of the poem The poets and poetry that have followed in the wake of the projectivist movement the Black Mountain group the New York School the San Francisco Renaissance and the Language poets have since been studied at length But more often than not they have been studied through the lens of continental theory with the effect that these high On Mount Vision Norman Finkelstein, 2010-03-15 Normal dotm 0 0 1 84 482 The University of Iowa 4 1 591 12 0 0 false 18 pt 18 pt 0 0 false false false Style Definitions table MsoNormalTable mso style name Table Normal mso tstyle rowband size 0 mso tstyle colband size 0 mso style noshow yes mso style parent mso padding alt 0in 5 4pt 0in 5 4pt mso para margin 0in mso para margin bottom 0001pt mso pagination widow orphan font size 12 0pt font family Times New Roman mso ascii font family Cambria mso ascii theme font minor latin mso fareast font family Times New Roman mso fareast theme font minor fareast mso hansi font family Cambria mso hansi theme font minor latin mso bidi font family Times New Roman mso bidi theme font minor bidi Plumbing what the poet Michael Palmer calls the dimension of the Spirit with that troublesome rebarbative capital letter Norman Finkelstein's *On Mount Vision* asks how and why the sacred has remained a basic concern of contemporary experimental poets in our secular age By charting the wandering together and apart of poetry and belief

15 False Propositions about God Jack Spicer, 1974 *The Fire* Robin Blaser, 2006-09-29 Spanning four decades of meditation on the avant garde in poetry art and philosophy the essays collected in *The Fire* reveal Robin Blaser's strikingly fresh perspective on New American poets deconstructive philosophies current events and the state of humanities now The essays gathered in one volume for the first time include commentaries on Jack Spicer Charles Olson Robert Duncan Mary Butts George Bowering Louis Dudek Christos Dikeakos and J S Bach Blaser emerged from the Berkeley Renaissance of the 1940s and 1950s having studied under legendary medieval scholar Ernst Kantorowicz and having been a major participant in the burgeoning literary scene His response to the cultural and political events of his time has been to construct a poetic voice that offers a singular perspective on a shareable world and to pose that voice alongside others as a source of countermemory and potential agency Conceived as conversations these essays brilliantly reflect that ethos as they re-read the cultural events of the past fifty years *Freedom, God, and Worlds* Michael J. Almeida, 2012-08-30 Michael J Almeida presents a powerful argument which holds that several widely believed and largely undisputed objections to the idea of the existence of God are in fact just philosophical dogmas He challenges some of the most well entrenched principles in philosophical theology which have served as basic assumptions in influential apriori atheological arguments But most theists also maintain that the principles express apriori necessary truths including those principles that are presumed to follow from the nature of an essentially omnipotent essentially omniscient essentially perfectly good and necessarily existing being Among the atheological arguments that deploy these philosophical dogmas are the Logical Problem of Evil the Logical Problem of the Best Possible World the Logical Problem of Good Enough Worlds the Problem of Divine Freedom the Problem of No Best World and the Evidential Problem of Evil In *Freedom God and Worlds* Almeida claims that these arguments present no important challenge to the existence of an Anselmian God Not only are these philosophical principles false they are necessarily false **Even Strange Ghosts Can Be Shared** Jack Spicer, 2025-09-02 The more than 300 letters collected in *Even Strange Ghosts Can Be Shared* are a crucial component of Jack Spicer's unique oeuvre and they radiate with the brilliance ferocity and vulnerability that characterizes his poetry Spicer writes tenderly to lovers and friends in self-reflective series that recall the poetic sequences in *My Vocabulary Did This To Me* The Collected Poetry of Jack Spicer Letters to elders like Charles Olson and Ezra Pound and to poetic collaborators like Robin Blaser and Robert Duncan provide insight into the inner workings of an avant garde and are indispensable documents for students of 20th century American poetry Writing to younger poets Spicer offers inspiring words of mentorship sometimes with a sting about how to live in total devotion to art Spicer's letters paint a unique portrait of the political and personal challenges faced by a gay man at mid century including documents from his involvement in the early gay rights movement The fully annotated letters in *Even Strange Ghosts Can Be*

Shared contribute vital details to Spicer s biography *Poet Be Like God Jack Spicer and the San Francisco Renaissance* by Lewis Ellingham and Kevin Killian They stand alongside the recently published *Be Brave to Things The Uncollected Poetry and Plays of Jack Spicer* edited by Daniel Katz as key components of Spicer s inventive and influential writings Readers of Spicer s poetry will delight to find his extraordinary letters previously uncollected and mostly never before published in one volume Publication of this book is funded by the Beatrice Fox Auerbach Foundation Fund at the Hartford Foundation for Public Giving

Poetry of Jack Spicer Daniel Katz, 2013-01-17 In the years since his death from alcohol poisoning San Francisco Renaissance poet Jack Spicer 1925 1965 has gradually come to be recognized as one of most intriguing demanding and rewarding of the so called New American Poetry poets who were first published in Donald Allen s historic anthology of that name This is the first full length critical monograph on his work placing it in the context not only of the San Francisco Renaissance and contemporary movements with which Spicer dialogued and often disagreed such as the Beats the Black Mountain poets and the New York School but also of the major modernists from whom his innovative poetics derived differed and developed Informed by much archival material only recently made available *The Poetry of Jack Spicer* examines Spicer s post Poundian translation projects his crucial theories of the serial poem and inspiration as dictation his contrarian take on queer poetics his insistently uncanny regionalism and his elaboration of an epistolary poetics of interpellation and address

Nomad Codes Erik Davis, 2011-01-31 In these wide ranging essays Erik Davis explores the codes spiritual cultural and

embodied that people use to escape the limitation of their lives and enrich their experience of the world These include Asian religious traditions and West African trickster gods Western occult and esoteric lore postmodern theory and psychedelic science as well as festival scenes such as Burning Man of which Davis is the best known chronicler Articles on media technology further explore themes Davis took up in his acclaimed book *Techgnosis* while his profiles of West Coast poets musicians and mystics extend the California terrain he previously mapped in *The Visionary State* Whether his subject is collage art or the magickal realism of horror writer H P Lovecraft transvestite Burmese spirit mediums or Ufology tripster king Terence McKenna or dub maestro Lee Perry Davis writes with keen yet skeptical sympathy intellectual subtlety and wit and unbridled curiosity The common thread running through all these pieces is what Davis calls modern esoterica which he describes in his preface as a no man s land located somewhere between anthropology and mystical pulp between the zendo and the metal club between cultural criticism and extraordinary experience whether psychedelic or yogic or technological Such an ambiguous and startling landscape demands that the intrepid adventurer shed any territorial claims and go nomad Davis wanders with sharp eyes and an open mind which is why Peter Lamborn Wilson calls him the best of all guides to modern American spirituality

When your body brushed against me When your body brushed against me I remembered How we used to catch butterflies in our hands Down in the garden We were such patient children Following them from flower to flower Waiting and hoping With our cupped hands we used to catch them And they answered us with a soft tickle For they never stopped flying In bed I remembered them and cried for The touch of their fast wings the impatience Of their bright colors I am too old for such games But even tonight now your body has reminded me of butterflies I lie here awake pretending
